Fables Of La Fontaine 1st Edition:

The Fables of la Fontaine Jean de La Fontaine, 2017-01-19 The Fables of La Fontaine Jean de La Fontaine COMPLETE 12 BOOKS IN 1 Translated from the French by Elizur Wright With Notes by J W M Gibbs The Fables of Jean de La Fontaine were issued in several volumes from 1668 to 1694 They are classics of French literature The first edition of this translation of La Fontaine s Fables appeared in Boston U S in 1841 It achieved a considerable success and six editions were printed in three years Since then it has been allowed to pass out of print except in the shape of a small type edition produced in London immediately after the first publication in Boston and the present publishers have thought that a reprint in a readable yet popular form would be generally acceptable The translator has remarked in the Advertisement to his original edition which follows these pages on the singular neglect of La Fontaine by English translators up to the time of his own work Forty years have elapsed since those remarks were penned yet translations into English of the complete Fables of the chief among modern fabulists are almost as few in number as they were then Mr George Ticknor the author of the History of Spanish Literature and since Mr Wright so happily accomplished his self imposed task there has been but one other complete translation viz that of the late Mr Walter Thornbury This latter however seems to have been undertaken chiefly with a view to supplying the necessary accompaniment to the English issue of M Dor s well known designs for the Fables first published as illustrations to a Paris edition and existing as it does only in the large quarto form given to those illustrations it cannot make any claim to be a handy volume edition Mr Wright s translation however still holds its place as the best English version and the present reprint besides having undergone careful revision embodies the corrections but not the expurgations of the sixth edition which differed from those preceding it The notes too have for the most part been added by the reviser **The**

Fables of la Fontaine Jean de La Fontaine, 2017-02-15 The Fables of La Fontaine by Jean de La Fontaine Translated from the French by Elizur Wright With Notes by J W M Gibbs Complete 12 Books The Fables of Jean de La Fontaine were issued in several volumes from 1668 to 1694 They are classics of French literature The first six books collected in 1668 were in the main adapted from the classical fabulists Aesop Babrius and Phaedrus In these La Fontaine adhered to the path of his predecessors with some closeness but in the later collections he allowed himself far more liberty and in the later books there is a wider range of sources The first edition of this translation of La Fontaine s Fables appeared in Boston U S in 1841 It achieved a considerable success and six editions were printed in three years Since then it has been allowed to pass out of print except in the shape of a small type edition produced in London immediately after the first publication in Boston and the present publishers have thought that a reprint in a readable yet popular form would be generally acceptable First Proofs of the Universal Catalogue of Books on Art National Art Library (Great Britain), 1870 **Catalogue of the Private Library of Mr. George S.
