

## **Darkness And The Light**

**My life is in darkness except for a light  
This light is not happiness my family or friends  
See my life is in darkness no need for light  
For see my face and u will know why**

**I'm not disfigured but i will not be seen  
My left eye is blue and my right is green  
You should know this is not what i mean**

**See my problem is that I'm cut too deep  
Yet some were u will not see  
The light is my fear and darkness my hope  
The tears on my face cause me to choke**

**Two people covered the light  
One is dead the other alive  
Her death did not heal  
But she is still here in the way I feel**

**The life of the other  
Brings me cheer  
I love them both  
Life and death the same**

**The life I now have draws me close  
But the tears I still have cause me to choke  
My friend will shield me from the light  
But there hearts are transparent  
They can't shield my life**
