himself changed and didn't In the latter part of his career when he performed regular gigs in Las Vegas and toured second tier cities he moved beyond the South to a national audience who had bought his albums and watched his movies Yet the makeup of his fan base did not substantially change nor did Elvis himself ever move up the Southern class ladder despite his wealth Even as he aged and his life was cut short he maintained his iconic status becoming arguably larger in death than in life as droves of fans continue to pay homage to him at Graceland Appreciative and unsparing culturally attuned and socially revealing Williamson's Elvis Presley will deepen our understanding of the man and his times
