Jerri, 2025-03-04 I wrote this book for those who want to read Revelation but are afraid to read it God promised to bless those who read Revelation it is that important of a book of the Bible I also wrote this book to help those who do not have the time to study the Bible but want to know what God wants for them My prayer for this book is to help educate people on how good God really is and to introduce them to the spiritual side of life The complete book of Revelation is written in this book in my words with notes to help the reader understand what it is saying Please note this is not a translation of the book but written as I see it I understand that many people see things differently than others I do not wish to change anyone's mind about their beliefs I am just giving what I have found to be true through the scriptures The Bible is a complete book with the story of God written throughout Just reading a chapter here or a chapter there will not give us the complete story I have given matching stories to help the reader see the true meaning as I see it through my Bible study Walking in Essex Peter
