Hearing The Parables Of Jesus:

Hearing the Parables of Jesus Pheme Perkins, 1981-01-01 Studies of the parables have increased and flourished in the past ten years Researchers from various disciplines in the humanities have joined Scripture scholars and theologians in examining these unique stories of Jesus Much energy has been spent in exploring and defending particular points of view about the parables Yet all too often the central questions about a particular parable What is the parable saying How do I respond to this story Have been ignored in the process This book is a guide to help readers respond to these questions Each chapter of this book introduces issues in the current discussion of the parables and teachings of Jesus It then goes on to readings of specific parables which present various directions in which an interpretation might lead Also included in each chapter are study questions The format and content of this book make it suitable for use by an individual in the classroom or as part of an adult education program Back cover

The Teaching of the Parables of Jesus Christ Edwin Faxon Osborn, 1908

Hear Then the Parable Bernard Brandon Scott, 1989-01-01 Hear Then the Parable is an innovative literary social reading of all the parables of Jesus

The Parables of JESUS CHRIST Robert Gobelet, 2016-05-03 Some sections of the Bible give us grand theology Some move us to grateful responses to God But The Parables of JESUS CHRIST break through mere words and make us see things more clearly as Jesus aloud his listeners to live through the eyes of the characters he spoke about In this book Robert Gobelet takes us systematically through the parables of Jesus so we all can learn these life changing and transforming truths taught by Jesus himself

Preaching Parables to Postmoderns Brian Stiller, 2005-01-01 Preachers in their call to preach the Scriptures are not only charged with the responsibility of speaking its truth but of speaking in such a way that people of this age and culture understand To do this the preacher builds a bridge between todays people and the gospel of both testaments For some this task is more difficult than for others Preaching to those living in an inner city housing project is far removed from an outpost mission in the two thirds world Each community has its own way of thinking and attaches different values to symbols of its own making For those called preach to a generation raised on MTV and late night comedians or those rooted in various economic cultures from governmentsponsored jobs overseen by union bosses to entrepreneurial dot com companies or generations stretching from high school students to freedom fifty fivers the task is enormous When one adds to that the complexity of a radical shift in underlying intellectual and cultural assumptions the task of preaching becomes even more complicated

The Parables Of Lord Jesus Christ Dr. Ashwin Drummond, 2022-10-21 Parables are colorful stories taken from everyday life and used to teach simple yet powerful lessons Literally it means to place beside a comparison a similitude Parables have an important function in teaching and learning particularly religious teaching especially the teachings of Jesus Christ The parables enlighten the true heart and are food for spiritual thought They were easy to remember and understand and were common methods of that time It explained complicated things in simple terms They also were to fulfill the prophecies pertaining to the Kingdom of God The parables

used by Jesus Christ in conveying his message to the common people have been explained in simple language for all to understand *The Parables of Jesus* Warren S. Kissinger,1979 no researcher will be able to work efficiently on the parables without Kissinger and no serious theological library can be without it THE EXPOSITORY TIMES The Parables of the Kingdom George Campbell Morgan,1907 *The Light of Truth as Revealed in the Holy Scriptures* Levi Rightmyer,1916

Matthew's Parables Warren Carter,John Paul Heil,2023-11-16 This book presents a comprehensive treatment of all of the parables in the Gospel of Matthew It discusses the significance of each parable as it is heard within the progression of the narrative Rather than focusing on the intent of Jesus the parable teller or of Matthew their redactor it is concerned with what happens as the authorial audience interacts with the parables But Without a Parable Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ Stephen Buttafuoco,2019-03-24 In this volume But Without a Parable Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ tenders a brand new outlook on the ministry of Jesus as a human being and as eternal God and serves a biblical interpretation of the spiritual language of parables This gospel commentary was taken from the Book of Matthew that harmonizes teachings of the other New Testament books and from that point on offers a cultural and political background of the times when Jesus was living in Israel with dates and historical fact and analysis of everything written in his three and a half year ministry on earth Since this is a resource that interprets all the gospel parables spoken by Jesus from Matthew Mark and Luke and in addition makes clear his plan of salvation created from the foundation of the world But Without a Parable Jesus Did Not Speak Interpretation of All the Parables puts forward a detailed description at the time of the cross while Jesus was alive and knew that all things at that moment had been accomplished and the scriptures had been fulfilled He cries out it is finished and that moment in time ensures the payment for sin was fully paid for while Jesus was still alive on the cross And another aspect of the book explains the controversy of divorcement and the NT Sabbath day which are all included as part of the new covenant that comprises the doctrines of the Christian churches

Exploring Parables in Luke Cheri L. Pierson,Will Bankston,Marilyn Lewis,2014-11-01 It is no easy task to move from a general proficiency in English to navigating the specialized English so often used in theological resources In addition to linguistic challenges theology students with English as a second language encounter difficult concepts and different ways of thinking In response Exploring Parables in Luke aims to help such students engage with theological literature more effectively Chapter by chapter as students work through the theologically rich explorations of Jesus parables they will grow in their proficiency of both English and theology As a result students will not only have a greater ability to access English language theological libraries but also contribute to them **In the Footsteps of Judas and Other Defectors** B. J. Oropeza,2011-11-10 In this three volume set Apostasy in the New Testament Communities B J Oropeza offers the most thorough examination in recent times on the subject of apostasy in the New Testament The study examines each book of the New Testament and identifies the emerging Christian community in danger the nature of apostasy that threatens the

congregations and the consequences of defection Oropeza compares the various perspectives of the New Testament communities on the subject of apostasy to arrive at the idea that the earliest followers of Christ did not all believe and teach alike on the issue The first volume In the Footsteps of Judas and Other Defectors focuses on the Christ communities of the Gospels Acts and Johannine Letters Preaching Parables Steven J. Voris, 2008 This text is the first to systematically look at the type and style of parables as a genre across literary and religious lines to help readers understand and use the unique transformational process themselves The New Testament of Our Lord and Savior Jesus Christ, 1882 *Stories for Ears to Hear* Tincan Caldwell, 2013-08 When asked a question like Who is my neighbor Jesus often answered with a story He did this because humans often see themselves in stories better than they do in direct answers For instance the universal situation of rescuing someone who is in desperate need on the side of the road somewhere far from home resonates with people down through the ages In *Stories for Ears to Hear* Tincan Caldwell puts a modern spin on the parables of Jesus in an attempt to help the reader imagine what the heart of these stories would look like today In his famous challenge before telling a parable Jesus would encourage those with ears to hear to listen to his tales of prodigal sons lost coins victimized travelers on the road and elaborate parties with no guests In telling these stories Jesus brought the sensibilities of heaven to the very real dusty highways and hills of his homeland In reimagining these classic parables the parable of the good Samaritan set against the backdrop of the 9 11 tragedy the parable of the unmerciful servant moved to a struggling record store the parable of the talents reimagined in the world of a network reality show Caldwell challenges readers to re examine how heaven wants to invade the everyday stuff of life like roads parties wayward sons and the foundations we build our lives upon That makes for a great story any day **A Myth of Innocence** Burton L. Mack, 1991 This imaginative book is not just a study of the Gospel of Mark but of primitive Christianity in all its variegated forms for which it represents a new paradigm It deserves serious reflection and discussion at several levels in a variety of contexts by quite diversified discussion partners James M Robinson Professor Emeritus Claremont Graduate University This is an epic making work because it turns scholarship on its head Mack asks questions not about origins but about social meaning The entire conception of what we want to know why we want to know it and how we shall find it out is new and compelling Jacob Neusner Bard College A Myth of Innocence is the most penetrating historical work on the origins of Christianity written by an American scholar in this century Its strikingly innovative feature is the recombination of literary and social histories and the placement of diverse Jesus movements into their respective social contexts Werner H Kelber *The Catholic Biblical Quarterly* **A Story of Faith, Hope and Love** William Dewberry, 2016-03-01 Gods existence is conspicuous as a result of His creation and the history in the Bible of the blessings and punishment received by His people from the time of the Garden of Eden to the crucifixion of Jesus Christ to provide redemption Therefore the most important thing in life is faith in God which leads to hope love and obedience in Gods Word the Bible Christians understand God by his creation and His willingness to sustain human life God

clearly reveals himself and His creation in the inspired account of the Bible God welcomes people to establish a relationship of faith in Him in order to avoid the consequences of sin The authenticity of the Bible was established many years ago and the people of every generation since its completion believe it is a divinely inspired book Mark Mark L. Strauss,2017-03-07 Continuing a Gold Medallion Award winning legacy the completely revised Expositor s Bible Commentary puts world class biblical scholarship in your hands A staple for students teachers and pastors worldwide The Expositor s Bible Commentary EBC offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures The EBC uses the New International Version of the Bible but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful Each section of the commentary includes An introduction background information a short bibliography and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions key words and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors who Believe in the divine inspiration complete trustworthiness and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and denominational diversity Use a balanced and respectful approach toward marked differences of opinion Write from an evangelical viewpoint For insightful exposition thoughtful discussion and ease of use look no further than The Expositor s Bible Commentary The New Testament of Our Lord and Saviour Jesus Christ Frederick Henry Ambrose Scrivener,1882
