Strategic Warfare in Bed Taiwo Olusegun Ayeni, 2015-08-14 Why is your bed strategic Because the place where you sleep is a site of divine renewal or Satanic regression You could be either made or marred on your bed Lying on your bed in the solemnity of day or serenity of night you can initiate maintain and sustain fruitful thinking that will change your life Great thoughts of glorious happenings could be inspired on your bed as you thoughtfully guard your hearts in deep search for divine mysteries Strategic Warfare in Bed encourages you to watch how you go to bed Do not allow the enemy to take control of your mind A bad night will produce a grumpy and agitated morning

and the cycle continues Operate in wisdom and win the fight for the possession of your mind on your bed **Where God's People Are Going, Life Giving Messages** Lyle McTeer,2012-10-11 For many years the church has prayed for revival to come never knowing or understanding how God might answer that prayer Today we are witnessing the greatest shaking that we have ever known and on a world wide scale As financial institutions become bankrupt and many lose jobs land and homes the awakening that we once prayed for has come Everything that can be shaken is and this scenario is causing even the weakest links within the soul of man to rise up as God becomes our only hope But what will become of it all and how will we survive Where Gods People are Going is like an oracle from the Lord He tells us in His word that My sheep hear My voice and I know them and they follow Me John 10 27 Until we come to know the Lords voice our relationship and our knowledge of Him is vague at best The life giving messages in this book are just that messages that bring life to dark situations and answers to lifes questions about today and what is yet to come My questions to the Lord often reflect the times in which we live as I ask the simple question why **Targeted Prayers** BEN NEBECHUKWU,2013-10-23 Achieving Spiritual Freedom is not for the weak meek sensitive passive or faint of heart You must go after Spiritual freedom aggressively passionately and strategically You must be prepared to pray the daring prayers necessary to set yourself free from every form of captivity including witchcraft late marriage childlessness poverty rejection failure at the point of breakthrough generation curses and household wickedness Targeted Prayers is a book that will help you learn the dynamics of prayers and also equip you to arrest and court martial every opposition resisting your desired breakthroughs They are harvesting prayers Civilization of the Eastern Irānians in Ancient Times: Ethnography and social life Wilhelm Geiger,Darab-Dastur Peshotan Sanjānā,1885

Drawers of Power from the Heavenlies Dr. D. K. Olukoya,2013-12-16 Many people suffer today because of gross ignorance concerning what is actually going on in the spiritual realm Some of the stubborn problems that men are struggling with today were actually programmed Into human lives through certain hidden powers These powers carry out their activities in the day and in the night through association with very powerful spiritual strongholds The Importance of this message is to show you that many problems are caused by powers which rule the day and the night These powers have continued to perpetrate all forms of wickedness in the lives of millions if not billions of men and women You will experience a great change in your life the moment you begin to understand and control the powers that rule the day and the night **The Great Taboo** Grant Allen,2019-11-26 In The Great Taboo Grant Allen explores the intricacies of human sexuality and the moral dilemmas surrounding it in Victorian society Through a compelling narrative that blends elements of mystery social commentary and psychological insight Allen delves into themes of repression desire and the quest for personal freedom His vivid characterizations and eloquent prose reflect the era s rigid norms while challenging the very foundations of societal taboos making the work a provocative study of the human condition and enlightenment Grant Allen was not only a novelist but also a biologist which greatly informed his understanding of human behavior and relationships His progressive views on

sexuality stemmed from the backdrop of the late 19th century a time when debates about sexual morality and freedom were increasingly pertinent Drawing from his own experiences and the scientific discourse of his time Allen sought to confront the hypocrisies of society through engaging narratives that foster both empathy and critical examination For readers interested in the intersections of literature psychology and social critique The Great Taboo is a fascinating read that invites reflection on the complexities of desire Its relevance continues to resonate with contemporary discussions on sexuality and freedom making it essential for those wishing to understand both historical and modern perspectives on these crucial issues
