Can't Win Me Back [Part IX] Sophie, Nathan Hill adopted a very obedient little thing who dares not go west when he tells her to go east. She treats him as her heaven and loves him with all her heart. But he took away one of her kidneys for his first love. A few years later she achieved greatness and ultimately crossed paths with him at the top. He said, "I regret letting you leave me." She said, "I never regretted leaving you." Victoria's Challenge M.K. Eidem, Victoria Lynn Chamberlain At two, she was abducted by an alien race, the Regulians. At nine, her world literally exploded when the Regulians returned, destroying Earth. She and her aunt were the only survivors, thanks to another alien race, the Carinians. Now she's eighteen, a new graduate from their top medical school, and is ready to claim her life mate, Lucas. The handsome Carinian pilot that saved her all those years ago, Major Lucas Matthew Zafar, was decorated pilot for the Coalition who has worked hard for every promotion and earned every decoration despite his father being High Admiral. Nine cycles ago, he crashed on an alien world and discovered his life mate, a nine-cycle girl with flame-red hair and sparkling green eyes. She captivates everyone around her with her strength and determination. She is his world or will be once she grows up. When he's injured in an explosion, he discovers that his wait is finally over for Victoria, who has more than grown up. Together they discover what it truly means to be life mates. That it is about doing what is best for the other, even if it is not the best for you. That you have to do more than just love; you have to trust and be willing to sacrifice the things you never thought you would. Moreover, if you are lucky and the ancestors are watching over you, you just might get everything you've ever dreamed of Indirect Subjects Matthew H. Brown, 2021-08-23 In *Indirect Subjects*, Matthew H. Brown analyzes the content of the prolific Nigerian film industry's mostly direct-to-video

movies alongside local practices of production and circulation to show how screen media play spatial roles in global power relations. Scrutinizing the deep structural and aesthetic relationship between Nollywood as the industry is known and Nigerian state television, Brown tracks how several Nollywood films in ways similar to both state television programs and colonial cinema productions invite local spectators to experience liberal capitalism not only as a form of exploitation but as a set of expectations about the future. This mode of address which Brown refers to as periliberalism sustains global power imbalances by locating viewers within liberalism but distancing them from its processes and benefits. Locating the wellspring of this hypocrisy in the British Empire's practice of indirect rule, Brown contends that culture industries like Nollywood can sustain capitalism by isolating ordinary African people whose labor and consumption fuel it from its exclusive privileges.

The Last Seven K. Monaz, 2014-12-04. Strange phenomenon takes place around the world. Seven random people on earth woke up the next day to find no one else around, no friends, no family. What's going on? So many questions left unanswered. Each struggled to piece together what needs to be done. Each found symbols directing them to a destination where they must carry out the most horrific quest to save themselves. But all is not what it seems. *COULD I HAVE THIS KISS FOREVER?* Samara Jones, Victoria never expected to make a deal with the devil. But when her father's life was on the line, she had no choice but to strike a bargain with Mariano Satta, the ruthless mafia boss who had eyes on her for five years and now finally got what he wanted. Save my father and I'll marry you. Now she wears his ring and bears his name, trapped in a world where power is everything and freedom comes at a cost. She doesn't regret saving her father but walking away from the life and the man she once loved leaves her drowning in bitterness. To her surprise, Mariano was forced to give her a four-month reprieve. No late night visits or demands. But his lips are another story. As the days slip away, Victoria struggles with the dangerous pull between them. Mariano is ruthless, possessive, and completely irresistible. The harder she fights, the more impossible it becomes to deny the growing tension between them. The four months are coming to an end. Soon she will be his in every way that matters. The real question is whether she still wants to resist. Publisher's Note: *Could I Have This Kiss Forever* is your next slow burn obsession. Picture this: four months of simmering glances and kisses that'll make you shout at the book because come on, just do it already. Inspired by Samara's long-standing obsession with watching Chinese, Turkish, Korean, and Pakistani dramas, this book is for everyone who has the patience to see love take its sweet time. Quick heads up: The book is part of a series, so if you jump in here, you might notice some references that seem a bit out of place. They actually tie back to earlier books. But don't worry, there's a recap inside the book to help. Dive in and enjoy the ride; there's plenty to love here, even if it's your first book in the series. *Can't Win Me Back* [Part III] Sophie, Nathan Hill adopted a very obedient little thing who dares not go west when he tells her to go east. She treats him as her heaven and loves him with all her heart. But he took away one of her kidneys for his first love.
