Grammar Sense is a four level discourse based grammar series which focuses on the connection between form meaning and

use of English structures The series is based on the fundamental premise that English grammar is learnable and teachable if

it is systematically organized and explained Grammar Sense implements linguistic and applied linguistic research on how

where when and why native speakers use English structures and how non native speakers learn them This series provides

learners with a true understanding of how grammar is used in authentic contexts Grammar is presented in discourse rather

than in isolated sentences which allows the students to understand English grammar in real life situations **Grammar**
