Essays On Kierkegaard:

Kierkegaard's Presence in Contemporary American Life Lewis A. Lawson, 1970 **Kierkegaard on Faith and the Self**
C. Stephen Evans, 2006 Evans makes a strong case that Kierkegaard has something crucial to say to the Christian church as a philosopher and something equally crucial to say to the philosophical world as a Christian believer Robert L Perkins Stetson University and Editor International Kierkegaard Commentary Perspectives in Religious Studies *The Existentialists*
Charles B. Guignon, 2004 This volume brings together for the first time some of the most helpful and insightful essays on the four most influential and discussed philosophers in the history of existentialism Kierkegaard Nietzsche Heidegger and Sartre The contributors write on such topics as Kierkegaard's knight of faith and his diagnosis of the present age Nietzsche's view of morality and self creation Heidegger's accounts of worldhood and authenticity and Sartre's ontology ethics and conception of the cogito The essays have been selected for their higher level of scholarship and for their ability to illuminate various aspects of their subject's work The volume is enhanced by the editor's introduction and extensive bibliography to aid further study *Essays on Kierkegaard* Jerry H. Gill, 1969 *The Joy of Kierkegaard* Hugh S. Pyper, 2014-10-20 Kierkegaard has often been regarded as a gloomy thinker yet as an evangelist his aim was to discover the joy of the truth of Christianity Both Kierkegaard's belief and his doubt in his own work were the result of his attempt to comprehend the exceptional experiences of biblical characters and to examine what he found most puzzling or offensive The Joy of Kierkegaard brings together the writings of one of the most influential of Kierkegaard scholars These essays argue that Kierkegaard's most original thought arises from his struggle with biblical passages and that joy underpins his profound exploration of spiritual alienation

Kierkegaard and Philosophy Alastair Hannay, 2003-12-16 Kierkegaard and Philosophy makes many of the most important papers on Kierkegaard available in one place for the first time These seventeen essays written over a period of over twenty years have all been substantially revised or specially prepared for this collection with a new introduction by the author In the first part Alastair Hannay concentrates on Kierkegaard's central philosophical writings offering closely text based accounts of the silent concepts Kierkegaard uses The second part shows the relevance of other thinkers' treatments of shared themes pointing out where they differ from Kierkegaard The concluding chapter provides a reason Kierkegaard himself would give for disagreeing with those who claim his texts are infinitely interpretable Written by the world's foremost Kierkegaard scholar and translator Kierkegaard and Philosophy is an indispensable resource for all students of Kierkegaard's work

Kierkegaard and the Poetry of the Gospel Frances Maughan-Brown, Rick Anthony Furtak, 2025-09-04 The first book in any language that collects scholarly essays on Kierkegaard's beautiful and vital Lily Discourses Long branded as merely devotional writings Kierkegaard's texts dealing with the lilies and birds spoken of in Matthew's gospel are rich with poetic nuance and philosophical significance In *Kierkegaard and the Poetry of the Gospel* a diverse group of emerging and established interpreters addresses the religious literary and dramatic aspirations of the philosopher in these discourses

Kierkegaard employs the figures of the lily and the bird to convey both suffering and pleasure the fleeting nature of experience and the search to endow this very transience with enduring significance In the process they identify and develop a philosophy of language and of exemplarity crucial to all of Kierkegaard's writings To ask what the lily and bird teach is also to ask what it means or could mean to be human This collection of essays is pivotal in registering clarifying and celebrating Kierkegaard's own response to that question suspended at the heart of his Lily Discourses The range of perspectives and approaches represented in this volume testifies to the wide appeal of this new and exciting area of Kierkegaard research from analytic aesthetics to eco theology Kierkegaard and the Poetry of the Gospel is the go to text for anyone looking to teach or write about the Lily Discourses across the disciplines of philosophy literary studies and religion [The Original Age of Anxiety](#) Lasse Horne Kjaeldgaard, 2021-09-27 Why was anxiety such a major issue for Søren Kierkegaard and his contemporaries This book revisits the original age of anxiety the time and place where Kierkegaard's ground breaking thoughts on anxiety were formed The pseudonym used by Kierkegaard in The Concept of Anxiety 1844 Vigilius Haufniensis is Latin for the watchman of Copenhagen A guiding question is what the vigilant Haufniensis might have observed in his city and especially in the literary culture of his time and day Exploring freedom in many forms Kierkegaard and his contemporaries found combinations of fear and desire that have later been considered symptomatic of modernity

Kierkegaard After MacIntyre John J. Davenport, Anthony Rudd, 2015-11-02 In his extraordinarily influential book on ethics After Virtue Alasdair MacIntyre maintained that Kierkegaard's notion of choosing to interpret one's choices in ethical terms implies an arbitrary and irrational leap MacIntyre's critique of Kierkegaard has become the focal point for several new interpretations of Kierkegaard that seek to answer MacIntyre Kierkegaard After MacIntyre brings together both new and already published articles in this vein with a new reply by Professor MacIntyre Kierkegaard After MacIntyre reflects the emergence of a new consensus in Kierkegaard scholarship This consensus is strongly anti irrationalist and contemporary neo Aristotelian virtue ethics clarifying their common ground as well as their differences In responding to MacIntyre's irrationalist objection the authors clarify the sense in which Kierkegaard's own conception of freedom is teleological and suggest that his understanding of the development of ethical personality involves a quest for narrative unity a commitment to practices involving social values and a self understanding conditioned by historical reality all of which are also central themes in MacIntyre's work on virtue ethics Despite MacIntyre's diagnosis of Kierkegaard's existential approach to ethics as unsuccessful some of Kierkegaard's insights may support MacIntyre's own theses Kierkegaard After MacIntyre is an outstanding book which brings Kierkegaard into direct conversation with one of the most important contemporary philosophers The conversation contains both lively disagreements and illuminating analyses all focused on issues of fundamental importance for human life C Stephen Evans Calvin College this wonderfully edifying collection of essays Timothy P Jackson Emory University In addressing MacIntyre's charge that for Kierkegaard the adoption of the ethical can

only be a criterionless choice this stimulating set of essays by well known Kierkegaard scholars provides a welcome addition to the literature on Kierkegaardian ethics Kierkegaard After MacIntyre provides a valuable exploration of the role of reasoning will and passion in moral life as well as of the relation between aesthetic and ethical dimensions of life M Jamie Ferreira University of Virginia

Selected Essays Søren Kierkegaard, 2011-05-01 Søren Kierkegaard 1813 1855 was a prominent Danish Christian philosopher This book contains five of his essays and some selections from The Present Moment This collection is varied in theme and a good representation of Kierkegaard's literature Readers will find his philosophy thought provoking and meticulously well thought through The essays included are The Crowd Is Untruth Diapsalmata In Vino Veritas The Banquet Fear And Trembling Preparation For A Christian Life Selections From The Present Moment

Kierkegaardian Essays Clare Carlisle, Steven Shakespeare, 2022-04-19 Søren Kierkegaard argued that the most essential truths come to light by asking How This innovative collection of essays by leading scholars focuses on this questioning How asking how we should relate to ourselves to others and to God how we should be in the world how we can become human The result is a searching original colloquium on what it means to be Kierkegaardian in the 21st century The adjective Kierkegaardian names many possibilities ways of philosophizing choosing loving looking listening reading writing teaching making art praying going to church or not going to church How gestures to subjectivity one of Kierkegaard's most fundamental philosophical categories while What signals an objectifying line of thought The authors of these essays suggest that the crucial Kierkegaardian question is not what we are and ought to do but how we can remain true to the finitude passivity and ambiguity of human existence While this Kierkegaardian how is often acknowledged by scholars it is rarely thematized directly Attending to it elicits new kinds of argument and reflection Kierkegaardian Essays proposes a fresh approach to Kierkegaard and is essential reading for experts and students alike

The Search for Being Jean T. Wilde, William Kimmel, 1962

Kierkegaard's Fear and Trembling Robert L. Perkins, 2009-11-01 Kierkegaard's Fear and Trembling Critical Appraisals was the first anthology of essays on Kierkegaard's classic to be published in English The authors are a remarkable collection of scholars some already well known and some standing at the beginning of their scholarly careers The list of authors includes Louis Jacobs David A Pailin Merold Westphal Paul Holmer Edward F Mooney John Donnelly C Stephen Evans David J Wren Mark C Taylor Nancy Jay Crumbine and Jerry H Gill The collection contains comparative historical and analytic essays focusing on Kierkegaard's relations to the Akedah the multiple tensions raised by Abraham's sacrifice of Isaac These essays abound with penetrating insights into many Kierkegaardian concepts that are important not just in Fear and Trembling but found throughout Kierkegaard's writings such as paradox resignation faith the absurd the individual the poet the hero immediacy the ethical and its suspension the leap of faith offence and silence

Anthropology and Authority, 2022-06-08 This volume on anthropology and authority in the writings of Søren Kierkegaard 1813 1855 offers its reader nineteen timely discussions of two fundamental categories pertaining to the literary

philosophical and theological production of this prominent 19th century Danish thinker whose vast influence upon 20th century intellectual life continues to grow as the new millennium approaches The volume s nineteen contributors from Canada Denmark Great Britain Holland Hungary Italy and the United States inquire into such complex problematics in Kierkegaard s oeuvre as the interrelationship between the human the divine and the spiritual between the secular and the Christian between human and Christian love between state and church institutions and the single individual of faith and between this individual s concern for quality in civic and religious life and the quantitative forces of modern society s masses and crowds Special attention is given to the indisputable authority of God Christ and the apostles as opposed to the debatable authority or non authority of the author Of particular interest is the nexus between Kierkegaard s existential and religious concerns on the one hand and his intricate textual conceptions multifarious poetic strategies and various means of pseudonymous and indirect communication on the other Between the covers of *Anthropology and Authority* some chapters seek to refine received knowledge of Kierkegaard in such disciplines as theology and moral philosophy Conversely other chapters submit rather postmodern critiques of the author s stylistic and rhetorical devices A summary assessment of the nineteen contributions would fail to recognize this considerable methodological and theoretical diversity Instead the reader s access to the smorgasbord of insights has been facilitated by an introduction in which one of the American editors briefly outline the individual contributions on a general historical and intellectual background Altogether the probing insights of *Anthropology and Authority* go to the core of Søren Kierkegaard s authorship Individual chapters either update previous responses to the many challenges presented by this work or the chapters face new challenges and or present critical challenges on their own

Søren Kierkegaard and the Word(s) Poul Houe, Gordon Daniel Marino, 2003 [Kierkegaard and the Quest for Unambiguous Life](#) George Pattison, 2013-01-10 This book looks at Kierkegaard with a fresh perspective shaped by the history of ideas framed by the terms romanticism and modernism Modernism here refers to the kind of intellectual and literary modernism associated with Georg Brandes and such later nineteenth and early twentieth century figures as J P Jacobsen Nietzsche Dostoevsky Ibsen all often associated with Kierkegaard in early secondary literature and the young Georg Lukacs This movement currently attracting increasing scholarly attention fed into such varied currents of twentieth century thought as Bolshevism as in Lukacs himself fascism and the early existentialism of e g Shestov and the radical culture journal *The Brenner* in which Kierkegaard featured regularly and whose readers included Martin Heidegger Each of these movements has arguably its own Romantic aspect and Kierkegaard thus emerges as a figure who holds together or in whom are reflected both the aspirations and contradictions of early romanticism and its later nineteenth and twentieth century inheritors Kierkegaard s specific staging of his authorship in the contemporary life of Copenhagen then undergoing a rapid transformation from being the backward capital of an absolutist monarchy to a modern cosmopolitan city provides a further focus for the volume In this situation the early Romantic experience of nature as providing a source of healing and an

experience of unambiguous life is transposed into a more complex and ultimately catastrophic register In articulating these tensions Kierkegaard s authorship provided a mirror to his age but also anticipated and influenced later generations who wrestled with their own versions of this situation **Ethics, Love, and Faith in Kierkegaard** Edward F.

Mooney,2008-07-17 **Ethics Love and Faith in Kierkegaard** collects essays from 13 leading scholars that center on key themes that characterize Kierkegaard s philosophy of religion With their unique focus on notions of the self views on the command to love one s neighbor thoughts on melancholy and despair and the articulation of religious vision the essays in this volume cover the breadth and depth of Kierkegaard s philosophical and religious writings Poised at the intersection of Kierkegaard s moral psychology and its religious significance they offer vivid testimony to the ongoing power of his unique and fervent religious spirit Students and scholars alike will find new light shed on questions that define Kierkegaard s philosophy and religion today **Essays on Kierkegaard & Wittgenstein** Richard H. Bell,Ronald E. Hustwit,1978 [Crisis in the Life of](#)

[an Actress](#) Søren Kierkegaard,1967 [Kierkegaard for the Church](#) Ronald F. Marshall,2013-08-30 Most of what is written on Kierkegaard today is for the college classroom and academic conferences The guiding question of this book is that if Kierkegaard s words about Christianity are true how do they change the way we learn and practice the Christian faith today This book is an answer to that question It does not enter into an extended critical discussion over the truth of Kierkegaard s ideas Instead it just believes what Kierkegaard said and runs with it It does that by showing how his ideas change our understanding of Christian identity suffering and illness worship and preaching the Bible baptism prayer marriage and divorce criticism and the Christian minister Interspersed are many quotations from Martin Luther whose thought significantly shaped Kierkegaard s At the end of the book is a hefty collection of sermons to show how all of this can be preached in the church What Kierkegaard for the Church adds to our understanding of Kierkegaard is the place of the church in his thought Because of his criticisms of the Danish state church and his stress on the need for the single individual to appropriate Christian teachings it could be imagined that he rejected the church But that would be to throw the baby out with the bath The fact is that Kierkegaard remained a loyal son of the church even while he attacked it And he did this only so he could strengthen what he loved

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Essays On Kierkegaard eBooks, including some popular titles.

FAQs About Essays On Kierkegaard Books

What is a Essays On Kierkegaard PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Essays On Kierkegaard PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Essays On Kierkegaard PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Essays On Kierkegaard PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Essays On Kierkegaard PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
