execution order to arrive Trying circumstances indeed that might break any young adult on the verge of full adulthood Through mystic connections Elizabeth cries out with her mind to her secret ally Lord Robert the only man she can trust the cherished love of her heart Will their plans and dreams come to pass or will they become the smallest footnotes in English history In the blink of an eye Elizabeth and Robert discover that their fate is bound together forever In this imaginative dark fantasy the author presents a fun alternative history where arcane sciences protect the innocent The historical outcomes remain the same but the machinations behind the scenes that keep Elizabeth alive and bring her to the throne are much influenced by secretive practices and depends on loyal men who bind together in a pledge to serve her interests The love of Queen Elizabeth I for Lord Robert Dudley lasted the whole of their lives and even now evokes a sense of wonder and fascination The story could have happened this way Why not This novel is dark fantasy Tudor fiction with paranormal elements Will young Elizabeth wear the crown of thorns Noble adventurers dark robed false priests conspiring necromancers all figure in Robert s involvement in the Rakehells a bluecoated band of one hundred private soldiers who serve Elizabeth s Woodstock jailer Sir Henry Bedingfield Robert joins with Elizabeth s cousin Sir Henry Carey under the direction of a mysterious Spanish nobleman Ruy Gomez de Silva who serves King Philip consort of Queen Mary as these true historical figures join together to preserve the last Tudor princess of King Henry VIII s direct line This novel of Elizabeth and Robert is a PG rated historical novel of two landmark figures at the early adulthood of their lives which classifies this novel in the New Adult genre of historical dark fantasy fiction The book also qualifies under the reverse harem label where a group of loyal males unite to protect one revered and beloved female their respected princess Elizabeth Tudor to serve as her protectors Robert finds a new master a true historical figure Lord Ruy Gomez de Silva King Philip s closes confidant who in this version of history conducts him to Philip s court with a side trip to Woodstock manor where Elizabeth is confined after being freed from the Tower The third loyal man in their band of three is her loyal cousin Sir Henry Carey Elizabeth faces a battle of wills to protect her integrity if she is ever released for her brother in law King Philip has his eye upon his wife s winsome younger sister and Mary s court has no Me Two movement to protect even a princess

Mary Tudor Anna Whitelock, 2016-02-23 An engrossing unadulterated biography of Bloody Mary elder daughter of Henry VIII Catholic zealot and England s first reigning Queen Mary Tudor was the first woman to inherit the throne of England Reigning through one of Britain s stormiest eras she earned the nickname Bloody Mary for her violent religious persecutions She was born a princess the daughter of Henry VIII and the Spanish Katherine of Aragon Yet in the wake of Henry s break with Rome Mary a devout Catholic was declared illegitimate and was disinherited She refused to accept her new status or to recognize Henry s new wife Anne Boleyn as queen She faced imprisonment and even death Mary successfully fought to reclaim her rightful place in the Tudor line but her coronation would not end her struggles She flouted fierce opposition in marrying Philip of Spain sought to restore England to the Catholic faith and burned hundreds of dissenters at the stake But beneath her hard exterior was a woman

whose private traumas of phantom pregnancies debilitating illnesses and unrequited love played out in the public glare of the fickle court Though often overshadowed by her long reigning sister Elizabeth I Mary Tudor was a complex figure of immense courage determination and humanity and a political pioneer who proved that a woman could rule with all the power of her male predecessors The Body of the Queen Regina Schulte,2006 How many bodies does a queen have What is the significance of multiple bodies How has the gendered body been constructed and perceived within the context of the European courts during the course of the past five centuries These are some of the questions addressed in this anthology a contribution to the ongoing debate provoked by Ernst H Kantorowicz in his seminal work from 1957 *The King's Two Bodies* On the basis of both textual self presentations and visual representations a gradual transformation of the queen appears A sacred providential figure in medieval and early modern period an ideal bourgeois wife during the late 18th and 19th Centuries and a star like representation of royalty during the past century Twentieth century mass media has produced the celebrity and film star queens personified by the contested and enigmatic Nefertiti of ancient Egypt the mysterious Elizabeth Sisi of Austria Grace Kelly as Queen of both Hollywood and Monaco and Romy Schneider as the invented Empress

Well-Dressed Role Models Gale Eaton,2006-06-08 This study provides a qualitative exploration of juvenile biographies of women a genre defined here as a book dealing with the whole or partial life of an individual and reviewed as nonfiction for readers in elementary middle or junior high school Beginning with a survey of juvenile material on Elizabeth Tudor published in England and the United States between 1852 and 2002 author Gale Eaton scrutinizes thirty four books juvenile biographies histories and collected biographies for trends in both content and rhetoric *Well Dressed Role Models The Portrayal of Women in Biographies for Children* then goes on to look at close readings of books published in the United States in the years 1946 1971 and 1996 and presents a penetrating analysis of a genre that serves the needs of youth The findings of this study include the fact that juvenile biographies make role models out of women who in many cases never would have become famous by following all the rules for good girls By choice of subject and emphasis their authors dress the life stories of real women in the appropriate values of new generations Three appendixes providing annotated book lists for each of the three years analyzed conclude this study *Real Princesses* Valerie Wilding,2007-08-21 Get the facts about princesses past and present their clothes their homes their families and their fates P 4 of cover Richard III Michael Hicks,2019-11-26 The definitive biography and assessment of the wily and formidable prince who unexpectedly became monarch the most infamous king in British history The reign of Richard III the last Yorkist king and the final monarch of the Plantagenet dynasty marked a turning point in British history But despite his lasting legacy Richard only ruled as king for the final two years of his life While much attention has been given to his short reign Michael Hicks explores the whole of Richard's fascinating life and traces the unfolding of his character and career from his early years as the son of a duke to his violent death at the battle of Bosworth Hicks explores how Richard villainized for his imprisonment and probable killing of the

princes applied his experience to overcome numerous setbacks and adversaries Richard proves a complex conflicted individual whose Machiavellian tact and strategic foresight won him a kingdom He was a reformer who planned big changes but lost the opportunity to fulfill them and to retain his crown Provided by publisher **Royal Genealogies: Or, The Genealogical Tables Of Emperors, Kings and Princes, From Adam to These Times In Two Parts** James Anderson,1736 Bill of sale bought of Walford Brothers 1938 July 20 by Mrs Virgil Idol Heroines and Heroes: Symbolism, Embodiment, Narratives & Identity Christopher Hart,2008 **Lives of the Queens of Scotland and English Princesses Connected with the Regal Succession of Great Britain** Agnes Strickland,1852 **Finding Lists of the Chicago Public Library** Chicago Public Library,1912 *Lives of the queens of Scotland and English princesses connected with the royal succession of Great Britain.
