Introduction To Black Studies:

Introduction to Black Studies Karenga (Maulana.),1982 Introduction to Black Studies is a unique and highly acclaimed introduction to the discipline of Black Africana Studies providing students with an essential intellectual basis for a critical understanding and discussion of the history scope and fundamental concepts areas and issues which ground and define the discipline Publisher s description An Introduction to Black Studies Eric R. Jackson,2023-01-31 For years the American public education system has neglected to fully examine and discuss the rich history of people of African descent who have played a pivotal role in the transformation of the United States The establishment of Black studies departments and programs represented a major victory for higher education and a vindication of Black scholars such as W E B Du Bois and Nathan Huggins This emerging field sought to address omissions from numerous disciplines as well as myriad distortions stereotypes and myths In An Introduction to Black Studies Eric R Jackson demonstrates the continuing need for Black studies also known as African American studies in university curricula Jackson connects the growth and impact of Black studies to the broader context of social justice movements emphasizing the historical and contemporary demand for the discipline This book features seventeen chapters that focus on the primary eight disciplines of Black studies history sociology psychology religion feminism education political science and the arts Each chapter includes a biographical vignette of an important figure in African American history such as Frederick Douglass Louis Armstrong and Madam C J Walker as well as student learning objectives that provide a starting point for educators This valuable work speaks to the strength and rigor of the field its importance to the formal educational process and its relevance to the United States and the world **Handbook of Black Studies** Molefi Kete Asante,Maulana Karenga,2006 Publisher Description **Introduction to Black Studies** Karenga,2010 **An Interdisciplinary Introduction to Black Studies** Alfred L. Bright,1977 Introduction to African American Studies Talmadge Anderson,James Benjamin Stewart,2007 There is an ongoing debate as to whether African American Studies is a discipline or multidisciplinary or interdisciplinary field Some scholars assert that African American Studies use a well defined common approach in examining history politics and the family in the same way as scholars in the disciplines of economics sociology and political science Other scholars consider African American Studies multidisciplinary a field somewhat comparable to the field of education in which scholars employ a variety of disciplinary lenses be they anthropological psychological historical etc to study the African world experience In this model the boundaries between traditional disciplines are accepted and researches in African American Studies simply conduct discipline based an analysis of particular topics Finally another group of scholars insists that African American Studies is interdisciplinary an enterprise that generates distinctive analyses by combining perspectives from d Encyclopedia of Black Studies Molefi Kete Asante,Ama Mazama,2005 Encyclopedia containing a full analysis of the economic political sociological historical literary and philosophical issues related to Americans of African descent **Introduction to African American Studies** Stephen
