GOVERNING ISRAEL

IRA SHARKANSKY

Governing Israel

Jacob Neusner

Governing Israel:

Governing Israel Ira Sharkansky, 2017-09-08 Israeli politics and policymaking reflect themes long imbedded in Jewish culture The concepts of Chosen People and Promised Land and their meaning in Christian as well as Jewish religious traditions assure that Israel is perpetually in the international spotlight They also impose a sense of distinctiveness on the Israeli population Some Israelis trumpet their country's accomplishments with unrestrained superlatives Social critics accuse Israel of having the worst of the world's conditions In this they reflect another trait that seems to have been inherited from the ancients the prophetic tradition of extreme self criticism In reality much of what occurs in Israel is similar to what occurs in countries that share its characteristics democracy western culture and an advanced level of economic development Such an idea may seem bizarre alongside headlines about suicide bombings and the country's aggressive defensive posture This misses what is normal about Israel In Israel policymakers weigh benefits and costs of various options and generally choose something moderate just as they do elsewhere But this reality does not dim the rhetoric of politics where hyperbole frequently seems more evident than rational discourse Sharkansky discusses three central issues in Israeli public affairs religion national security and social policy He describes how policymakers relate to these issues and themes Major problems may not be solved but they are managed in a way that is tolerable It is in this trait that Israel resembles other western democracies In sum biblical themes affect Israel's political rhetoric more than they affect the way officials actually work out their problems Pragmatic coping with worldly realities generally overcomes emotional expressions that convey ingredients of spirituality

Politics and Government in Israel Gregory S. Mahler, 2016-03-03 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place He makes special note of Israel's geopolitical situation of sharing borders with and being proximate to several hostile Arab nations The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting behavior and the machinery of government Mahler also considers Israel's foreign policy setting and apparatus the Palestinians and the Israeli Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today

Politics and Government in Israel, Fourth Edition Gregory S. Mahler, Reuven Y. Hazan, 2024-12-01 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history authors Gregory S Mahler and Reuven Y Hazan examine the social religious economic cultural and military contexts within which Israeli politics takes place They explain the operation of

political institutions and behavior in domestic politics such as the constitutional system parliamentary government and the executive legislative and judicial machinery of government including discussion of elections and voting political parties and civil society and democracy in Israel Finally Israel s foreign policy setting and apparatus are considered as well as the challenges faced by the Palestinians in Israel and the peace process between Israel and its neighbors Clear and concise Politics and Government in Israel provides an invaluable starting point for all readers needing a cogent introduction to Israel today

The Political Economy of Israel Ira Sharkansky,2017-09-29 The resurgence of political economy as an important topic reflects the deep interpenetration of politics and economics There are few economic issues of consequence that are not shaped by government decisions and there are few governments whose agendas are not dominated by economic issues No country reflects the interpenetration of politics and economics as much as Israel In this analysis Ira Sharkansky examines the extensive involvement of the Israeli government in the country s economy reflected in governmental expenditures that exceed the gross national product intimate links between governmental activity and Israeli s standard of living high inflation and other economic problems and policymaking behaviors that include entrepreneurialism and indirection He explores the strategic points of Israel s political economy pursuing a qualitative analysis of Israeli problems and strategies for dealing with them Those interested in policy analysis political economy comparative politics comparative public administration and Israeli politics will find this book invaluable Contents The Political Economy of Israel What is the Israeli State How Large is the Government Budget Israel s Standard of Living Israeli Municipalities Local Initiative amidst Central Controls Who Gets What amidst High Inflation Winners and Losers in the Israeli Budget 1978 1984 Conundrums of Israel s Political Economy Problems without Solutions Public Sector Entrepreneurialism Policymaking by Indirection Perspective on Israel s Political Economy

Israel Bernard Reich,2018-03-09 First Published in 2018 This book examines the land and people of Israel and the division between Jews of Oriental and Ashkenazi backgrounds as well as the division between Jewish and Arab citizens offering a thoughtful discussion of the continuing Arab Israeli conflict

Israel at the Polls 2006 Shmeul Sandler,Manfred Gerstenfeld,Jonathan Rynhold,2013-10-18 The 2006 elections constitute a major redrawing of the political map in Israel due to Prime Minister Ariel Sharon s exit from the Likud party and his creation of a new centre party Kadima Following Israel s unilateral withdrawal from Gaza Sharon formed Kadima taking many former Likud MKs and prominent members of the Labour party with him Focusing particularly on the various political parties the election campaign in the media and the main issues at stake in the election including foreign and defence policies social and economic issues as well as the issue of corruption this book examines the impact of this reorganization of the political map The impact of events in the Palestinian Authority and other external factors are also discussed as well as the challenges for the new government in the wake of the election results This book was previously published as a special issue of Israel Affairs

Policy Analysis in Israel Gila Menahem,Amos Zehavi,2016-02-24 Israel is considered a developed country yet both security issues and its frequently

changing demographic makeup set Israel apart and imply that Israeli policy analysts must operate in a unique environment and grapple with exceptional challenges This volume part of the successful International Library of Policy Analysis series brings together for the first time a comprehensive study of policy analysis in Israel Following an introductory chapter that discusses the paradoxical history of policy analysis in Israel by Yehezkel Dror leading figures from both the Israeli public and academic spheres discuss different aspects of policy analysis in Israel While Israeli policy analysis is in some respects unique Israel also represents a broad category of states that could be considered as policy analysis late developers Hence while Israeli policy analysis is fascinating in and of itself its study also holds important lessons for other countries **Israel's**

Higher Law Steven V. Mazie, 2006-01-01 In Israel's Higher Law Steven V Mazie sheds new light on the relationship between liberalism and religion through a detailed assessment of the Jewish state Drawing on in depth interviews with Israeli citizens this compelling work scrutinizes the ways in which Israelis conceptualize and debate their polity's religion state arrangement

Israel's Invisible Negev Bedouin Deborah F. Shmueli, Rassem Khamaisi, 2015-06-02 This Brief provides a contextual framework for exploring the settlement rights of Israel's Bedouin population of the Negev desert a traditionally pastoral nomadic Arab population In 1948 the Israeli government relocated this population from the Negev region to settlements in Siyag The explicit aim was to control the Negev area for security purposes sedentarize a nomadic people and to improve their living conditions and bring them into the modern economy Since then many of the Bedouin population have continued to urbanize moving into smaller towns and cities while some remain in the settlement The Israeli government's has recently proposed a new settlement policy towards the Bedouin population that would expel many from their current homes which came into recent controversy with the UN Human Rights commission causing it to be withdrawn Israel as a whole has very complex social cultural and political fabric with territorial uncertainties This Brief aims to provide an overview of the current situation provide a theoretical historical and legal context explore barriers to implementation of previously proposed policies and provide potential solutions to improve individual and collective stability and balance the cultural and territorial needs of the Bedouin population with the larger goals of the Israeli government This work will be of interest to researchers studying Israel specifically as well as researchers in urban planning public policy and issues related to indigenous populations and human rights

Israel's Governability Crisis Maoz Rosenthal, 2016-11-22 This book examines the governability crisis faced by Israeli governmental institutions For a long period of time observers of Israel's government have reported the same phenomena instability in most political positions not allowing for proper policy design enhanced control of the bureaucracy over the policy making process and complete uncertainty regarding the implementation of policies by the bureaucracy However while one expects that with such a toxic combination of all the wrong policy making components Israel would collapse Israel has been able to achieve quite impressive landmarks in its overall performance During the first decade of the 21st century Israel became an OECD member and enjoyed high growth when the world was facing stagnation and economic

collapse Israel's government which regularly faces quandaries in a variety of policy fields is able to initiate large scale policies when needed Yet this same government refrains from initiating large scale reforms in institutional structures Hence for analysts of political institutions the Israeli state of affairs is one of choice while initiating changes to reform and overhaul the Israeli institutional system is possible it is also perilous To cope with that duality Israeli political leadership on all sides has developed a variety of mechanisms that allow them to provide the policy output needed so as to maintain the status quo This book examines these mechanisms as they exist in different facets of government work and explains their output and persistence Examples include coalitional making and breaking the ways in which ruling coalitions maneuver in parliament and policy design and implementation The book also explores the problem that exists in Israel's governability the lack of a strategic high order far sighted decision making Finally it offers a method of electoral reform that can address both of these systemic maladies

Israel's Occupation Dr. Neve Gordon, 2008-10-02 This first complete history of Israel's occupation of the West Bank and the Gaza Strip allows us to see beyond the smoke screen of politics in order to make sense of the dramatic changes that have developed on the ground over the past forty years Looking at a wide range of topics from control of water and electricity to health care and education as well as surveillance and torture Neve Gordon's panoramic account reveals a fundamental shift from a politics of life when for instance Israel helped Palestinians plant more than six hundred thousand trees in Gaza and provided farmers with improved varieties of seeds to a macabre politics characterized by an increasing number of deaths Drawing attention to the interactions excesses and contradictions created by the forms of control used in the Occupied Territories Gordon argues that the occupation's very structure rather than the policy choices of the Israeli government or the actions of various Palestinian political factions has led to this radical shift

Why Israel Can't Wait Jerome R. Corsi, 2009-08-18 The new Israeli government headed by Prime Minister Benjamin Netanyahu has repeatedly declared that a primary foreign policy objective is to prevent Iran from obtaining nuclear weapons capability Israel is a one bomb state such that one atomic weapon even a relatively low yield bomb of the type the United States dropped on Hiroshima or Nagasaki in World War II would destroy the modern Jewish state as we know it today The Obama administration has repeatedly declared the intention of following up on the campaign promise to negotiate directly with Iran This represents a fundamental policy shift from the Bush administration's efforts to apply international sanctions through the United Nations in an effort to force Iran to quit enriching uranium Consistently Iran has insisted upon the nation's right as a signatory to the Non Proliferation Treaty to pursue the full fuel cycle code words for Iran's determination to advance uranium enrichment technology in Iran under Iranian control In recent months top Iranian government and military figures have issued warnings that the time is getting short such that Iran might well have the capability to develop and deliver at least one nuclear weapon by the end of 2009 or the beginning of 2010 At the same time the international community has expressed doubt that the Iranian government will make any serious concessions on their atomic program In press conferences and

speeches President Obama has openly acknowledged the U S government now believes Iran is pursuing a nuclear weapons program At the end of the Bush administration the international press credibly reported that the Olmert government in Israel was denied fly over rights in Iran in order to launch a military strike on Iran Known as the Sampson Option an Israeli first strike on Iran s nuclear facilities becomes increasingly likely to the extent Israel feels isolated from the world community and concludes there is no chance the Obama administration will ever be able to induce Iran to stop enriching uranium regardless how seriously the president intends to push direct negotiations as a strategy We have already seen two wars launched by Israel against terrorist surrogates financed and supported by Iran the 2006 war against Hezbollah in Lebanon and the 2008 war against Hamas in the Gaza Strip Now a war between Israel and Iran is on the near horizon possibly fated to occur before the end of 2009

Israel and the European Union Sharon Pardo,Joel Peters,2012-01-12 Israel s relations with the European Union stretch back to the early days of the European Community and the signing of the Treaty of Rome in 1957 From that point onward Israel and Europe have developed an increasingly strong network of political economic scientific and cultural ties These relations have however consisted of a number of conflicting trends Indeed even while the EU has become Israel s most important trading partner the political relationship has been marked by disappointment frustration and at times even anger Israel and the European Union A Documentary History by Sharon Pardo and Joel Peters traces the history of these complex relations by bringing together over two hundred documents in one volume The documents contained in this book are divided into five time periods i 1957 1966 Israel Looks to Europe ii 1967 1979 Between War and Peace iii 1980 1991 From Venice to Madrid iv 1992 2003 From Oslo to Barcelona and v 2004 2011 A Renaissance Cut Short Each section is preceded by a short essay outlining the major themes of Israeli European Relations during those years The authors have not added any commentary to the documents themselves and instead have allowed the documents to speak for themselves The aim of this book is to offer a public record for future researchers and students of the dynamics of European Israeli relations as well as of Europe s relationship with the Middle East over the past fifty years *Israel and the European Union* is designed to serve as a companion volume to Pardo and Peters *Uneasy Neighbors Israel and the European Union* Lexington Books 2010

Governance Feminism Janet Halley,Prabha Kotiswaran,Rachel Rebouché,Hila Shamir,2019-03-26 An interdisciplinary multifaceted look at feminist engagements with governance across the global North and global South *Governance Feminism Notes from the Field* brings together nineteen chapters from leading feminist scholars and activists to critically describe and assess contemporary feminist engagements with state and state like power Gathering examples from North America South America Europe Asia and the Middle East it complements and expands on the companion volume *Governance Feminism An Introduction* Its chapters argue that governance feminism GF is institutionally diverse and globally distributed emerging from traditional sites of state power as well as from various forms of governance and operating at the grassroots level in the private sector in civil society and in international relations The book begins by confronting the key role that crime and

punishment play in GFeminist projects Here contributors explore the ideological and political conditions under which this branch of GF became so robust and rethink the carceral turn Other chapters speak to another face of GFeminism feminists finding in mundane and seemingly unspectacular bureaucratic tools leverage to bring about change in policy and governance practices Several contributions highlight the political strategic and ethical challenges that feminists and LGBT activists must negotiate to play on the governmental field The book concludes with a focus on feminist interventions in postcolonial legal and political orders looking at new policy spaces opened up by conflict postconflict and occupation Providing a clear cross cutting critical lens through which to map developments in feminist governance around the world Governance Feminism Notes from the Field makes sense of the costs and benefits of current feminist realities to reimagine feminist futures Contributors Libby Adler Northeastern U Aziza Ahmed Northeastern U Elizabeth Bernstein Barnard College Amy J Cohen Ohio State U Karen Engle U of Texas at Austin Jacob Gersen Harvard U Leigh Goodmark U of Maryland Aeyal Gross Tel Aviv U Aya Gruber U of Colorado Boulder Janet Halley Harvard U Rema Hammami Birzeit U Palestine Vanja Hamzi U of London Isabel Cristina Jaramillo Sierra Prabha Kotiswaran King s College London Maleiha Malik King s College London Vasuki Nesiah New York U Dianne Otto Melbourne Law School Helen Reece Darren Rosenblum Pace U Jeannie Suk Gersen Harvard U Mariana Valverde U of Toronto

The Third Alternative: Christian Self-Government , Handbook of Rabbinic Theology Jacob Neusner,2021-12-28 From his extensive and intensive study of the rabbinic literature Jacob Neusner shows how the rabbinic documents give expression to a very real if implicit theological system While the rabbinic literature is often seen as a collection of miscellaneous responses to questions arising from study of the Hebrew Bible and its application to contemporary life Neusner sees a system behind and embodied in the various writings He discusses the ways in which the divine thought and the human thinking that sought faithfully to interpret it actually came to expression and treats what he calls the grammar of the divine self expression in order to help us see the theological structure that it implies Then he shows how this implicit system is expressed in the rules for the life of the people that God has chosen as his own Citing passages from almost all of the mishnaic tractates Neusner shows how they fit into and give expression to the system This publication has also been published in paperback please click here for details

Judges and Saviors, Deborah and Samson Hillel I. Millgram,2018-03-09 This is a book about a book it is an in depth yet reader friendly analysis of the Book of Judges one of the most dramatic books of the Bible Against the commonly held view that this remarkable work is no more than a collection of hero tales stemming from Israel s earliest days in its land its Heroic Age so to speak this study makes the case that the Book of Judges is a unified composition with a single focused message that it is the values held by a people and not its politics that determine its fate Further Judges contends that there is a direct connection between the kind of values people internalize and the level of violence that racks their society both inflicted from without and generated from within And not least that the presence of violence is a symptom that a society has abandoned the moral values of monotheism for the Machiavellian

politics of a pagan worldview that worships power as the ultimate reality The larger than life heroes and heroines Ehud and Jael Deborah and Gideon Jephthah and Samson who people the pages of Judges serve by their example to illustrate the way this thesis works out in the world

Every Spy A Prince: The Complete History of Israel's Intelligence Community

Dan Raviv, Yossi Melman, 2024-01-15 On the New York Times Best Seller list for 12 weeks August 12 October 28 1990 This is a comprehensive history of Israel's security establishment The authors celebrate successes like Eichmann's capture but far more interestingly they do not shy away from examining the security services failures the book is riveting because Israel's early intelligence feats still resonate in today's world the book makes valuable reading for anyone interested in Israel's world wide plans to deal with matters affecting its security Wall Street Journal The authors obviously found enough talkative sources to provide them with the remarkable case histories they describe here Even though some of the Israeli operatives sound boastful the book is not propaganda or disinformation While it is filled with many examples of how Mossad pulled off major coups the authors are at pains to point out that the Israelis sometimes goofed The authors flesh out stories that once made headlines with fresh material Not all the Israeli intelligence triumphs involved violence The Israelis managed to outrun the C I A and all of Western Europe's spy agencies in getting their hands on a copy of Nikita S Khrushchev's secret speech in 1956 to a special Communist Party Congress in Moscow that exposed the horrors of the Stalin era The story of the 1960 capture in Buenos Aires of Adolf Eichmann the Nazi war criminal by Mossad and Shin Bet Israel's internal security agency is lovingly re-created A high point of Israeli intelligence came in 1967 during the Six Day War when foreknowledge of enemy positions and abilities paved the way for a rapid victory The astonishing rescue in 1976 by army commandos of hijacked passengers from Entebbe airport in distant Uganda gained added respect for Israel in the Western world Against the triumphs the authors balance these failures Mossad's misjudgments in Lebanon Shin Bet's killings of Arab terrorists in captivity and the involvement of Israel in the disarray of Irangate In addition double agents were used in Britain and caught there an American Jonathan Pollard was encouraged to spy and sell military secrets to Israel and faulty intelligence resulted in misleading the Government over the future of the occupied territories just as a Palestinian uprising was beginning a highly revealing book New York Times Everything you wanted to know about Israel's spies and secret services but were afraid to discover This comprehensive history and analysis of the Israeli intelligence community offers many original insights into the secret psyche of the Jewish State The book presents new information on some of Israel's greatest intelligence coups and failures Kirkus Basing their work on interviews with former operatives and on declassified documents CBS news correspondent Raviv and Israeli journalist Melman here produced a revealing critical history of the rise and decline of Israel's vaunted security and intelligence arm Publishers Weekly A detailed history of Israel's intelligence agencies Washington Post Every Spy a Prince is by far the best book ever published on Israel's intelligence community filled with new and fascinating information skillfully and intelligently written and above all bold and judicious in its assessments of the triumphs

and failures of one of the most remarkable espionage organizations in the world San Francisco Chronicle A highly readable well organized portrait of the main Israeli intelligence services Every Spy a Prince is a valuable balanced addition to the mushrooming literature about the world s second oldest profession Newsday **Foreign Credits by the United States Government** United States. Dept. of the Treasury, **Israel Digest** ,1955

Governing Israel Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Governing Israel PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to

become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Governing Israel PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Governing Israel free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Governing Israel Books

What is a Governing Israel PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Governing Israel PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Governing Israel PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Governing Israel PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Governing Israel PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without

significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
