

TYPE 9 **THE MEDIATOR**

Steadily going, non-confidential, amiable/friendly, other-directed or focused, and inclusive of both feelings and facts. To others this may be perceived as avoiding conflict, indecisive, rambling, over-explaining, and unclear about own position and role.

TYPE 1 **THE PERFECTIONIST**

Being precise, clear, direct, and oriented toward right and wrong. Others may perceive me as overly detailed, judgmental, critical, limiting, or closed-minded.

TYPE 2 **THE GIVER**

Being friendly, open, expressive, focused on others; and quick to support or give advice. Others may perceive me as intrusive, overly helpful, nagging or controlling.

TYPE 3 **THE PERFORMER**

Direct, topic-focused, fast-paced, and confident. Others may perceive me as impatient, unfeeling, overly efficient and restrictive, and overriding of other's views.

TYPE 4 **THE ROMANTIC**

Expressive of feelings, possibility-oriented, personal, and self-focused. Others may perceive me as overly dramatic, self-absorbed, unsatisfied with responses, and emotionally intense.

TYPE 5 **THE OBSERVER**

Content-focused, unemotional, factual, clear, analytical, and terse yet sometimes wordy. Others may perceive me as emotionally disconnected, aloof, overanalytical, or distant.

TYPE 6 **THE LOYAL SKEPTIC**

Rapid or hesitant, thoughtful to the point of over-explaining, questioning/doubting, engaging yet often contrary, and information oriented. Others may perceive me as overly concerned, challenging, doubting, controlling, and at times pessimistic.

TYPE 7 **THE EPICURE**

Exuberant, fast-paced, spontaneous, analytical, and idea- and possibility-oriented. Others may perceive me as overly quick to shift topics, self-oriented (indifferent to others' input), changeable, and prone to making excuses.

TYPE 8 **THE BOSS**

Direct/authoritative, declarative, energetic/zealful, firm, and truth-and justice-oriented. Others may perceive me as overly confrontational, intimidating, not open to questioning (hence discounting to the other) and controlling.

Essential Self-Care for Caregivers and Helpers , Do you often daydream and muse on how wonderful it would be for someone to regularly be attending to YOUR needs Do you spend a large part of each day helping others to feel better This book may challenge your old patterns of thinking but following Brockman s Primary Directive to take care of yourself first your life will start to transform and your health and well being will begin to shift in a healing direction Howard Brockman LCSW has written his second book this time emphasizing the importance of self care for the legions of people supporting and taking care of others While there are books that have been written about the challenges to professionals such as social workers

nurses and psychologists to becoming burned out Brockman's book is written also for the millions of untrained non professionals who are being recruited daily to care for their elderly parents Do you fit into either of these categories He describes the many influences that lead to compassion fatigue and becoming infected by the feelings of others This is all about how unconscious empathy can take sensitive caregivers down a never ending spiral to adrenal fatigue and depression In Chapter 2 Characteristics of High Intensity Relaters Brockman describes the primary personality of those helpers whose currency is relationship and who easily fall prey to subtle energetic influences that erode their vital force Externally referencing to others needs first tends to be one of their traits Chapter 6 Prevent Self Sabotage is filled with practical ways to stay focused and positive while overcoming old repetitive and negative inner chatter Confronting your tyrannizing inner critic is never easy Brockman tells you how He identifies different types of energy drainers that use our energy to enliven themselves and deplete ours He does a good job explaining how to create secure and persistent energetic boundaries with difficult and demanding people and other disruptive environments This is perhaps the most important theme woven throughout the book for the helper personality tends to not know how to say NO to requests from others Learning how to establish reliable energetic boundaries is incredibly important for protecting against the interpersonal hazard he refers to as psychotoxic contamination that can become cumulative over time and generate serious long term health consequences Dark and heavy energy can settle into and invade the body to wreak havoc with one's health and emotional stability The good news is that you can effectively create these boundaries and more importantly learn how to sustain them amidst the ongoing demands of the people you are helping He spends a chapter on how to use specific energy psychology techniques for emergency self care providing fascinating case examples to illustrate how to prevent post traumatic stress from building up to become PTSD Brockman spends some time explaining the importance of optimizing your self care by managing your chi and how plants the natural world and flower essences can support helpers to maintain their inner balance and overall harmony In Chapter 11 Making It Happen From Within you will discover well described and powerful imagery techniques for manifesting positive self care outcomes for yourself Brockman then teaches you how to connect to and work with your inner guides for reliable personal and professional guidance The power of a caregiver's presence is highlighted in the concluding chapter discussing how being the blessing actually creates collective coherence in the immediate caregiver's environment and thus positively affects those who are being cared for For readers who would like to measure and determine the degree of their own present health and well being there are two self assessment checklists for high intensity relaters in Appendix 2 that can also be downloaded from his website www.DynamicEnergeticHealing.com *The Road Back to You Study Guide* Ian Morgan Cron, Suzanne Stabile, 2016-10-04 Want to go deeper into the Enneagram This content rich companion to The Road Back to You features helpful tools for growth new material about Triads five study sessions and additional personal reflections about each type Whether you are on your own or in a group this guide will help you to grow in knowledge of

going to church a lot or believing in a list of strange things or following certain rules But being a Christian isn't about any of that and actually following Jesus is a lot easier and more fun than most people think In this handbook to Christianity for people who describe themselves as spiritual but not necessarily religious Dave sketches out some key practices for how to be a bad Christian including how to talk to God without worrying about prayer how to read the Bible without turning off your brain and how to think with your soul rather than trying to follow rules With beautiful illustrations from artist Rob Pepper this is an accessible light hearted book but one with a powerful invitation to be the person you've always wanted to be following a God you've always hoped is on your side

Examining Multiple Intelligences and Digital Technologies for Enhanced Learning Opportunities Zheng, Robert Z., 2019-09-27 Multiple intelligences MI as a cognitive psychology theory has significantly influenced learning and teaching Research has demonstrated a strong association between individual intelligences and their cognitive processes and behaviors However it remains unknown how each of or a combination of these intelligences can be effectively optimized through instructional intervention particularly through the use of emerging learning technology On the other hand while efforts have been made to unveil the relationship between information and communication technology ICT and individual learner performance there is a lack of knowledge in how MI theory may guide the use of ICTs to enhance learning opportunities for students *Examining Multiple Intelligences and Digital Technologies for Enhanced Learning Opportunities* is an essential reference book that generates new knowledge about how ICTs can be utilized to promote MI in various formal and informal learning settings Featuring a range of topics such as augmented reality learning analytics and mobile learning this book is ideal for teachers instructional designers curriculum developers ICT specialists educational professionals administrators instructors academicians and researchers

Personality and Wholeness in Therapy: Integrating 9 Patterns of Developmental Pathways in Clinical Practice (Norton Series on Interpersonal Neurobiology) Daniel J. Siegel, PDP Group, 2024-11-19 A new way to consider patterns of personality with the combined application of neurobiology and traditional wisdom *Personality and Wholeness in Psychotherapy* applies the perspective of interpersonal neurobiology to a traditional wisdom framework widely known as the Enneagram of Personality This framework describes a lifespan developmental personality model of nine distinct key strategies that people use to make sense of and cope with their experiences and interactions with the world These strategies can be understood as nine Patterns of Developmental Pathways or PDPs This book provides mental health practitioners with both a theoretical understanding of PDPs and practical tools for implementing the framework in clinical settings Readers will find detailed descriptions of the nine core patterns of personality as well as integrative practices specific to each of these patterns that can help people work towards states of well being and wholeness This innovative book has the potential to unlock deep and lasting change in problematic and perplexing patterns of thinking feeling and behaving transforming personality from a prison to a playground for readers and clients alike

The Essential Spirit Donald R. Koepke, 2016-01-19 Everyone who provides services to older

adults believes in the biomedical model that addresses the body mind and spirit of their clients On the whole service providers be they long term care professionals academics social workers program professionals counselors or even clergy are quite adept at dealing with the body and the mind But few understand the essential role of the client s spiritual perspective which can enhance and make their services and ministries more effective The Essential Spirit provides such a viewpoint 1 by exploring a definition of spirituality that is inclusive of both religious and non religious understandings and 2 addressing the viewpoints of professionals from a variety of viewpoints Recognizing that the experience of spirituality is personal and qualitative The Essential Spirit adds another voice to the ongoing dialogue among professionals and clergy Roaming Free Inside the Cage William M.
