Lawrence,2015-07-13 Excerpt from *Extracts From the Diary and Correspondence of the Late Amos Lawrence With a Brief Account of Some Incidents in His Life* Among the papers of the late Amos Lawrence were found copies of a large number of letters addressed to his children With the hope that the good counsels there given during a succession of years extending from their childhood to adult age might still be made profitable to their descendants he had caused them to be carefully preserved These letters as well as an irregular record of his daily experience were scattered through many volumes and required arrangement before they could be of use to those for whom they were intended As no one else of the immediate family could conveniently undertake the task the editor considered it his duty to do that which could not properly be committed to one less nearly connected with the deceased The present volume containing what was thought most interesting among those letters and extracts was accordingly prepared for private circulation and an edition of one hundred copies was printed and distributed among the nearest relatives and friends About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the
