**Grace Under Fire** Julie Garwood, 2022-07-19 Michael Buchanan will need every bit of his extensive skill set when he appoints himself as bodyguard to a woman determined not to need one in this thrilling new novel from 1 New York Times bestselling author Julie Garwood Grace Isabel MacKenna has a hundred things to do today Killing someone isn't one of them It is supposed to be a quick visit to Boston for the Buchanan anniversary party then on to Scotland to collect an inheritance She checks into her hotel and then decides to go for a brisk walk But after getting lost she ends up with a wounded man stumbling into her arms and his shooter coming after them both When she fires back in self defense she doesn't expect him to drop dead After Isabel endures an interrogation by police she is free to go thanks to the Buchanans dispatching former Navy SEAL and now lawyer Michael Buchanan to assist her Isabel knows she should be grateful for Michael's help but since she's harbored an extreme dislike for him for years gratitude is difficult to muster Michael has appointed himself her de facto guardian and she's stuck with him despite their constant bickering and sizzling attraction Even when Isabel goes to Scotland to claim her inheritance Michael follows her but he isn't the only thing she can't shake Mysterious threats against Isabel surface and before they can deal with their growing feelings for each other Michael and Isabel must first survive

Klondikers Tim Falconer, 2021-10-05 For readers of *The Boys in the Boat* and *Against All Odds* Join a ragtag group of misfits from Dawson City as they scrap to become the 1905 Stanley Cup champions and cement hockey as Canada's national pastime An underdog hockey team traveled for three and a half weeks from Dawson City to Ottawa to play for the Stanley Cup in 1905 The Klondikers' eagerness to make the journey and the public's enthusiastic response revealed just how deeply and how quickly Canadians had fallen in love with hockey After Governor General Stanley donated a championship trophy in 1893 new rinks appeared in big cities and small towns leading to more players teams and leagues And more fans When Montreal challenged Winnipeg for the Cup in December 1896 supporters in both cities followed the play by play via telegraph updates As the country escaped the Victorian era and entered a promising new century a different nation was emerging Canadians fell for hockey amid industrialization urbanization and shifting social and cultural attitudes Class and race based British ideals of amateurism attempted to fend off a more egalitarian professionalism Ottawa star Weldy Young moved to the Yukon in 1899 and within a year was talking about a Cup challenge With the help of Klondike businessman Joe Boyle it finally happened six years later Ottawa pounded the exhausted visitors with One Eyed Frank McGee scoring an astonishing 14 goals in one game But there was no doubt hockey was now the national pastime *From Partners to Parents* June Carbone, 2000

Examining the changes that have occurred in families family research and family law in the late 20th century this volume describes a paradigm shift in the legal and social regulation of the family to an emphasis on parents' relationships to their children rather than to each other

The Path to Gay Rights Jeremiah J. Garretson, 2018-06-05 An innovative data driven explanation of how public opinion shifted on LGBTQ rights The Path to Gay Rights is the first social science analysis of how

and why the LGBTQ movement achieved its most unexpected victory transforming gay people from a despised group of social deviants into a minority worthy of rights and protections in the eyes of most Americans The book weaves together a narrative of LGBTQ history with new findings from the field of political psychology to provide an understanding of how social movements affect mass attitudes in the United States and globally Using data going back to the 1970s the book argues that the current understanding of how social movements change mass opinion through sympathetic media coverage and endorsements from political leaders cannot provide an adequate explanation for the phenomenal success of the LGBTQ movement at changing the public's views In *The Path to Gay Rights* Jeremiah Garretson argues that the LGBTQ community's response to the AIDS crisis was a turning point for public support of gay rights ACT UP and related AIDS organizations strategically targeted political and media leaders normalizing news coverage of LGBTQ issues and AIDS and signaled to LGBTQ people across the United States that their lives were valued The net result was an increase in the number of LGBTQ people who came out and lived their lives openly and with increased contact with gay people public attitudes began to warm and change Garretson goes beyond the story of LGBTQ rights to develop an evidence based argument for how social movements can alter mass opinion on any contentious topic

*Television Series of the 1990s* Vincent Terrace, 2018-06-07 In the 1990s the big three networks were being challenged by upstarts FOX and the WB for viewer loyalty Alongside must see stalwarts like *Frasier* *Friends* and *Seinfeld* the new networks introduced pop culture touchstones like *Buffy the Vampire Slayer* and *The X Files* Such shows not only made household names of their stars but also thrived in syndication and some even graduated to the big screen In that decade shows such as *ER* *Everybody Loves*

Raymond and Northern Exposure were vying for awards while programs like Beverly Hills 90210 and Home Improvement drew in millions of viewers each week Even after these shows departed the airwaves they live on in syndication and on DVDs entertaining many generations of viewers In Television Series of the 1990s Essential Facts and Quirky Details Vincent Terrace presents readers with a cornucopia of information about sixty programs from the decade For example did you know that Ally McBeal s favorite brand of ice cream is Ben and Jerry s Or that Hank Hill s shoe size is 12 Or that Carrie Bradshaw s favorite cookie is Double Stuff Oreos These are just a handful of hundreds of fun and intriguing specifics found inside this volume Programs from all of the major networks as well as select syndicated programs and HBO are represented here This is not a book of opinions or essays about specific television programs but a treasure trove of facts associated with each show From Niles Crane s I Q score to George Constanza s high score on Frogger readers will discover a wealth of fascinating information that for the most part cannot be found elsewhere In some cases the factual data detailed herein is the only such documentation that currently exists on bygone shows of the era Television Series of the 1990s is the ideal reference for fans of this decade and anyone looking to stump even the most knowledgeable trivia expert **Fountain in the Valley** Dr.

Yvette Hickman, MD, 2014-10-28 Fountain in the Valley is about the breaking process and the beautiful transformation of us God s earthen vessels into the beautiful bride of Christ It chronicles the spiritual journey to the humility and brokenness required to be fit for the Master s service This body of work was literally born in a dream which is depicted on the front cover as prophetic art Fountain in the Valley also includes original poetry One poem eloquently describes submission to God allowing him to lead the dance of life Many inspirational and transparent testimonies appear throughout the book where you ll read of individuals going through purification processes The details of real life medical miracles are highlights of each chapter The roles of traditional medicine and God s healing power are explored and united **War and the Arc of Human**

**Experience** Glenn Petersen, 2021-05-20 Glenn Petersen flew seventy combat missions in Vietnam when he was nineteen launching from an aircraft carrier in the Tonkin Gulf He d sought out the weighty responsibilities and hazardous work But why What did the cultural architecture of the society he grew up in have to do with the way he went to war In this book he looks at the war from an anthropological perspective because that s how he s made his living in all the subsequent years it s how he sees the world While anthropologists write about the military and war these days they do so from the perspective of researchers What makes this a fully original contribution is that Petersen brings to the page the classic methodology of ethnographers participant observation a kind of total immersion He writes from the dual perspectives of an insider and a researcher and seeks in the specifics of lived experience some larger conclusions about humans social lives in general Petersen was long oblivious to what had happened to him in Vietnam and he fears that young men and women who ve been fighting the US military s wars in Afghanistan and Iraq might be similarly unaware of what s happened to them Skills that allowed him to survive in combat in particular his ability to focus tightly on the challenges directly in front of him seemed to

transfer well to life after war The same intensity led him to a successful academic career including the time he represented the Micronesian islands at the United Nations how could anything be wrong Then surreptitiously the danger the stress and the trauma he'd hidden away broke through a brittle shell and the war came spilling out As an anthropologist he sees in this a classic pattern an adaptation to one set of conditions is put to a new and practical use when conditions change but in time what had once been beneficial turns into maladaptive behavior In writing about why we fight he shed lights on what the fighting does to us

*Television Series as Mirrors of Contemporary Life* Ion Piso, 2019-05-16 This study sheds light on the impressive work done by writers of television series highlighting their sources of inspiration and their exceptional talent for maintaining interest and mirroring changes in mentalities in lifestyle It offers numerous original interpretations of various categories of such television shows and explores the ways in which older series have been developed and what has been maintained and changed in more modern TV series

*Thinking Outside the Box* Gary R. Edgerton, Brian Geoffrey Rose, 2005-01-01 *Thinking Outside the Box* brings together some of the best and most challenging scholarship about TV genres exploring their genesis their functions and development and the interaction of disparate genres The authors argue that genre is a process rather than a static category and that it signifies much about the people who produce and watch the shows In addition to considering traditional genres such as sitcoms soap operas and talk shows the contributors explore new hybrids including reality programs teen oriented science fiction and quality dramas and examine how many of these shows have taken on a global reach Identifying historical continuities and envisioning possible trends this is the richest and most current study of how television genres form operate and change

*Erect Men/Undulating Women* Melanie G. Wiber, 2006-01-01 Based on intensive study of human origin illustrations responses from students and colleagues and research into reconstructive illustration and feminist criticism of Western art this ground breaking book traces the subtle ways in which paleoanthropological conventions have influenced and have shifted in the creation of these

illustrations Wiber reveals that embedded meanings in these illustrations go beyond gender to include two other ubiquitous themes racial superiority and upward cultural progress Underlying all these themes she found a basic conservatism in the paleoanthropological approach to evolutionary theory Erect Men Undulating Women provides a deeper understanding of popularized illustrations of human origins but more importantly it encourages readers to gain a sensitivity to the ways in which Western culture constructs scientific findings that are compatible with its deeply held beliefs and values
