

FREEDOM OF THE PRESS

DEFINITION

Freedom of the press is a fundamental right that enables the media to investigate, publish, and broadcast without censorship or fear of punishment from the government. It is essential to democratic societies as it promotes transparency and accountability by informing citizens about matters of public interest.

EXAMPLE

The Pentagon Papers serve as a salient example of the freedom of the press. Published by The New York Times in 1971, these documents exposed the U.S. government's deceptions about Vietnam War activities. The government tried to suppress the dissemination of these papers, but the US Supreme Court upheld the Times' right to publish.

Lincoln and the Power of the Press Harold Holzer, 2014-10-14 Lincoln believed that with public sentiment nothing can fail without it nothing can succeed Harold Holzer makes a significant contribution to our understanding of Lincoln's leadership by showing us how deftly he managed his relations with the press of his day to move public opinion forward to preserve the Union and abolish slavery Doris Kearns Goodwin From his earliest days Lincoln devoured newspapers As he started out in politics he wrote editorials and letters to argue his case He spoke to the public directly through the press He even bought a German language newspaper to appeal to that growing electorate in his state Lincoln alternately pampered battled and manipulated the three most powerful publishers of the day Horace Greeley of the New York Tribune James Gordon Bennett of the New York Herald and Henry Raymond of the New York Times When war broke out and the nation was tearing itself apart Lincoln authorized the most widespread censorship in the nation's history closing down papers that were disloyal and even jailing or exiling editors who opposed enlistment or sympathized with secession The telegraph the new invention that made instant reporting possible was moved to the office of Secretary of War Stanton to deny it to unfriendly newsmen Holzer shows us an activist Lincoln through journalists who covered him from his start through to the night of his assassination when one reporter ran to the box where Lincoln was shot and emerged to write the story covered with blood In a wholly original way Holzer shows us politicized newspaper editors battling for power and a masterly president using the press to speak directly to the people and shape the nation *Heart of the Living God* Michael G. Wehner,2024-12-15 This volume details the Civil War experiences of the 11th Wisconsin Volunteers as they traveled more than 9000 miles in the service of their country The book looks at the attitude prevalent in Wisconsin at the start of the war and discusses the background of the men who comprised the regiment 72 percent of whom were farmers Compiled primarily from the letters and diaries of the men who served in the 11th Wisconsin the work focuses on the firsthand day to day experiences of the common soldier including rations or lack thereof clothing disease and at times the simple act of waiting The 11th Wisconsin lost more men to disease than to battle so their story presents an accurate picture not only of the heroic but also the sometimes humdrum yet perilous existence of the soldier Appendices provide a list of occupations practiced by the men dates of muster into service for the regiment s companies and a copy of a sermon delivered by George Wells after Lee s surrender in 1865 [Bibliographic Set](#)
