F Scott Fitzgerald In His Own Time

Kirk Curnutt

F Scott Fitzgerald In His Own Time:

F. Scott Fitzgerald in his own time, 1971 **The Cambridge Companion to F. Scott Fitzgerald** Ruth Prigozy, 2002
Eleven specially commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F Scott Fitzgerald as a writer and as a public and private figure No aspect of his career is overlooked from his first novel published in 1920 through his more than 170 short stories to his last unfinished Hollywood novel Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century The introduction traces Fitzgerald s career as a literary and public figure and examines the extent to which public recognition has affected his reputation among scholars critics and general readers over the past sixty years This volume offers undergraduates graduates and general readers a full account of Fitzgerald s work as well as suggestions for further exploration of his work **In His Own Time** Francis Scott Fitzgerald, 1971 **F. Scott Fitzgerald in his own time** Francis Scott Fitzgerald, 1971 **F. Scott Fitzgerald** Jackson R. Bryer, Alan Margolies, Ruth Prigozy, 2012-03-15 Years after his death F Scott Fitzgerald continues to captivate both the popular and the critical imagination This collection of essays presents fresh insights into his writing discussing neglected texts and approaching familiar works from new perspectives Seventeen scholarly articles deal not only with Fitzgerald s novels but with his stories and essays as well considering such topics as the Roman Catholic background of *The Beautiful and Damned* and the influence of Mark Twain on Fitzgerald s work and self conception The volume also features four personal essays by Fitzgerald s friends Budd Schulberg Frances Kroll Ring publisher Charles Scribner III and writer George Garrett that shed new light on his personal and professional lives Together these contributions demonstrate the continued vitality of Fitzgerald s work and establish new directions for ongoing discussions of his life and writing *F. Scott Fitzgerald in Context* Bryant Mangum, 2013-03-18 Explores many of the important social historical and cultural contexts surrounding the life and works of F Scott Fitzgerald **F. Scott Fitzgerald Remembered** Jackson R Bryer, Richard Reisinger, 2025-02-04 Personal reminiscences of Fitzgerald many previously unpublished by those who knew him allowing the reader to construct a composite biography Fitzgerald once wrote There never was a good biography of a good novelist There couldn t be He is too many people if he s any good Since his untimely death in 1940 Fitzgerald has been scrutinized in nine major biographies each of which seeks to construct a single narrative that conveys the biographer s interpretation of Fitzgerald In contrast *F Scott Fitzgerald Remembered* presents over sixty first hand accounts of Fitzgerald many of them previously unpublished by those who knew him at all stages of his life from his time as an adolescent in St Paul and an undergraduate at Princeton through his meeting and marrying Zelda Sayre and his first successes the high points and increasing dissipation of the 1920s in New York Paris and the Riviera and the 1930s in Baltimore and North Carolina to his final years in Hollywood The guiding principle is not to provide a single interpretation of Fitzgerald s life but to present these

accounts in all their variety and even contradiction inviting the reader to form a biographical portrait based upon them Making these reminiscences available to scholars students and fans of Fitzgerald is particularly timely given the centenary of the publication of *The Great Gatsby* in 2025 **Critical Companion to F. Scott Fitzgerald** Mary Jo Tate, 2007 *The Great Gatsby* and its criticism of American society during the 1920s F Scott Fitzgerald claimed the distinction of writing what many consider to be the great American novel **Critical Companion to F** Interviews and Conversations with 20th-century Authors Writing in English Stan A. Vrana, 1982 To find more information about Rowman and Littlefield titles please visit [www rowmanlittlefield com](http://www.rowmanlittlefield.com) **F. Scott Fitzgerald's Short Fiction** Adams Jade Broughton Adams, 2018-11-14 A revisionist reading of Fitzgerald's short stories through the lens of popular culture from the 1910s to the 1930s F Scott Fitzgerald is remembered primarily as a novelist but he wrote nearly two hundred short stories for popular magazines such as the widely read *Saturday Evening Post* These are vividly infused with the new popular culture of the early twentieth century from jazz to motion pictures By exploring Fitzgerald's fascination with the intertwined spheres of dance music theatre and film this book demonstrates how Fitzgerald innovatively imported practices from other popular cultural media into his short stories showing how jazz age culture served as more than mere period detail in his work **Key Features** Interdisciplinary formal and thematic analysis of popular cultural references in Fitzgerald's short fiction Offers fresh readings of longstanding concepts in Fitzgerald studies such as his double vision Contributes to the growing field of popular cultural studies of modernist authors

F. Scott Fitzgerald Michael Glenday, 2011-12-28 From his first novel *This Side of Paradise* which brought him a blaze of youthful fame to his last unfinished novel *The Last Tycoon* F Scott Fitzgerald's appeal as one of America's most quintessential artists has continued to maintain its hold on twenty first century readers In this reader friendly study of Fitzgerald's major fiction Michael K Glenday Offers new readings of the author's canonical works including *The Great Gatsby* and *Tender Is the Night* Draws on the very latest research in his reassessment of the ideas and significance of Fitzgerald's major novels Explores the core themes of the novels as well as their considerable contribution to the spirit and complexity of modern day American culture Assuming no prior knowledge this book is ideal for those seeking a lively informed introduction to Fitzgerald's fiction as well as those looking for fresh and original insights into his extraordinary work The Romantic Egoists Matthew Joseph Bruccoli, Scottie Fitzgerald Smith, Joan Paterson Kerr, 2003 This pictorial autobiography of Scott and Zelda Fitzgerald documents two lives that have become legendary The book draws almost entirely from the scrapbooks and photograph albums that the Fitzgeralds scrupulously kept as their personal record and provides a wealth of illustrative material not previously available Minnesota a photograph of the country club in Montgomery Alabama where the two met reviews of *This Side of Paradise* poems to the couple from Ring Lardner snapshots of their trips abroad Fitzgerald's careful accounting of his earnings a photograph of the house on Long Island where *The Great Gatsby* was conceived postcards with Fitzgerald's drawings for his daughter These rare photographs and memorabilia combine into a narrative augmented by

selections from Scott's and Zelda's own writings conveying the spirit of particular moments in their lives **Fitzgerald's Craft of Short Fiction** Alice Hall Petry, 1989 Normal0falsefalsefalseMicrosoftInternetExplorer4 Fitzgerald's *Craft of Short Fiction* offers the first comprehensive study of the four collections of short stories that F. Scott Fitzgerald (1896-1940) prepared for publication during his lifetime: *Flappers and Philosophers* (1920), *Tales of the Jazz Age* (1922), *All the Sad Young Men* (1926), and *Taps at Reveille* (1935). These authorized collections, which include works from the entire range of Fitzgerald's career from his undergraduate days at Princeton to his final contributions to *Esquire* magazine, provide an ideal overview of his development as a short story writer. Originally published in 1989, this volume draws upon Fitzgerald's copious personal correspondence, biographical studies, and all available criticism, and analyzes how Fitzgerald perceived his achievements as a writer of short fiction from both artistic and commercial standpoints. Petry pays close attention to the individual stories, exploring how Fitzgerald's growing technical expertise and the evolution of his themes reflect changes in his personal life.

F. Scott Fitzgerald in His Own Time Jackson R. Bryer, 1971 *Some Sort of Epic Grandeur* Matthew J. Bruccoli, 2022-06-28 Epic indeed: this is the definitive biography of Fitzgerald, plain and simple. There's no reason to own another Library Journal The Great Gatsby The Beautiful and Damned Tender Is the Night The Curious Case of Benjamin Button These works and more elevated F. Scott Fitzgerald to his place as one of the most important American authors of the twentieth century. After struggling to become a screenwriter in Hollywood, Fitzgerald was working on *The Last Tycoon* when he died of a heart attack in 1940. He was only forty-four years old. Fitzgerald left behind his own mythology: He was a prince, charming, a drunken author, a spoiled genius, the personification of the Jazz Age and a sacrificial victim of the Depression. Here Matthew J. Bruccoli strips away the facade of this flawed literary hero. He focuses on Fitzgerald as a writer by tracing the development of his major works and his professional career. Beginning with his Midwest upbringing and first published works as a teenager, this biography follows Fitzgerald's life through the successful debut of *This Side of Paradise*, his turbulent marriage to Zelda Sayre, his time in Europe among The Lost Generation, the disappointing release of *The Great Gatsby*, and his ignominious fall. As former US poet laureate James Dickey said, the spirit of the man is in the facts, and these, as gathered and marshalled by Bruccoli over thirty years, are all we will ever need. But more important, they are what we need.

A Study Guide for F. Scott Fitzgerald's "The Diamond as Big as the Ritz" Gale, Cengage Learning, [The Bloomsbury Handbook to F. Scott Fitzgerald](#) Laura Rattray, Linda Wagner-Martin, 2025-01-23 Bringing together leading voices from across the globe, *The Bloomsbury Handbook to F. Scott Fitzgerald* presents state-of-the-art scholarship on the renowned Jazz Age writer, as well as offering an approachable overview of his background, influences, and cultural context. This comprehensive volume features a variety of national and transnational perspectives. Essays which consider Fitzgerald's work via key contemporary approaches such as race studies, whiteness studies, queer studies, the digital humanities, literary geography, and ecocriticism. New comparative approaches that consider the author in the context of his contemporaries.

including writers of the Harlem Renaissance and modernism An innovative cluster of short essays by practitioners reflecting on their work with Fitzgerald materials Offering an indispensable resource for researchers and students alike this handbook brings together the most exciting scholarship one a true giant of American literature **A Historical Guide to F. Scott Fitzgerald** Kirk Curnutt, 2004 The historical context of Fitzgerald's writing is explored in these essays which among other topics discuss the literary marketplace of the 1920s 1930s the influence of public figures such as Walter Lippmann the mass market motion pictures the aftermath of the Great War **Student Companion to F. Scott Fitzgerald** Linda C. Pelzer, 2000-07-30 The dazzling romantic fiction of F Scott Fitzgerald manages to captivate each new generation of readers This critical introduction written specifically for students offers insightful yet accessible literary criticism for five novels UThis Side of Paradise The Beautiful and Damned The Great Gatsby Tender Is the Night and UThe Last Tycoon A full chapter is devoted to examining each of these works with an indepth discussion of character development thematic concerns and plot structure The introduction to each novel traces its genesis and the critical reception it received at the time it was written The historical context sections examine the ways visionary works like UThe Great Gatsby offer both a chronicle and a critique of the attitudes dreams and illusions of American society during the period between the First and Second World Wars Students will also get a vivid sense of how life and art converged in the fiction of F Scott Fitzgerald the man who christened the Jazz Age This introductory study features a biographical chapter that relates Fitzgerald's life to his work and a chapter that places his fiction within its historical and literary contexts Five chapters analyze not only the basic literary components of plot character and theme but also provide an alternate critical interpretation of each novel that enriches reader's understanding of the work's complexity and vision A complete bibliography of Fitzgerald's works and a selected bibliography of critical and biographical sources complete this volume
