To the right, there's a metal stand with two bowls. In the background, a large piece of machinery, possibly a generator or a pump, is visible. The lighting is warm and somewhat dim, creating a sense of being underground.

Along Came a Soldier June Harman Betts,2010-06-10 At the end of World War II the young girl had no idea she was the answer to a dying old man s prayer when along came a soldier into her life Whether it was the power of the unknown prayer or the persistence of the soldier that chance meeting changed her life into a roller coaster ride that was filled with fun and zany antics Along Came a Soldier is a page turner in the style of June Harman Betts first two books Father Was A Caveman and We Were Vagabonds It recreates the life of an American family immediately following World War II into the turbulent years of the Vietnam War

COMMENTS FROM ACTUAL READERS I enjoyed June Harman Betts articles in our local paper for years Needless to say I was thrilled to hear that she had written a book AND WHAT A READ As she did so well in her newspaper articles she takes us to a place of memories romance heart filled times of joy and sorrow all while sharing the still unwinding story of our greatest generation Dianne Cline Denison University As June Harman Betts pens the true story of the family s history one becomes riveted by the

Accompaniment means to walk with those who suffer I learned how to accompany refugees in war zones in El Salvador offering protection against military attack with my physical presence I learned how to be accompanied when my work in Central America became the catalyst for my own healing from years of emotional sexual and physical abuse primarily at the hands of my mother Linda Crockett Combining the personal narrative of a survivor of incest with stories from El Salvadors bloody civil war in the 1980s *The Deepest Wound* demonstrates that victims of sadistic childhood abuse share common ground with survivors of political torture It explores the social conditions that foster private and public war zones and the cultural dynamics that impede healing from individual and collective trauma Offering the concept of accompaniment as a new paradigm for healing Crockett challenges readers to consider complex issues such as touch within the therapeutic alliance the delicate and dangerous dance of relationship between survivors and supporters and the difficulty inherent in accepting even basic medical treatment Teaching those who accompany her lessons absorbed from Salvadoran peasants about healing from trauma Crockett offers new hope for survivors and for those who walk with them *Chicken Soup for the Girlfriend's Soul* Jack Canfield,Mark Victor Hansen,Mark Donnelley,Chrissy Donnelley,Stefanie Adrian,2012-08-07
