*Hearing The Voice Of God, The Foundation Of The Church* Cassandra L Broadnax,2005-05-31 Throughout the Bible God commands His people to hear His voice Signifying it is not so important that we see but that we hear and understand Adam would not have known what to name the animals without knowing how to hear God s voice Abraham would not have known in which direction to go if he had not heard God s voice Moses would not have known what message to give the children of Israel if he had not known how to hear God s voice Jesus said and upon this rock I will build my church and the gates of hell shall not prevail against it Paul said in Ephesians 2 20 And are built upon the foundation of the apostles and prophets Jesus Christ Himself being the chief corner stone What did they all have in common They all heard the voice of God and were obedient unto Him At the end of each letter to the seven churches in Revelation chapters 2 and 3 the angel said He that hath an ear let him hear what the Spirit saith unto the churches It is was that important for the Moses the prophets the Apostles and Jesus Christ stands to reason it is just as important for us today Not one person in a body but the whole body That is why God commanded Moses to bring the children of Israel to the base of Mt Sinai to hear His voice for themselves If we are not careful we will turn a deaf ear to Him just as the children of Israel did and loose our inheritance In this book you will find simple exercises to teach you how to hear the voice of God as well as testimonies of the patriarchs who heard God and

obeyed      *Listening to the Voice* Martin D. Powell, 2017-08-15 Do you want to hear God's voice more clearly Through testimonies bible studies and exercises Dr Martin Powell demonstrates a life led by the Holy Spirit Testimonies providing encouragement and practical insights into listening to God And they overcame him by the blood of the Lamb and by the word of their testimony and they did not love their lives to the death Rev 12 11 NKJ Bible Studies Impactful studies of God's Word focussing on the heroes of the Bible who found success by listening to the Voice of God Exercises simple steps to learn and grow in the intimacy of hearing His Voice      15 Ways to Hear the Voice of God Charles W Morris, 2019-06-25 Because the Father uses many ways to speak to His children we should be careful not to miss Him because the mode of delivery might not fit our theology our experiences or our lack of experiences One of the best examples of operating by theology experiences or lack of experiences is that a lot of non Pentecostal believers have the paradigm that God speaks only by way of His Word through prayer and through preachers On the other side we many find Pentecostal believers to believe that God is speaking through too many things and they are in danger of receiving wrong messages from wrong sources However the Father does speak to us today in many different ways The many ways that the Father speaks to us today would likely mess with the theology tradition or denominational mindset of some and cause them to limit or reject the prospect of hearing God's voice This mindset would greatly limit our understanding of how God delivers His Word which would also limit our ears to listen to what God is saying If we desire to hear from Him we will not care how the message comes to us as long as there is communication We would even risk having our theology changed if proven in Scriptures and it meant connecting in a new way with the King of Glory Suppose we believed the internet was nothing but a tool of the devil and refused to use it That instantly would limit our communication with our loved ones and friends to letters or phone calls Our mindsets do affect how we relate and hear from people and how we relate and hear from our heavenly Father      *How to Hear the Voice of God* Ernest J. Murat, 2015-02-24 Religious leaders and scholars encourage you to talk with God and to hear His voice God said in John 10 14 I am the good shepherd and I know my sheep and am known by my sheep Part of knowing His sheep and being known by them is speaking with them Although you want to have a closer relationship with God and hear His voice you're not sure how to do so Many individuals including believers don't know whether God speaks to His children In *How to Hear the Voice of God* author Ernest J Murat shows that He does Murat provides a step by step guide on how to hear God's voice You'll discover what God sounds like as well as His plan and purpose and how they affect you You'll also learn how to use what He tells us *How to Hear the Voice of God* will enhance your spiritual life Experience growing faith as you learn to communicate with God and most important how to listen to Him It will make a tremendous difference in your life      *Preparing Ourselves to Hear God's Voice* Charles W Morris, 2019-05-30 For years now the most common prayer request I have had from believers is their desire to hear the voice of God and to know God's will for their lives The most commonly asked question I have heard is How do I hear God's voice Nothing should be more alarming for believers than not getting a Word from the Lord Think

about it How will we ever know what God truly desires for our lives if we cannot hear from Him On the other hand some believers do hear from the Father and receive answers but have a hard time believing it is God because the answer comes in ways they might not have expected When we do not hear God's voice we become uncertain of what to do next when faced with good and bad choices One of the reasons we don't seek to hear and follow God's voice is that the wrong life choices don't look so bad when we are in the flesh and not listening to the Father The problem many times is the mental emotional and spiritual parameters in which we limit God We limit the ways God might speak to us if we confine God in our box of how He must work and speak We must be willing to change the way we think about how to hear from the Father If we are open to hearing God only one way then we are limiting our ability to hear from Him We need to stop trying to limit HOW He will speak to us and just tune our ears to WHAT He is saying This book is designed to be a beginning course for believers who are learning to hear the voice of the Father This book is not necessarily meant to be for those who seem to regularly and clearly hear from the Father on behalf of all believers This is book 1 of a series entitled So You Want To Hear The Voice Of God The author sets out to prepare the reader to hear from the Father This is intended for the whole body of Christ as they humbly experience the privilege and joy of hearing the voice of the Father Join us as we walk the journey of seeking our Lord's face together and discovering the many ways of communing and hearing the voice of God our heavenly Father
