Embrace Wind Tapestry Romance No 17:

Tapestry Areal Seas, 2015-07-07 *Tapestry The Child Within* is a collection of experiences stories and lessons as seen through the eyes of the woman who holds this memory of her childhood inside Therefore this is not a chronological order of events but more the woman finding ways to embrace wholeness inside her changing world and path to wellness Who we are and what we become is not about what is done to us but more about how we use our life experiences and focus to see our own hearts Perceptions can teach us there are different sides to the same picture we hold in our minds eye To change our world we need but change how we perceive our world As we keep in mind that no matter how sincere a perception is that perception can be sincerely wrong As we stretch our understanding without lingering or getting attached to the fears within us we can become whole and well as a new innocence and strength takes root within our souls light Tucked in these pages as if this book was a box of puzzle pieces you will find many thoughts memories parts of a story and pieces of truths that sometimes seem like they have no connection But much like clothes hung on a clothesline or birds sitting on a wire there is one constant connection That connection is how to be well and how to heal from within You will find pieces and parts that may touch your heart May you also find the connection within your own memories childhood heart and soul come together on your own path to defining what healing and being well means to you As you face your own truths in the light of the sacredness of life I hope you will be well When in doubt I trust you may step back and see the bigger picture and just how amazing and wonderful you and your story are
