Wilson, 2022-02-27 Sociolinguistics is the study of the interaction between language and society. In this classic introductory work Janet Holmes and Nick Wilson examine the role of language in a variety of social contexts considering both how language works and how it can be used to signal and interpret various aspects of social identity. Divided into three parts, this book explains basic sociolinguistic concepts in the light of classic approaches as well as introducing more recent research. This sixth edition has been revised and updated throughout using key concepts and examples to guide the reader through this fascinating area, including new material on gender, social media and online use of language, codeswitching and language policy. An updated companion website that is fully cross-referenced within this book and features video and audio materials and links to useful websites. Revised examples and exercises that include new material from Asia and South America. Fully updated further reading and references sections. An Introduction to Sociolinguistics is an essential introductory text for all students of sociolinguistics and a splendid point of reference for students of English language studies, linguistics and applied linguistics.

Introduction to Discourse Studies Jan Renkema, Christoph Schubert, 2018-11-15 This new edition of Introduction to Discourse Studies IDS is a thoroughly revised and updated version of this successful textbook which has been published in four languages and has become a must-read for anyone interested in the analysis of texts and discourses. Supported by an international advisory board of 14 leading experts, it deals with all main subdomains in discourse studies from pragmatics to cognitive linguistics, from critical discourse analysis to stylistics and many more. The book approaches major issues in this field from the Anglo-American and European as well as the Asian traditions. It provides an academic toolkit for future courses on discourse studies and serves as a stepping stone to the independent study of professional literature. The chapters are subdivided in modular sections that can be studied separately. The pedagogical objectives are further supported by over 500 index entries covering frequently used concepts that are accurately defined with examples throughout the text, more than 150 test yourself questions, all elaborately answered, which are ideal for self-study, nearly 100 assignments that provide ample material for lecturers to focus on specific topics in their courses. Jan Renkema is Emeritus Professor of Discourse Quality at the Department of Communication and Information Sciences at Tilburg University, The Netherlands. He is also editor of Discourse of Course 2009 and author of The Texture of Discourse 2009. In 2009 a Chinese edition of Introduction to Discourse Studies was published by Shanghai Foreign Language Education Press. Christoph Schubert is Full Professor of English Linguistics at Vechta University, Germany. He is author of an Introduction to English text linguistics 2nd ed 2012 and co-editor of Pragmatic Perspectives on Postcolonial Discourse 2016 and Variational Text Linguistics 2016.
