The Perfectibility of Human Nature in Eastern and Western Thought Harold Coward,2012-02-01 How perfectible is human nature as understood in Eastern and Western philosophy psychology and religion Harold Coward examines some of the very different answers to this question He poses that in Western thought including philosophy psychology Judaism Christianity and Islam human nature is often understood as finite flawed and not perfectible in religion requiring God's grace and the afterlife to reach the goal By contrast Eastern thought arising in India frequently sees human nature to be perfectible and presumes that we will be reborn until we realize the goal the various yoga psychologies philosophies and religions of Hinduism and Buddhism being the paths by which one may perfect oneself and realize release from rebirth Coward uses the striking differences in the assessment of how perfectible human nature is as the comparative focus for this book

Eastern Philosophy Chakravarthi Ram-Prasad,2013-01-31 A magisterial overview of the philosophies of the East The time has come for global philosophy to move beyond the model where the West is at the centre of radiating spokes of comparison Challenging the notion that Western philosophy is the best or only yardstick against which to judge the so called non Western philosophies Chakravarthi Ram Prasad sets up a lively debate in which the great thought systems of the East are engaged very much in their own terms The author's impressive sweep takes him through South Asia east to China and Japan encompassing 3000 years of philosophy and including the ancient philosophies of India Jainism Buddhism Daoism and Confucianism At the same time Ram Prasad dispels the romantic illusion that there is some common mystical wisdom tradition that binds together the cultures of the East His aim is to give a sense of the diversity and depth of these philosophical cultures as well as their sophistication and originality and to make comparisons between them to illuminate their varied yet potentially universal appeal
