Hearing God's Words Peter Adam,2004-02-11 Many discussions of Christian spirituality draw on a range of traditions and disciplines but little attention is given to the Bible itself Drawing on the Old and New Testaments John Calvin and the Puritans Peter Adam expounds a biblical model of spirituality in this New Studies in Biblical Theology volume Obey, Obey Now, Obey Willingly Linda Ramsey,2022-04-05 When we hear the voice of God what is our reaction Do we doubt what He says Do we answer with our own questioning Or do we jump right in and just do it This book hopes to give encouragement to obey obey now obey willingly Reading this book will give insight on hearing and listening to God It will show by obedience to God we will bring delight to Him and we will see the results of God s radical love for us *A Foundation for Life And the Next* Timothy Santos,2018-02-08 The book is a topical commentary and Bible reference based on the Scriptures from the Old and New Testaments After the introduction the first section explains the Messiah s purpose and focuses on the foundations for salvation through the Messiah The second section focuses on emotional topics and how they affect your relationship with the Messiah The root of many emotional issues is caused by bitterness so the causes of bitterness and forgiveness are explained in simple terms easily understood by the reader and how they affect salvation Next the reader explores love compassion mercy pride and humility and how they affect their relationship with God Digging deeper into the emotional issues the reader learns God s definition for lust and purity of heart The next section deals with the intangible issues in the reader s life This includes faith sanctification repentance and the importance of total surrender to God The holy Spirit is explained in detail with an emphasis on His purpose for you Section four covers some of the symbolism in the Bible and tries to help the reader see things from the cultural view of Jesus time The desire is to help the reader understand how symbolism points to salvation and the importance of events symbolically Section five covers almost all the parables of Jesus found in the Gospels The parables are grouped into broad categories including The Kingdom of God Service and Obedience Prayer Humility God s Love Jesus Return and God s Values The parables are explained in detail using the cultural setting of Jesus time Section six is a brief overview of biblical history and Israel s history The next section begins with a discussion about the rapture at Christ s second coming The various points of view are discussed Then the anti Christ and False Prophet are explained Revelation is covered extensively but not by analyzing the symbolism The first article is Don t fear the book of Revelation followed by Revelation The real Message These articles explain the purpose and message for Revelation and try to remove the fear factor that most people feel The final section is designed to challenge your thinking and bring you closer to God **The Octagon of Spiritual Balances** Pastor Bernard J. Weathers,2016-11-21 The Octagon of Spiritual Balances was

written and detailed for those who have been made aware of their salvation and are seeking the Christian way of life according to God's mandate as outlined in the Bible. The focus is on the origin, sequence, and balancing of the spiritual attributes: faith, knowledge, spiritual understanding, belief, trust, hope, love, obedience, peace, and joy. When these ten attributes are appropriated with the use of eight defined balances, a spiritual equilibrium is formed within the life of the believer. The purpose is to introduce and explain these spiritual attributes and their order of effective advent in the Christian life, instituting a spiritual foundation, awareness, and purpose in the believer which in due course will create stability and harmony with God and life in the spirit. It enhances the believer's understanding of the work and will of God in their lives and empowers them to discern and receive what is of and from God as opposed to deceptive enticements. The believer will receive direction, purpose, spiritual clarity, and understanding as well as a confirmed spiritual equilibrium for Christian living. The reward and end result from following Jesus will be illuminated so vividly in the spirit of the believing reader that the reality of eternity will displace the thoughts of temporal time.
