**William Carlos Williams, James
Laughlin, Hugh Witemeyer**

Ezra Pound And James Laughlin Selected Letters:

Ezra Pound and James Laughlin Selected Letters Ezra Pound, James Laughlin, 1994 Letters between the poet and publisher discuss American and European poetry and criticism publishing music and politics **Letters, 1907-1941** Ezra Pound, 1971 **The Selected Letters of Ezra Pound, 1907-1941** Ezra Pound, 1971 Originally published in 1950 under title *The letters of Ezra Pound 1907 1941* **Guy Davenport and James Laughlin** Guy Davenport, James Laughlin, 2007 Still with his life as entwined as it was with New Directions Laughlin speaks often and interestingly about some of the giants of the modern period most often Ezra Pound in whose work Davenport had a deep interest The most distinct aspect of their correspondence stems from the fact that although Laughlin ended up publishing some of Davenport's work their friendship was the primary force behind their letters More than simply detailing an author publisher relationship these letters depict two fine minds educating and supporting each other in the service of literature Jacket [The Correspondence of Ezra Pound and the Frobenius Institute, 1930-1959](#) Ezra Pound, 2024-02-22 Collecting in full for the first time the correspondence between Ezra Pound and members of Leo Frobenius Forschungsinstitut für Kulturmorphologie in Frankfurt across a 30 year period this book sheds new light on an important but previously unexplored influence on Pound's controversial intellectual development in the Fascist era Ezra Pound's long term interest in anthropology and ethnography exerted a profound influence on early 20th century literary Modernism These letters reveal the extent of the influence of Frobenius concept of Paideuma on Pound's poetic and political writings during this period and his growing engagement with the culture of Nazi Germany Annotated throughout the letters are supported by contextualising essays by leading Modernist scholars as well as relevant contemporary published articles by Pound himself and his leading correspondent at the Institute the American Douglas C Fox *William Carlos Williams and James Laughlin* William Carlos Williams, James Laughlin, Hugh Witemeyer, 1989 Selected letters depict the development of the friendship between Williams and Laughlin a young publisher *The Luck of Friendship: The Letters of Tennessee Williams and James Laughlin* James Laughlin, Tennessee Williams, 2018-03-13 The chronicle of Tennessee Williams and James Laughlin's unlikely yet enduring literary and personal relationship In December 1942 two guests at a Lincoln Kirstein mixer bonded over their shared love of Hart Crane's poetry One of them was James Laughlin the founder of a small publishing company called New Directions which he had begun only seven years earlier as a sophomore at Harvard The other was a young playwright named Thomas Lanier Williams or Tennessee as he had just started to call himself A little more than a week after that first encounter Tennessee sent a letter to Jay as he always addressed Laughlin in writing expressing a desire to get together for an informal discussion of some of Tennessee's poetry I promise you it would be extremely simple he wrote and we would inevitably part on good terms even if you advised me to devote myself exclusively to the theatre for the rest of my life So began a deep friendship that would last for forty one years through critical acclaim and rejection commercial success and failure manic highs bouts of depression and

serious and not so serious liaisons Williams called Laughlin his literary conscience and New Directions serves to this day as Williams's publisher not only for *The Glass Menagerie* and his other celebrated plays but for his highly acclaimed novels short stories and volumes of poetry as well. Their story provides a window into the literary history of the mid twentieth century and reveals the struggles of a great artist supported in his endeavors by the publisher he considered a true friend.

Kenneth Rexroth and James Laughlin Kenneth Rexroth, 1991 Frankly H. Miller was defended by me only because he spoke against the War and I think that was the main reason for his fame. Now I do not believe what with Palmistry Chiromancy Phrenology and the Great Cryptogram he will survive the retooling period. I honestly think he is the most insufferable snob I have ever met but all reformed pandhandlers are like that. In a letter from Kenneth Rexroth to James Laughlin Ezra Pound and Neoplatonism P. Th. M. G. Liebrechts, 2004 This book is a detailed study of Ezra Pound's explicit and implicit use of elements of the Neoplatonic tradition in his prose and poetry and of the way it informed his poetics as well as his political and social economic views. The book not only discusses the ideas of those Pound considered to be leading figures in the development of Neoplatonism such as Plotinus Dionysius the Areopagite Eriugena Dante Gennadius Pseudo-Dionysius and Thomas Taylor but more importantly it shows how and why Pound adapted and appropriated their notions to develop his interpretation of what he saw as an ongoing Neoplatonic tradition. Through this adaptation of Neoplatonism Pound's work may be seen as an insightful commentary upon this religious philosophical tradition as well as a contribution to it. *Ezra Pound* I. Nadel, 2004-07-09 Drawing on a series of new sources this biography of Ezra Pound the first to appear in more than a decade outlines his contribution to modernism through a detailed account of his development influence and continued significance. It pays special attention to his role in creating Imagism Vorticism and the modern long poem as well as his importance for Yeats Joyce and Eliot. His roles as editor translator and critic plus his attempt to complete *The Cantos* are also studied. **"Literchoor Is My Beat"** Ian S. MacNiven, 2014-11-18 Biography of James Laughlin founder of the publishing house New Directions and one of the most important advocates for modernist and experimental literature. The Letters of T. S. Eliot Volume 7: 1934-1935 T. S. Eliot, 2017-05-30 T. S. Eliot's career as a successful stage dramatist gathers pace throughout the fascinating letters of this volume. Following his early experimentation with the dark comedy *Sweeney Agonistes* 1932 Eliot is invited to write the words of an ambitious scenario sketched out by the producer-director E. Martin Browne who was to direct all of Eliot's plays for a grand pageant called *The Rock* 1934. The ensuing applause leads to a commission from the Bishop of Chichester to write a play for the Canterbury Festival resulting in the quasi-liturgical masterpiece of dramatic writing *Murder in the Cathedral* 1935. A huge commercial success it remains in repertoire after eighty years. Even while absorbed in time-consuming theatre work Eliot remains untiring in promoting the writers on Faber's ever-broadening lists. George Barker Marianne Moore and Louis MacNeice among them. In addition Eliot works hard for the Christian Church; he has espoused in recent years serving on committees for the Church Union and the Church Literature

Association and creating at Faber but she refuses to comprehend that her husband has chosen to leave her and stalks him across literary society leading to his place of work at the offices of Faber Faber The correspondence draws in detail upon Vivien's letters and diaries to provide a picture of her mental state and way of life and to help the reader to appreciate her thoughts and feelings

The Age of Auden Aidan Wasley, 2010-12-28 How W H Auden's emigration to the United States changed the course of postwar American poetry W H Auden's emigration from England to the United States in 1939 marked more than a turning point in his own life and work it changed the course of American poetry itself The Age of Auden takes for the first time the full measure of Auden's influence on American poetry Combining a broad survey of Auden's midcentury U S cultural presence with an account of his dramatic impact on a wide range of younger American poets from Allen Ginsberg to Sylvia Plath the book offers a new history of postwar American poetry For Auden facing private crisis and global catastrophe moving to the United States became in the famous words of his first American poem a new way of happening But his redefinition of his work had a significance that was felt far beyond the pages of his own books Aidan Wasley shows how Auden's signal role in the work and lives of an entire younger generation of American poets challenges conventional literary histories that place Auden outside the American poetic tradition In making his case Wasley pays special attention to three of Auden's most distinguished American inheritors presenting major new readings of James Merrill John Ashbery and Adrienne Rich The result is a persuasive and compelling demonstration of a novel claim In order to understand modern American poetry we need to understand Auden's central place within it

The New Ezra Pound Studies Mark Byron, 2020 Essays on recent developments in Pound scholarship and research including newly available primary sources and methodological advances in cognate fields

T. S. Eliot and the Art of Collaboration Richard Badenhause, 2005-01-13 Richard Badenhause examines the crucial role that collaboration with other writers played in the development of T S Eliot's works from the earliest poetry and unpublished prose to the late plays He demonstrates Eliot's dependence on collaboration in order to create but also his struggle to accept the implications of the process In case studies of Eliot's collaborations Badenhause reveals the complexities of Eliot's theory and practice of collaboration Examining a wide range of familiar and uncollected materials Badenhause explores Eliot's social psychological textual encounters with collaborators such as Ezra Pound John Hayward Martin Browne and Vivienne Eliot among others Finally this study shows how Eliot's later work increasingly accommodates his audience as he attempted to apply his theories of collaboration more broadly to social cultural and political concerns

American Poetry Robert Rehder, Patrick Vincent, 2006

Ezra Pound: Poet Anthony David Moody, 2007-10-11 Volume I of a major new two part biography Contentious colourful revolutionary here is the young Pound a determined and energetic genius setting out to make his way both as a poet and as a force for civilization in England and America Covering the years up to 1920 David Moody explores Pound's alliances with Yeats Eliot and Wyndham Lewis the birth of Vorticism and his poetry up to Hugh Selwyn Mauberley and the first Cantos

The Ezra Pound Encyclopedia

Demetres P. Tryphonopoulos, Stephen J. Adams, 2005-04-30 Ezra Pound forever changed the course of poetry The author of a vast body of literature his enormous range of references and use of multiple languages make him one of the most obscure authors and because of his Fascism anti-Semitism and questionable sanity one of the most controversial This encyclopedia is a concise yet comprehensive guide to his life and writings Included are more than 250 alphabetically arranged entries on such topics as Arabic history Chinese translation dance Hilda Doolittle Egyptian literature Robert Frost and Pound's publications The entries are written by roughly 100 expert contributors and cite works for further reading Ezra Pound forever changed the course of poetry His vast body of poetry and critical works make him one of the 20th century's most prolific writers and his influence has shaped later poets great and small His enormous range of references deliberate obscurity and use of multiple languages make him one of the most difficult authors and because of his Fascism anti-Semitism and questionable sanity one of the most controversial figures in American literary history This encyclopedia is a concise yet comprehensive guide to his life and writings

The Poets of Rapallo Lauren Arrington, 2021 Explores W B Yeats and Ezra Pound's relationship as played out against the backdrop of Mussolini's Italy in the 1920s and 1930s and shows how Yeats Pound and others in their Italian network developed a late modernist style aimed at effecting world change

[The Pound Biennial](#) Anderson Araujo, Ron Bush, 2025-04-11 The Ezra Pound Studies Biennial claims a place as the flagship journal entirely devoted to Pound's work at a time when Pound studies represents one of the most active fields in modernist scholarship Elaborating on the life work and international reception of one of the prime movers of the modernist revolution in the arts and letters this inaugural volume joins an ever increasing number of studies examining Pound's letters prose poetry translations companions and international reception and taking the form among other things of critical essays and editions digital projects and monographs Building on this work the current volume features twelve high caliber contributions written by a diverse group of established and emerging Pound scholars Their subjects include the genesis of Pound's *Pisan Cantos* the poet's political and economic preoccupations his association with modernist women writers his fascination with typography and with the Italian Renaissance and his translations of Noh plays and French poetry
