Marquess of Menace Tammy Andresen, 2021-02-09 He s a rake beyond redemption The Marquess of Milton was the sort of handsome that made women swoon at his feet Which suited him just fine Of course no mother would allow him near her daughter which worked even better Who wanted to tangle with a woman he might have to marry But when his path crosses with Miss Eliza Carrington a woman who is both strikingly beautiful and as fiery as they come he knows he has to have her And when he realizes there is no marriage minded mama to contend with it s time to be wicked She has no time for games The Marquess of Menace That s what they called him Eliza rejects the name from the first It implies there is something dangerous about this man when really he s just an overgrown child One who wanted to play at sin and dance away from the consequences of life She ll have none of it And if he thinks his cute lines and his handsome face will have her falling in his bed he s got another thing coming She ll teach him a few lessons about playing with a woman s affection that he ll never forget But when danger comes knocking at her door it s Menace who is there to fend it off And when his arm slips about her in comfort she has to confess that s it s as strong as it is comforting And the reckless beating of her heart Surely that s a mistake The Gemini Prophecy Eliza March, 2017-06-24 Destiny stares at you in dreams then meets you in waking nightmares Morgan and Brianna two sixteen year old Irish girls stumble upon a magical book hidden within the standing

stones Believing local mythology is just an interesting tale about immortal killers vengeful gods and age old battles they take the stories lightly until the book mentions their ancestors and reveals the girls may be destined to fulfill an ancient prophecy Discovering a deadly rift once split the fae and mortal realms as the result of a forbidden love between the fae and druids the girls dedicate themselves to the book A covenant with the gods had been broken and the responsibility of restoring the worlds fell to the Gemini descendants of the illicit lovers These chosen caretakers of the elemental stones were challenged to protect the elements from the dark mystics With a vow to destroy all the chosen evil forces used black magic to release the daemon from the Underworld and the Gemini went into hiding while the battles to find them raged on through the ages Years later psychics and profilers all over the world are being targeted for death A historic pattern becomes obvious to a former FBI agent and an Irish psychic who forced to join forces are assigned to discover who or more precisely what is targeting psychics and why They also discover an improbable relationship linked to their past Fae mythology isn't in the FBI training manual but when a killer disappears into a solid stone wall it's time for Graeme to re-evaluate reality Recently the pragmatic FBI instructor has a hard time dealing with the woman's thoughts seeping into his mind Psychic or not none of this can be real More and more he's convinced she's the same girl who's been in his dreams since childhood Morgan only felt whole in her dreams when Graeme joined her There is no doubt Graeme is her old imaginary playmate What does it mean now that his thoughts are breaking through when she's awake Even if he refuses to accept their connection his presence in her mind is a comfort until their shared dreams turn into nightmares

Custer and the Front Royal Executions of 1864 Jay W. Simson,2009-01-22 For nearly a century and a half most historians of the Civil War have accepted the claim by Confederate Colonel John S Mosby that George Armstrong Custer bears all of the guilt associated with the summary executions of six of Mosby s Rangers at Front Royal Virginia on September 23 1864 This book challenges that view through a comprehensive look at the events of the day and a history of the persons involved contending that Custer was not responsible for these executions being neither present on the scene nor the initiating officer

The Parallel Lives of Elizabeth Ann J. Nichols Mowery,2014-12-26 Three women share three separate tragedies and one very extraordinary connection It starts in the month of June when three women s lives intersect but are they separate lives or the same life lived in different dimensions It would seem each woman lives a parallel life contained within the essence of the other two They look alike They were born with the same name Yet somehow during childhood they broke apart and became three but only one is the original Elizabeth Ann Anderson As the women share physical space the mysteries surrounding them converge especially with the approach of the Summer Solstice the best time to see our own parallel lives The universe aligns during Earth s solstices and equinoxes as do parallel lives The destinies of these three separate but very connected women will be decided in the coming weeks but questions still abound Now that they ve found each other will two of the identities fall apart Will the three Elizabeth s become one Or is there something much darker and more deviant at work in the cosmos
