Liebman,2021-04-06 This book an examination of Judaism as it evolved over a period of approximately 1 500 years is an analysis of the Hebrew Bible and other ancient Jewish writings with special emphasis on theology and morality By the middle of the first millennium with the writing of Deuteronomy the Psalms and the works of the prophets Judaism had embraced the idea that God is a compassionate father that His relationship with His people is based on love rather than fear and that His response to their commission of sins is based on the assumption that they are capable of repentance and worthy of forgiveness In the final stage of its development culminating in the first and second centuries AD Judaism was understood to require its adherents to enact the will of God specifically to establish a community based on political economic and social laws that enforce the principles of justice and mercy And that process came to be seen as inevitably dependent on human agency the need for human beings to fulfill God s commandments In Judaism loving neighbors and strangers came to be understood as the principal and for many Jews the only way of loving God **The**

Divine Violence and the Character of God Claude F. Mariottini, 2022-02-01 There is much violence in the Old Testament both human and divine Christians and non Christians react differently to what they read about the God of the Old Testament Some people are so affected by the violence found in the Old Testament that they give up on God stop going to church and reading the Bible and eventually lose their faith Others are offended by divine violence and seek to find an alternative explanation for the violent acts of God in the Old Testament A popular alternative in the twenty first century is to return to the second century and adopt some form of Marcionism and make the God of the Old Testament to be a different God from the God revealed by Christ in the New Testament The purpose of this book is not a defense of God and his use of

violence The author seeks to understand why God acted the way he did and to understand the reason for divine violence in the Old Testament Yahweh did use violence in his work of reconciliation However the use of violence was necessary when everything else failed Israel provoked God to anger When God brought judgment upon his people he did so with tears in his eyes **Nonconformist Women Writers, 1720-1840, Part II vol 8** Timothy Whelan, 2024-08-01 These volumes will present in some cases for the first time the lives and works of a coterie of Nonconformist women writers from the West Country
