*Uncertain Empire* Joel Isaac,Duncan Bell,2012-09-01 Historians have long understood that the notion of the cold war is richly metaphorical if not paradoxical The conflict between the United States and the Soviet Union was a war that fell ambiguously short of war an armed truce that produced considerable bloodshed Yet scholars in the rapidly expanding field of Cold War studies have seldom paused to consider the conceptual and chronological foundations of the idea of the Cold War itself In Uncertain Empire a group of leading scholars takes up the challenge of making sense of the idea of the Cold War and its application to the writing of American history They interrogate the concept from a wide range of disciplinary vantage points diplomatic history the history of science literary criticism cultural history and the history of religion highlighting the

diversity of methods and approaches in contemporary Cold War studies Animating the volume as a whole is a question about the extent to which the Cold War was an American invention Uncertain Empire brings debates over national global and transnational history into focus and offers students of the Cold War a new framework for considering recent developments in the field

*America's Most Hated Woman* Ann Rowe Seaman, 2005-03-18 Why did Life Magazine dub her the most hated woman in America Did she unravel the moral fiber of America or defend the Constitution They found her heaped in a shallow grave sawed up and burned Thus ended Madalyn Murray O Hair the articulate atheist bitch whose 1963 U S Supreme Court case ended school prayer Her Christian baiting lawsuits spanned three more decades she was on TV all over the country foul mouthed witty and passionate launching today s culture wars over same sex marriage and faith based initiatives She was a man hater who loved sex a bully whose heart broke for the downtrodden She was accused of schizophrenia alcoholism and embezzlement but never cowardice or sloth She was an ideologue who spewed toxic rage even at the followers who made her a millionaire She was a doting mother who accosted people to ask them to be sexual partners for her lonely children and whose cannibalistic love led her children to their grave She thrived on her fame but just as the curtain of obscurity began to lower the family vanished in one of the strangest of America s true crimes This is the real story of the most hated woman in America by the only author to interview the killer and those close to him and to witness the family s secret burial in Austin Texas From the First Chapter The sky was gray and drizzling but it had stopped at the funeral home by quarter to nine Billy Murray hadn t spoken to his three family members for more than twenty years but he wanted to give them a decent burial Bill was an ordained minister but he didn t pray over the charred sawed up remains Baptists don t pray for the dead he said They either accept Christ before they died or they didn t He had his mother cremated in accordance with her oft expressed wish Her urn sat at the head of the burial vault as was appropriate for she had ruled the other two with an iron hand She was Madalyn Murray O Hair 76 founder of American Atheists and the Most Hated Woman in America a sobriquet she relished The other two were his half brother Jon Garth Murray 40 and his daughter Robin Murray O Hair 30 It had taken five years to find them and bring them to the cemetery for the service which was kept secret from the public It was their second burial Jerry Carruth the prosecutor who had searched for the family for nearly four years had watched them being excavated from their shallow mass grave on a South Texas ranch some months before He was watching the shoveling looking for the hip replacement joint Madalyn had gotten in 1988 When they found that he d know he d found Madalyn There it was he said shining in the sun like a trailer hitch
