Graham Henry The X Factor:

Graham Henry Bob Howitt,1999-01-01 This text explains how Graham Henry developed the patterns and philosophies that have seen him so successful at every level of rugby It offers a wealth of advice on tactics planning and the game in general *Wales and the All Blacks - An Off-Field History* Roger G. K. Penn,2022-12-01 A mutual bond of rivalry and respect has existed between the rugby loving Wales and New Zealand nations since their first match in 1905 This book documents all the matches played but also takes an unorthodox stimulating look at off field obligations and functions an often overlooked aspect of a tour Reprint of Three Feathers and a Silver Fern pub 2013 *Not a Proper Journalist* Bob Humphrys,2009-10-06 Bob Humphrys is one of the most famous names in sports journalism As sports correspondent of BBC Wales s flagship news programme Wales Today he was at the centre of every major story of the past twenty turbulent years He was there right at the heart of Ruddockgate there on the players balcony when Glamorgan celebrated winning a county championship there in the Mondeo driving Joe Calzaghe to his first world title fight In short he was where every sports fan would love to be as close to the action as you can get without scoring a try taking a corner or hitting a four Despite a life long love affair with sport Bob wasn t always a sports journalist Early in his career his brother John the Rottweiler of Radio 4 s Today programme took him aside and told him The one thing you want to avoid is covering sport that is not proper journalism But the man who always read his newspaper from back to front found it hard to resist sport s magnetic pull After his successful stints as a feature writer and current affairs reporter encountering everyone from Argentinian presidents to Danish drug dealers and Sir Anthony Hopkins the BBC s Wales Today came calling and Bob quickly discovered the politics in current affairs paled into insignificance compared to the politics in sport In Bob s first week in the job Welsh rugby imploded with a rebel tour to South Africa and for the next twenty years Welsh sport would lurch from triumph to disaster and back again with Bob right there in the middle loving every moment Tragically Bob Humphrys died in August 2008 But he left a magnificent epitaph this book In *Not a Proper Journalist* the former face of Welsh sport reveals for the first time the story behind the stories The friendships the feuds the glory and the heartbreak straight from the horse s mouth It s revealing exhilarating provocative and very funny and if that s not proper journalism brother John can eat his hat **International Sport: A Bibliography, 1995-1999** Richard William Cox,2004-04-22 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new **Jerome Kaino: My Story** Jerome
