**Cypriot Cinemas** Costas Constandinides, Yiannis Papadakis, 2016-05-19 Cyprus the idyllic island of Aphrodite is better known as a site of conflict and division between Greek Cypriots and Turkish Cypriots rather than for its film production. Constandinides and Papadakis work to rectify this dearth of information by discussing the oeuvre of filmmakers engaging with the island's traumatic legacies: anti-colonial struggles, post-colonial instability, interethnic conflict, external interventions, and war. Starting with the cinema of the 1960s when the island became a republic, the collection focuses on the recent decades of filmmakers exploring issues of conflict, memory, identity, nationalism, migration, and gender, as well as the work of filmmakers who chose to cooperate across the ethnic divide. *Cypriot Cinemas* utilizes a methodology that engages all necessary perspectives for an illuminating critical discussion. Historical, theoretical, and comparative Greek Cypriot and Turkish Cypriot films in relation to regional film cultures and practices. While the volume develops a discussion based on the reading of the political in Cypriot films, it also looks at other film cultures and debates such as exploitation films and transnational cinema.

[Where the Movies Played in Downtown Pittsburg\(h\)](#), [By the Smoke and the Smell](#) Thad Vogler, 2017-09-12 Spirits expert Thad Vogler, owner of the James Beard Award-winning Bar Agricole, takes readers around the world celebrating the vivid characters who produce hand-made spirits like rum, scotch, cognac, and mezcal. From the mountains of Mexico and the forbidden distilleries of Havana to the wilds of Scotland and the pastoral corners of France, and beyond, this adventure will change how you think about your drink. Thad Vogler is one of the most important people in the beverage industry today. He's a man on a mission to bring grower spirits, spirits with provenance made in the traditional way by individuals rather than by mass conglomerates, to the public eye before they disappear completely. We care so much about the food we eat, how it is made, by whom, and where. Yet we are far less careful about the spirits we drink, often allowing the biggest brands with the most marketing dollars to control the narrative. In *By the Smoke and the Smell*, Vogler is here to set the record straight. This remarkable memoir is the first book to ask the tough questions about the booze industry: where our spirits come from, who makes them, and at what cost. *By the Smoke and the Smell* is also a celebration of the people and places behind the most singular, life-changing spirits on earth. Vogler takes us to Normandy where we drink calvados with lovable Vikings, to Cuba, a country where Vogler lived for a time and that has so much more to offer than cigars and classic cars.

and mojitos to the jagged cliffs and crystal clear lochs of Scotland to Northern Ireland Oaxaca Armagnac Cognac Kentucky and California Alternately hilarious and heartfelt Vogler s memoir will open your eyes to the rich world of traditional small scale distilling and in the process it will completely change the way you think about and buy spirits [Video Watchdog](#) ,1996 [The Video Directory](#) ,1987 **The Greek Filmography, 1914 Through 1996** Dimitris Koliodimos,1999 Contains 2 300 plus entries comprehensively covering the output of the Greek film industry Each entry presents the film s title in both Roman and Greek alphabets as well as a translation of the title into English and other titles used for foreign release where applicable statistics such as production year and running time names of production company production personnel and main cast members and a plot synopsis Some entries also include quotations from outstanding reviews and listings of awards received Appendices list recipients of the main Greek film awards Annotation copyrighted by Book News Inc Portland OR
