## **Elvis Thats The Way It Is:**

**"We Didn't Start the Fire"** John J. Sheinbaum, 2020-08-10 Using Billy Joel's music as a lens on history and culture this volume introduces a variety of musicological approaches to one of the most popular entertainers of the past fifty years

**Elvis Presley** Bobbie Ann Mason, 2007-07-31 A vibrant sympathetic portrait of the once and future king of rock n roll by the award winning author of *Shiloh* and *In Country* To this clear eyed portrait of the first rock n roll superstar Bobbie Ann Mason brings a novelist's insight and the empathy of a fellow Southerner who from the first time she heard his voice on the family radio knew that Elvis was one of us Elvis Presley deftly braids the mythic and human aspects of his story capturing both the charismatic boundary breaking singer who reveled in his celebrity and the soft spoken working class Southern boy who was fatally unprepared for his success The result is a riveting tragic book that goes to the heart of the American dream

The Colonel Alanna Nash, 2008-09-09 In *The Colonel* Alanna Nash the author of *Golden Girl The Story of Jessica Savitch* explores in depth the amazing story of Colonel Tom Parker the man behind the legend and the myth of Elvis Presley The result is a book that reads like the most riveting of real life detective stories one that will completely change your view of Presley's life success and death While scores of books have been written about Elvis Presley this is the first meticulously researched biography of Tom Parker written by someone who knew him personally And for anyone truly interested in the performer many consider the greatest and most influential of the twentieth century it is impossible to understand how Elvis came to be such a phenomenon without examining the life and mind of Parker the man who virtually controlled Elvis's every move Alanna Nash has been covering the story of Elvis Presley and Colonel Tom Parker since the day of Presley's funeral in Memphis Tennessee She was the first journalist allowed to view Presley's body a compelling and surprising sight But the profile of Parker attending the funeral in a Hawaiian shirt and a baseball cap was even stranger and led her to investigate the man behind the myth It has been known for twenty years that Thomas Andrew Parker was in fact born in Holland as Andreas Cornelis van Kuijk But Nash has dug much deeper and in a masterpiece of reporting unearthed never before seen documents including Parker's army records and psychiatric evaluations and the original police report of an unsolved murder case in Holland that lies at the heart of the Parker mystery In the process of weighing the evidence she answers the biggest riddle in the history of the music industry as it becomes clear that every move Parker made in the handling of Elvis Presley from why he never allowed Elvis to perform in Europe to why he didn't halt Elvis's drug use to why he put him in so many mediocre movies and even the Colonel's direction of Presley's army career was designed to protect Parker's own secrets Filled with startling new material her book challenges even the most familiar precepts of the Presley saga everything we presumed about Parker's handling of the world's most famous entertainer must now be reevaluated in the light of information Nash reveals about Parker who cared little for Presley beyond what the singer could do to bolster the Colonel's precarious position as an illegal alien Elvis Presley as one of Parker's unwitting victims paid a major price for the Colonel's past and his

overwhelming need to be more important than his client As a result Presley was never allowed to reach his potential and died in drug induced frustration over his stunted and mismanaged career In this astonishing impeccably written and vastly entertaining book Nash proves that the only figure in American popular culture as fascinating as Elvis Presley is Colonel Tom Parker the man who shaped Elvis who in turn helped shape us **Elvis Presley: A Life In Music** Ernst Jorgensen,1998

With exclusive access to the RCA vaults producer Ernst Jorgensen brings to intimate life every moment that Elvis spent in the studio from the spontaneous joy of his early sessions to the intensely creative periods of his later career 150 color and b w photos **Elvis** Paul Dowling,1996 Elvis Presley is perhaps the most recognizable rock icon in the history of popular music

Now here is the first and only full color book devoted exclusively to his album cover art Dowling the world s foremost collector of Elvis records has selected 226 exciting covers from 37 different countries for this one of a kind collection
