**Lost Souls: Abridged Version** Elvis Noble, 2022-03-27 *Lost Souls Abridged Version* is a prolific and mind-bending story filled with action and attention-grabbing suspense. It gives the readers a new outlook on the legendary and infamous Jack the Ripper. A gripping account of Mike Smith dealing with a supernatural force that consumes the souls of innocent victims. Jack, the most prolific serial killer of all time, carves an X in the foreheads of his victims. A must-read novel.

**Wonder and Glory Forever** Livia Llewellyn, Laird Barron, Erica L. Satifka, Molly Tanzer, Michael Cisco, Masahiko Inoue, Nadia Bulkin, Fred Chappell, H. P. Lovecraft, Clark Ashton Smith, Victor LaValle, 2020-11-18 Inspired by the Lovecraftian more optimistic writings, this unique collection spotlights the weird works of nine current horror and fantasy authors, including the award-winning Michael Cisco and Livia Llewellyn. Also includes Clark Ashton Smith's 1931 *The City of the Singing Flame* and Lovecraft's own *The Shadow Over Innsmouth*.

***Love, Honour, and O'Brien*** Jennifer Rowe, 2012-01-01 She stared into the speckled mirror wondering how she had come to this. How could she. Holly Love, apple of her parents' eye, competent manipulator of invoices in Gorgon Office Supplies, has ended up alone and starving in a dead man's flat. How indeed. Most reluctant heroines would throw in the towel at this point. But Holly Love is made of sterner stuff. She's sworn to track down the cheating swine who ripped her life apart and make him pay. But as she tries to keep her head in the face of a bizarre mystery, a gloomy old house, a hearse driving Elvis impersonator and a gang of vengeful thugs, not to mention a garrulous and possibly possessed parrot, Holly is forced to come to terms with a great truth. However bad things seem, they can always get worse.

**Land of a Thousand Balconies** Jack Stevenson, 2003 Most books about B movies are straight forward genre guides, biographies or encyclopaedias. Not this one. In addition to chapters on film showmen, gimmicks and cult films, *Land of a Thousand Balconies* documents those incidents and unusual film happenings which author Jack Stevenson has over the past fifteen years been privy to in his various capacities as show organiser, tour arranger, festival jury member and projectionist for hire. *Land of a Thousand Balconies* also focuses on movie theatres and renegade exhibition spaces, lamenting on the disappearing sense of place that is such an integral part of the movie-going experience. Here the reader is invited to tour a diversity of venues from the notorious old grindhouses of San Francisco, the home-made storefront cinemas of Seattle and NY, through to the underground film clubs of Europe. Book jacket.

Richard KENT,2019-01-04 Whoever you are whatever your age the rest of your life begins right now What you do with it is up to you but after reading this book I would hope that you would have a better understanding of Elvis and a happy joyous life Many times in life we do not accept what has been said because it is something we do not want to hear for it may go against the norm However with Elvis it is truly in the eyes of the beholder for without him coming out of hiding we may never see the physical truth especially if he had no proper DNA samples taken during his life up until August 1977 that would hold up in court proving his identity It has been said that there is DNA held by Lisa Marie but only she would really know There is a doctor Elvis saw by the testimony of him after the death date with DNA that defines Elvis it has been said However some people say that he does not come out to the public because he would not be able to prove his identity properly and be labeled as mentally ill I feel that if alive he wants a very quiet life with no media today or yesterday and there would be legal complications too Whether Elvis is alive or dead in the eyes of the beholder I will not make a statement as to the whole truth about this In this book I am only telling of various incidents and statements about the possibility of him being alive whether he is still alive at the age of being in his eighties now is a wonder Many things point to the possibility of him being alive even yet today Someone who arrived at the scene from the call of his bad predicament of falling and possibly dead states that when he arrived at Graceland that Elvis looked very dark skinned not like the Elvis he knew of Elvis used many types of prescription drugs and was hooked on them but is it possible for your skin to change that much from being a fair skinned man The idea of taking Elvis to a hospital to be revived that was not the closest hospital does not add up for what was that about Many people feel that he staged his death and this book will tell of a goodly number of events and accounts relevant to people in his life involved in the possible fake death After reading this book and digesting the alleged facts I collected over the years the reader should be able to acknowledge a logical intuitive and educated conclusion whether or not Elvis is physically dead or alive I hope you enjoy reading this book most of all for I tried hard to relay all that I know related to the possibility of him being alive along with cool stuff said about him I feel that Elvis may be alive but may not be completely well as of 2016 for with all of that hip movement over the years he likely has hip problems being over eighty years old I also heard that he had some kidney stone problems and was counseled by a Kansas City doctor due to no longer being Elvis and was in seclusion for a long time Everything that is said within this book that pertains to Elvis being alive today is from various things

presented by various means in this book so keep an open mind and heart but it is not necessarily the gospel truth but is allegedly true by circumstances or by those that knew him before and mostly after his alleged death I am not responsible as a person or as an enterprise regarding whether the statements are actually true or not I have done the very best I can to present the words that seem to be factual pertaining to his life and the possibility of him being alive today I cannot be responsible for Elvis words or people that were in Elvis life for over time words become somewhat changed but hopefully the words are accurate for most of the words should be Here is a word from Albert Einstein To dismiss something without an investigation of the proposed evidence is the height of ignorance Truth may seem stranger than fiction However truth is simply the real deal in the beholder s eyes      **Elvis is Alive** Xaviant Haze,2014-11-19 Oh Elvis where art thou Living on the Moon Witness Protection Kalamazoo For more than 35 years Elvis lovers have been asking themselves this question desperately wanting to believe their musical hero is still alive Seeking to finally put the matter to rest Xaviant Haze blows the Elvis conspiracies vault wide open with the first book dedicated solely to the mysteries surrounding the King of Rock n Roll While giving an accurate and concise history of the King s life he also illustrates how Elvis s talent was seized and controlled by the darker forces within the entertainment industry The rise of an artist to celebrity status his work while a mind control victim and his or her ultimate self destruction has become an all too familiar story in pop culture so frequently seen it can hardly be considered a coincidence But Elvis was no manufactured Disney creation he was a true one of a kind talent rising from epic poverty to become one of the most iconic entertainers the world has ever seen His was a tale of screaming fans groundbreaking music untold riches dizzying fame and a spectacular free fall into obliteration It was also a tale of UFO encounters zany fake funerals studies in metaphysics numerology occult theology and a strange connection with Michael Jackson An infamous pill addiction led the King to an early death and in the aftermath a pop culture phenomenon was born enabling Elvis to sustain a famous afterlife thanks to over three decades of conspiracy theories It s time to reexamine these theories and put to rest once and for all the notion that Elvis could have faked his own death If we can This is a must read for Elvis fans and conspiracy theorists alike The book includes the complete comic strip Elvis Presley His Story in Pictures written by Angus Allan and illustrated by Arthur Ranson First published in Look in magazine this marks the first time the strip has been republished in its entirety since 1982 and the first time it has ever been available outside of the United Kingdom      Elvis Presley Findings Karen E. Alderson,2012-04-30 This is the reason why I wrote this script about Elvis I grew up with his music and loved it But what I so admired about him was the way he never gave up He was so determined he would become famous and look after his parents When I became older I wanted to know why he seemed so unhappy never content He seemed to be always looking for something which I can relate to How I seem to know this is because the way he acted and the body language So when they reckon he died things did not seem to add up So many things started to come to light Even I could tell by just looking at the body in the coffin was not Elvis Why were people coming out with so many

different stories about the night he died For example no one could get the colour of his PJs correct You would also know if someone had not came to bed all night I know I would know if I was alone for more then a few hours and why not accept the American flag He strongly believes in his country That is why I had to look more into it So many fans have been hurt why he would do this When he cared so much about the people Did Colonel Parker have something to do with this After all he is worth more dead than alive He was wealthy so he could just disappear And even if he was sick he could afford the best Medical help he needed Why did they not do a DNA if he is really dead because Lisa would know that is the one thing that can prove he is really dead Would you not do a DNA test just so everyone would get of your back and so you can have a quite life I know I would owe it to his fans just so he could rest in peace Hoping this book would spark of more questions Looking for answers
