Elijahs Angel:

Elijah's Angel Michael J. Rosen,1992 At Christmas Hanukkah time a Christian woodcarver gives a carved angel to a young Jewish friend who struggles with accepting the Christmas gift until he realizes that friendship means the same thing in any religion **Elijah and the Rabbis** Kristen H. Lindbeck,2010-07-09 Sabbath Book Jacket *Tree of Souls* Howard Schwartz,2006-12-27 Drawing from the Bible the Pseudepigrapha the Talmud and Midrash the kabbalistic literature medieval folklore Hasidic texts and oral lore collected in the modern era Schwartz has gathered together nearly 700 of the key Jewish myths For each myth he includes extensive commentary revealing the source of the myth and explaining how it relates to other Jewish myths as well as to world literature from publisher description **Elijah the Bodhisattva** Malcolm David Brown,2024-01-26 This is an interspiritual commentary largely though not exclusively Buddhist inspired on the life of Elijah as recounted in the Bible It treats the externals of his life as metaphors for internal mind states his story as a labyrinth like journey toward enlightenment an unfolding realization of the non duality of himself and God Elijah begins with a henotheistic conception of God as a national deity connected to the land of Israel and progresses to a realization of God as the ground of being being itself the God of those who struggle with God which is the deeper meaning of the name Israel While the inner dimension is emphasized there is also a focus on the political dimension of the story which liberation theologians call God s preferential option for the poor and here it is called the politics of anatta the core Buddhist principle of not self Moses and Elijah E. G. Waite,1899 *Elijah Prophet of Carmel* Jane Ackerman,2018-07-18 For Carmelites Elijah is considered their legendary founder and patron This study explores Elijah in Scripture legend and Carmelite documents Members of the three monotheistic faiths have always told stories of what the prophet Elijah has done and is still expected to do in sacred history He is perhaps most appreciated by members of the Carmelite Order known for its contemplative and pastoral orientation Elijah is considered their legendary founder and traditional patron Carmelites rank him as one of their greatest spiritual models Their coat of arms displays his flaming sword Mount Carmel and Elijah s proclamation With zeal I have been zealous for the Lord God of Hosts This book inquires into this deep appreciation It examines the linkage between the Order and the prophet over time More Information Beginning with the oldest knowledge we have about Elijah coming from Scripture Elijah Prophet of Carmel briefly sketches his role in the three faiths of Judaism Christianity and Islam It then turns to what the distant but influential Christian antecedents of the Carmelite Order the desert hermits and the early Fathers wrote about the zealous man of God As the Carmelite Order was founded achieved its corporate identity and changed over time so did its views of its legendary model Interaction between storytelling about Elijah and Carmelites understanding of themselves continues even to the present As thoughts from the past about the prophet continue to influence them both Teresian Carmelites and Carmelites of the Ancient Observance of our times are developing a brand new tradition of him the tradition of Elijah s double charism Folktales of the Jews, Volume 1 Dov Noy,Dan Ben-Amos,Ellen

Frankel,2006-09-03 Tales from the Sephardic Dispersion begins the most important collection of Jewish folktales ever published It is the first volume in Folktales of the Jews the five volume series to be released over the next several years in the tradition of Louis Ginzberg s classic Legends of the Jews The 71 tales here and the others in this series have been selected from the Israel Folktale Archives Named in Honor of Dov Noy The University of Haifa IFA a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale s cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the Sephardic culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This volume and the others to come will be monuments to a rich but vanishing oral tradition Tales of Elijah the Prophet Peninnah Schram,1997 Both as a biblical prophet and a folklore hero Elijah is one of the most popular and beloved figures in Jewish literature In these intriguing tales we see Elijah as the master of miracles employing numerous disguises to fulfill his mission to offer guidance and hope reward goodness and punish wrongdoing rescue Jewish communities and individuals and signal the coming of the Messiah *THE ELIJAH DOCTRINE 2 THE PATH OF THE SIGN* ELIJAH BENNETT,2018-02-26

For more than a millennium ago a group of Crusading knights known as the Knights Templars discovered a treasure so vast they considered it too great for one king or Pope to possess This sacred treasure would become known as the Holy Grail For hundreds of years this sacred treasure would be sought after and fought over for many centuries before it was lost to history Years before the dissolving of the Templar Order in 1307 A D the Knights Templars led by the renowned grandmaster Hugues de Payens in an effort to protect the location of the Grail buried a sacred map within a well crafted book of parables A book we know today as The Holy Bible Welcome to the Elijah Doctrine the 2nd Chronicle where the Vail of the holy scriptures will finally be removed What if everything we ve been taught to believe is the greatest deception of the Ages What if the Holy Bible was designed for the sole purpose of concealing the greatest secret on earth

Through Angel's Eyes Mary Grace Klukosky,2019-06-04 People are fascinated by angels who have been with God since the beginning of time People love to hear the stories of angels coming to people's aid Indeed they are known as ministering spirits However they have also been used to destroy armies deliver messages and carry out God's commands In the Old Testament angels are used over and over They witnessed Satan being cast from heaven after a battle between good and evil They worshipped God in his throne room They watched God with wonder as he created Adam Sadly they also watched Adam and Eve give in to temptation allowing evil to take over God's once perfect creation Generally their presence causes fear in people Some people even try to worship them But what do they think of us What would the angels say if they could tell the Bible stories from their perspective The stories from the Old Testament are told by a fictional anonymous angel The angel not only tells well known stories from his point of view he also participates in many of the stories as well The storyteller gives a glimpse into a spiritual world that few people get to see Based on passages in Revelation and other books of the Bible the angel reveals God's holy throne describes the angelic battle between good and evil questions man's ill fated decisions and grieves with God over man's fall The angel even explains to us why God made the choices he made Is it an angel or is it Christ The angel tells all

Elijah's Despair Ahmed Musa,2024-12-13 After a triumphant showdown on Mount Carmel Elijah finds himself fleeing for his life overcome by fear and despair *Elijah's Despair* A Whisper in the Wilderness captures the raw humanity of one of Israel's greatest prophets offering a powerful story of vulnerability divine encounter and renewal Worn out by persecution and isolation Elijah retreats to the wilderness seeking solace and questioning his purpose It is there in a moment of profound stillness that God speaks not in the wind earthquake or fire but in a gentle whisper This quiet revelation reaffirms Elijah's calling reminding him that even in his weakest moments he is never alone This poignant retelling explores themes of mental and spiritual fatigue the sustaining power of God's presence and the courage to rise again *Elijah's Despair* A Whisper in the Wilderness is a testament to the grace that meets us in our darkest moments and the

strength found in the voice of God Perfect for readers seeking encouragement and a reminder of God's intimate care

Angels Rev. Msgr. J. Brian Bransfield, 2022-08-26 Angels are all around us They are not fairy tale creatures or New Age sprites but powerful beings created by God to reflect his light And while we often are not aware of them the angels are deeply interested in us In *Angels Our Guardians in Spiritual Battle* moral theologian author and speaker Msgr Brian Bransfield teaches us how to recognize the angels present in our lives Drawing on Scripture the Church Fathers and the Catechism of the Catholic Church Msgr Bransfield shows how the angels the good angels who serve God and the evil angels who fell with Lucifer influence us in powerful ways The evil angels are insidious as they seek to lure us into sin and away from God The good and holy angels help us combat the wiles of the demons and accompany us on our mission of sharing Christ with the world They serve as God's humble yet powerful messengers and our guardians in the wilderness of this life strengthening us against temptation Ultimately they lead us to the glory of the Resurrection so that we might share the victory of Jesus over sin and death
