Congress. House. Committee on Appropriations,1999 **Elizabeth I** Susan Frye,1996-11-28 Elizabeth I is perhaps the most visible woman in early modern Europe yet little attention has been paid to what she said about the difficulties of constructing her power in a patriarchal society This revisionist study examines her struggle for authority through the representation of her female body Based on a variety of extant historical and literary materials Frye s interpretation focuses on three representational crises spaced fifteen years apart the London coronation of 1559 the Kenilworth entertainments of 1575 and the publication of *The Faerie Queene* in 1590 In ways which varied with social class and historical circumstance the London merchants the members of the Protestant faction courtly artists and artful courtiers all sought to stabilize their own gendered identities by constructing the queen within the natural definitions of the feminine as passive and weak Elizabeth fought back acting as a discursive agent by crossing and thus disrupting these definitions She and those closely identified with her interests evolved a number of strategies through which to express her political control in terms of the ownership of her body including her elaborate iconography and a mythic biography upon which most accounts of Elizabeth s life have been based The more authoritative her image became the more vigorously it was contested in a process which this study examines and consciously perpetuates **The British Battleship** Norman Friedman,2015-10-15 Norman Friedman brings a new perspective to an ever popular subject in *The British Battleship 1906 1946* With a unique ability to frame technologies within the context of politics economics and strategy he offers unique insight into the development of the Royal Navy capital ships With plans of the important classes commissioned from John Roberts and A D Baker III and a color section featuring the original Admiralty draughts this book offers something to even the most knowledgeable enthusiast **District of Columbia Appropriations for 2000: Operating budget and financial plan, FY 2000** United States.
