Has God Spoken? Hank Hanegraaff, 2011-08-29 Are Christians Guilty of Blind Faith or Is The Bible Really God's Inspired Word? Can You Ever Know For Sure? Join best-selling author Hank Hanegraaff for a stirring defense of the Bible as the Word of God and your only reliable foundation for life. In answering the riveting question, Has God spoken, Hanegraaff uses manuscript evidence, archeology, predictive prophecy, and much more to memorably demonstrate that the Bible is divine rather than merely human in origin. Hanegraaff demolishes modern objections to Scripture such as, 'There are more mistakes in manuscript copies of the Bible than there are words in the New Testament.' The biblical account of King David is no more factual than tales of King Arthur; there simply is no evidence in archeology or history for Israel's quintessential king. Contemporary prophets are proven 100 percent wrong 100 percent of the time, and biblical prophets are just as unreliable. **Has God Spoken** joins its predecessors *The Face That Demonstrates the Farce of Evolution* and *Resurrection* as Hanegraaff's final book in a trilogy that provides complete and compelling answers to the most critical issues facing Christians today.

Resurrection Hank Hanegraaff, 2002-02-06 Citing Bible scripture, a scholar passionately defends Christianity's most important doctrine in this award-winning book. In this definitive work, popular Christian apologist Hank Hanegraaff offers a detailed defense of the Resurrection, the singularly most important event in history and the foundation upon which Christianity is built. Using the acronym F E A T, the author examines the four distinctive factual evidences of Christ's resurrection: Fatal torment, Empty tomb, Appearances, and Transformation, making the case for each in a memorable way that believers can readily use in their own defense of the faith.

The Case for Faith-Youth Lee Strobel, 2002 FOR DISTRIBUTION OUTSIDE THE USA A youth edition of Lee Strobel's prize-winning *The Case for Faith*, created by the same writers, Strobel and Jane Vogel, who produced the popular *The Case for Christ* Student Edition.

Make it to Midnight Jim Denning, 2018-06-25 Therefore, do not worry about tomorrow; for tomorrow will worry about itself. Each day has enough trouble of its own. Matthew 6:34 Don't worry. Sounds so simple, doesn't it? In Matthew 6:34, Jesus is encouraging Christians to live in the present. It has been said that depression is pain from the past and anxiety is pain from the future. In order to live a happy life, we must learn to live in the present. Learning to live this way, the way Jesus prescribes, requires a change in our thinking. In order for this to happen, an understanding of the inner working of our brains is required. The human brain is comprised of two components: a thinking brain and a feeling brain. Depression, anxiety, PTSD, and a host of other mental disorders can be traced back to a conflict between the thinking brain and the feeling brain. *Make it to Midnight* illustrates that each of us has two sides to our psyche that are often in conflict. Through his research, Jim Denning discovered that we not only have two components to our psyche, we actually have two brains. Jim's goal for this book is to explain the anatomy of that conflict and provide its readers with the tools necessary to achieve a better quality of life and ultimately inner peace.

Rogers,2017-04-14 This book seeks to clarify and demonstrate the incalculable and injurious influence that progressive education has had and is having upon preaching

thinking Christianly and the local church Progressive education began at the turn of the twentieth century replacing classical education with what is purportedly a science based education which necessarily results in scientism This seismic shift in public education has not only affected what we learn but how we think In order to enable the church to detect progressivism s deleterious sway and protect herself by being equipped with the progressive revelation of God and thereby counter the influence of progressive education of man I seek to highlight some of the underlying intolerable essentials of progressive education In the companion book to this one *The Equipping Church Somewhere Between Fundamentalism and Fluff* I explain the biblical model for the local church and how to build such a church *The Bible Answer Book for Students* Hank Hanegraaff, 2007 Once again the Bible Answer Man brings his straightforward style to address 82 crucial and challenging questions asked by students ranging from high school through college **Postmodernism** Bobby Brewer, 2001-11 Like most people when I first heard about postmodernism I thought it was absolutely the most ridiculous and ludicrous worldview I had ever encountered Initially it sounded like just another meaningless mind game hatched by some intellectual types hidden away in an ivory tower somewhere However I ve quickly learned that postmodernism is a reaction to the most profound spiritual and philosophical crises of our time and very indicative of the spiritual status of contemporary North America After discovering the implications of a postmodern worldview I was frustrated to discover that the vast majority of ministry resources especially in the areas of church growth and evangelism were not geared towards reaching a postmodern culture During this same period over a burger and fries some teen agers from my church asked me What exactly is postmodernism and what should we be doing about it Minus the cheeseburger and fries this book answers these two pertinent questions
