The Portable Graham Greene Graham Greene, 2005-01-25 In his essays criticism screenplays autobiography and novels Graham Greene explored a territory located somewhere on the border between despair and faith treachery and love This cross section of Greene's work was originally selected with the author's help in 1973 and has now been extensively revised and updated It includes the complete novels *The Heart of the Matter* and *The Third Man* along with excerpts from ten other novels short stories selections from Greene's memoirs and travel writings essays on English and American literature and public statements on issues that range from repression in the Soviet Union to torture in Northern Ireland to the paradoxical virtue of disloyalty An extensive critical and biographical introduction headnotes chronology and bibliography by editor Philip Stratford make *The Portable Graham Greene* as invaluable for scholars as it is essential for any traveler through Greene's richly menacing and strangely seductive literary landscapes For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

A Preface to Greene Cedric, M.A. Ph.D. (Professor) Watts, 2014-09-25 Lively informed and thorough this survey of the life and works of Graham Greene opens with a biographical account setting the writer in context of his times and describing and exploring the influences tensions and contradictions that occur throughout his work The second half of the book devotes itself to the art of Greene discussing his writing techniques recurring themes and imaginative preoccupations Within this section thorough critical analyses are given of three works *Brighton Rock* *The Power and the Glory* and the film *The Third Man* The book concludes with a reference section which comprises a gazeteer a biographical list and a bibliography Suggestions for further reading and a list of films encourage the student to explore the works of Greene more widely

The Human Factor Graham Greene, 2008-09-30 Maurice Castle is a high level operative in the British secret service during the Cold War He is deeply in love with his African wife who escaped apartheid South Africa with the help of his communist friend Despite his misgivings Castle decides to act as a double agent passing information to the Soviets to help his in laws in South Africa In order to evade detection he allows his assistant to be

wrongly identified as the source of the leaks But when suspicions remain Castle is forced to make an even more excruciating sacrifice to save himself Originally published in 1978 *The Human Factor* is an exciting novel of espionage drawn from Greene's own experiences in MI6 during World War II and ultimately a deeply humanistic examination of the very nature of loyalty This edition features a new introduction by Colm Tóibín For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Graham Greene's Thrillers and the 1930s Brian Diemert,1996 In *Graham Greene's Thrillers and the 1930s* Brian Diemert examines the first and most prolific phase of Graham Greene's career demonstrating the close relationship between Greene's fiction and the political economic social and literary contexts of the period Situating Greene alongside other young writers who responded to the worsening political climate of the 1930s by promoting social and political reform Diemert argues that Greene believed literature could not be divorced from its social and political milieu and saw popular forms of writing as the best way to inform a wide audience Diemert traces Greene's adaptation of nineteenth century romance thrillers and classical detective stories into modern political thrillers as a means of presenting serious concerns in an engaging fashion He argues that Greene's popular thrillers were in part a reaction to the high modernism of writers such as James Joyce Gertrude Stein and Virginia Woolf whose esoteric experiments with language were disengaged from immediate social concerns and inaccessible to a large segment of the reading public

The Language of Ethics and Community in Graham Greene's Fiction Paula Martín Salvan,2016-04-29 A study of Graham Greene's fiction from the perspective of ethics and community focusing on the narrative pattern that emerges from the author's idiosyncratic use of keywords like peace despair compassion or commitment This book explores their potential for the textual articulation of narrative conflict and the dramatization of the ethical
