How to Preach without Notes Charles W. Expository Preaching Without Notes Charles W. Koller, 1962 **Preaching Without Notes** Prof. Joseph M. Webb, 2010-09-01. In this important book, Webb makes two central claims. First, that effective preaching without a manuscript is not a matter of talent as much as it is a matter of preparation. Preachers can learn the practices and disciplines that make it possible to deliver articulate, thoughtfully crafted sermons not from a written page but as a natural, spontaneous act of oral communication. Throughout the book, the author offers specific examples, including a transcript of a sermon preached without manuscript or notes. Second, that the payoff of learning to preach without a manuscript is nothing less than sermons that more effectively and engagingly give witness to the good news.
