French Classical Lines

Ilyana Karthas

French Classical Lines:

French Musical Thought, 1600-1800 Georgia Cowart, 1989 The seventeenth and eighteenth centuries in France were witness to dramatic changes in all aspects of social and cultural life During this era a new and modern spirit of critical inquiry arose a change in ethos that had a major effect on all the arts French Musical Thought 1600 1800 is a diverse collection of essays offering new perspectives and insight on musical opinion during one of the most fascinating periods in French history The essays in this volume the authors of which include musicologists historians and literary scholars illuminate clearly the relationship of critical thought in music to contemporary developments in philosophy art literature and politics In the final analysis scholars contend that music aesthetics criticism and theory can be understood only against the backdrop of a dynamic cultural milieu Contributors Claude V Palisca Jane R Stevens Louis E Auld Gloria Flaherty Robert M Isherwood Albert Cohen Barbara Russano Hanning David Allen Duncan Charles Dill Georgia Cowart

Breath Lines Jan Schreiber, 2025-05-20 Breath Lines takes a fresh and down to earth approach to encounters with poetry In these accessible non technical essays Jan Schreiber offers insightful strategies for reading and understanding works that many people have found challenging The essays address critical areas of poetic craft and interpretation the content of poems including narrative techniques and the voices a poet creates the character and power of verse lines and the problems attending the translation of metrical poems challenges of interpretation including complex philosophies and obscure references and a look at the future of the art hinted by the competing styles and allegiances of contemporary writers Each essay offers pertinent verse examples to illustrate metrical rhetorical and stylistic issues Schreiber's commentaries explain how a reader's careful attention can be rewarded with a deeper understanding of the multiple meanings embedded in apparently simple poems and how readers can thereby experience an emotional impact not always perceived on a first reading Designed for writers students and passionate readers Breath Lines How Poems Work and Why They Matter offers guidance into some of the art form's more arcane mysteries written by a distinguished poet and critic

The Philosophy of Lines Thorsten Botz-Bornstein, 2021-01-31 This book offers a philosophical exploration of lines in art and culture and traces their history from Antiquity onwards Lines can be physical phenomena cognitive responses to observed processes or both at the same time Based on this assumption the book describes the philosophy of lines in art architecture and science The book compares Western and Eastern traditions It examines lines in the works of Paul Klee Wassily Kandinsky and Henri Michaux as well as in Chinese and Japanese art and calligraphy Lines are not merely a matter of aesthetics but also reflect the psychological states of entire cultures In the nineteenth century non Euclidean geometry sparked the phenomenon of the self negating line which influenced modern art it also prepared the ground for virtual reality Straight lines distorted lines blurred lines hot and cold lines dynamic lines lines of force virtual lines and on and on lines narrate the development of human civilization

French Line Engravings of the Late XVIII Century H. W. Lawrence, Basil Lewis Dighton, 1910 **French Napoleonic**

Infantry Tactics 1792-1815 Paddy Griffith, 2012-08-20 A critical overview of the French infantry tactics which made them masters of Europe but eventually resulted in their defeat at Waterloo Bonaparte's Grande Armée one of the most renowned battle winning machines in history evolved from a merging of the professional army of the Ancien Régime and the volunteers and conscripts of the Revolutionary levée en masse although the contribution of the former is often underestimated A leading authority on the history of tactics draws here on original drill manuals and later writings to explain how the French infantry of 1792-1815 were organized for fire and movement on the battlefield Illustrated with clear diagrams and relevant paintings and prints and specially prepared colour plates this text brings the tactical aspects of eight battles vividly to life *French Verse-Art* Clive Scott, 1980-05-15 This 1980 book is designed to help university students to master the technicalities and techniques of French verse The author assumes that part of the difficulty encountered by readers derives from the need to approach French verse through English verse this book undertakes therefore a differentiation of the two verse traditions Dr Scott's concern is to provide the groundwork of a terminology to discuss the origins and implications of that terminology and to show how terminological knowledge can be translated into critical speculation about poetry After three chapters which establish the essential features of the French line of verse and outline the difficulties the student is likely to encounter in trying to describe it and deal with it the book moves on to consider rhyme stanzas verse forms and free verse Laugh Lines Julia Langbein, 2022-02-24 *Laugh Lines* Caricaturing Painting in Nineteenth Century France is the first major study of Salon caricature a kind of graphic art criticism in which press artists drew comic versions of contemporary painting and sculpture for publication in widely consumed journals and albums Salon caricature began with a few tentative lithographs in the 1840s and within a few decades no Parisian exhibition could open without appearing in warped incisive and hilarious miniature in the pages of the illustrated press This broad survey of Salon caricature examines little known graphic artists and unpublished amateurs alongside major figures like Édouard Manet puts anonymous jokesters in dialogue with the essays of Baudelaire and holds up the material qualities of a 10 centime album to the most ambitious painting of the 19th century This archival study unearths colorful caricatures that have not been reproduced until now drawing back the curtain on a robust culture of comedy around fine art and its reception in 19th century France **Five Classic French Plays** Wallace Fowlie, 2014-05-05 Treasury of theatrical masterpieces includes Corneille's *The Cid* Racine's *Phaedra* Molière's *The Intellectual Ladies* Marivaux's *The Game of Love and Chance* and Beaumarchais' *The Barber of Seville* Translations introductions by noted scholar Wallace Fowlie **Le Chant Intime** François Le Roux, Romain Raynaldy, 2021 In this translation of the groundbreaking *Le Chant Intime* internationally renowned baritone François Le Roux in conversation with journalist Romain Raynaldy presents a master class on French art song with a thorough analysis of 60 selected songs that deviate from the traditionally narrow repertoire of the mûdie genre Taking an approach that goes far beyond the typical limiting conventions Le Roux and Raynaldy adhere to composer Francis Poulenc's principle that a song should always be a

love affair not an arranged marriage Neither theoretical nor purely academic this guide instills in its readers a deep appreciation for the historical and artistic context of each piece by enriching each analysis with the full text of the lyrical poem and several musical examples as well as fascinating details of historic premieres concert halls singers and poets Paired with intensive and practical notes related to the nuances of melody and vocal delivery each analysis provides an essential reference for performers and listeners alike The translation is due to the expertise of musicologist and pianist Sylvia Kahan Professor of Music at the Graduate Center and College of Staten Island CUNY The Poems of Paul Valéry Jan Schreiber,2021-03-19 One of the most important French poets of the twentieth century Paul Val ry 1871 1945 influenced generations of poets who came after him Major poets in England and America including T S Eliot Wallace Stevens and W H Auden agreed that he should be better known in the English speaking world However his complex and graceful writing presents daunting obstacles for the translator who must capture the motions of a subtle intellect while recreating the rhythms and rhymes that entranced the poet s French contemporaries This volume is the culmination of 50 years devoted to bringing Val ry s poems into fluent English It shows the writer to be both the supreme poet of the mind and a consummate linguistic musician Readers curious to encounter *The Graveyard by the Sea* will find it brilliantly rendered here along with other masterpieces in both long and short forms This is a book for every lover of language and ideas **The Crisis of French Symbolism** Laurence Porter,2019-05-15 Challenging traditional histories of the nineteenth century French lyric Laurence Porter maintains that from 1851 to 1875 Symbolism constituted neither a movement nor a system but rather represented a crisis of confidence in the powers of poetry as a communicative act *The Crisis of French Symbolism* offers a provocative reinterpretation of the four acknowledged masters of Symbolist poetry Baudelaire Verlaine Rimbaud and Mallarm **Exercises in French syntax, with rules** Granville Sharp,1890 *Boileau and the French Classical Critics in England* , **Kurt Richter** Alan McGowan,2018-10-05 German master Kurt Richter 1900 1969 made significant contributions to the chess world as a player and as an editor and author Unassuming in real life Richter was a fearsome opponent who expressed himself mainly through his over the board results as well as through his chess journalism and literary output He was responsible for several innovative openings some of which gained renewed status in later years This overview of his life and games sheds light on a player who should be better known with much never before seen material Examples of his entertaining writings on chess are included some featuring his fictitious student opponent Dr Zabel A wide selection of games illustrates the surprising combinations and brilliant style of play that earned him the title *The Executioner of Berlin* A Century of French Poets Francis Yvon Eccles,1909 *French Warships in the Age of Sail, 1786-1861* Rif Winfield,Stephen S Roberts,2015-09-16 This comprehensive reference presents in depth information on French Naval ships of the eighteenth and nineteenth centuries By 1786 after besting the Royal Navy in its many conflicts across the Atlantic the French Navy had earned a sterling reputation for its ship design and fighting skills Yet within a few years the French

Revolution had devastated its efficiency leading to one defeat after another This lull persisted until 1815 when the French Navy's technical innovations produced some of the most advanced ships of the age This book is the first comprehensive listing of these ships in English It is organized by Rate classification and class with significant technical and building data followed by a concise summary of the careers of each ship in every class Illustrated and authoritative it presents a clear picture of the overall development of French warships in the latter half of the sailing era

The Harmonic Orator Patricia M. Ranum, 2001 Proudly standing apart from its European neighbors the music of seventeenth and eighteenth century France represented a conscious synthesis of French speech rhythms French rhetorical practices and French theatrical recitation As such it demands its own performance style

When Ballet Became French Ilyana Karthas, 2015-09-01 For centuries before the 1789 revolution ballet was a source of great cultural pride for France but by the twentieth century the art form had deteriorated along with France's international standing It was not until Serge Diaghilev's Ballets Russes found success in Paris during the first decade of the new century that France embraced the opportunity to restore ballet to its former glory and transform it into a hallmark of the nation In *When Ballet Became French* Ilyana Karthas explores the revitalization of ballet and its crucial significance to French culture during a period of momentous transnational cultural exchange and shifting attitudes towards gender and the body Uniting the disciplines of cultural history gender and women's studies aesthetics and dance history Karthas examines the ways in which discussions of ballet intersect with French concerns about the nation modernity and gender identities demonstrating how ballet served as an important tool for France's project of national renewal Relating ballet commentary to themes of transnationalism nationalism aesthetics gender and body politics she examines the process by which critics artists and intellectuals turned ballet back into a symbol of French culture The first book to study the correlation between ballet and French nationalism *When Ballet Became French* demonstrates how dance can transform a nation's cultural and political history

The Misanthrope, Tartuffe, and Other Plays Molière, 2008-05-08 First published as an Oxford World's Classics paperback 2001

Classic French Course in English William Cleaver Wilkinson, 2019-11-21 In *Classic French Course in English* William Cleaver Wilkinson presents a meticulously crafted guide aimed at demystifying the intricacies of the French language This seminal work melds rigorous linguistic analysis with an engaging pedagogical approach facilitating a seamless transition from English to French for learners of varying proficiencies Wilkinson employs clear explanations practical exercises and contextual examples drawn from classic French literature allowing readers to appreciate language not merely as a communication tool but also as a gateway to cultural understanding and historical appreciation The book reflects the era's intellectual movement to broaden language study access to a wider audience marking it as a significant contribution to educational resources of its time Wilkinson an esteemed educator and linguist of his era has a profound background in both the analysis of language and its teaching His experiences and deep commitment to language education were influences that shaped *Classic French Course in English*

Recognized for his innovative methods and clarity Wilkinson sought to create a resource that would inspire curiosity and foster fluency drawing from proven techniques that resonate with learners This book is highly recommended for anyone eager to embark on a journey into the French language whether they are students educators or cultural aficionados Wilkison's enlightening narrative not only equips readers with essential vocabulary and grammar but also cultivates an appreciation for the rich tapestry of French culture making it an indispensable resource for language learners
