

A person wearing a blue robe is shown from the chest up, with their arms raised in a gesture of praise or surrender. They are standing in a narrow, dimly lit cave with smooth, orange-brown rock walls. A bright light source is visible at the end of the cave, creating a strong backlighting effect on the person's robe and the surrounding rock. The overall atmosphere is one of awe and spiritual significance.

Generally speaking, "an eye single to the glory of God" means sacrifice. It means that instead of endlessly doing what we want to do, we have to do what the Lord wants us to do, but we have to do it in his way when he wants us to do it.

Layton,2013-07 Why are there so many competing Christian churches in the world today It is because men interpret the same passage of scripture and its terms in different ways If there ever is to be a unity in Christianity it will require a unity of understanding the scriptures It is our personal challenge in life to discover the truth of things For all of us the truth in religion isn t necessarily what we expect or want to find But for those of us who will accept truth when we find it in the scriptures it will be found in the definitions of the terms of salvation that are used consistently by the prophets We find on examination that the terms of salvation in the Bible are fairly consistent in meaning throughout the book even though the Bible was written by many different Prophets The Mormon religion claims to possess other books of scripture This book also compares what is written in their books against what is written in the Bible with very interesting results The reader from any religion will find this book a key to understanding the spirit of the Bible and the details of the Gospel of Jesus Christ
