Heart Cries:

My Heart's Cries MG Page, 2009-08-17 My Heart's Cries is a collection of divinely inspired poems and narratives that will speak to your heart and move you to step beyond the pain of yesterday and leap forward into God's Promise of abundant life and healing. There are many of us who are living lives of great prominence and significance seemingly with the world at our fingertips. We are established and distinguished people but yet we are hurting and bleeding still carrying around hurts, pains, scars, and bruises from yesterday crying out for help on the inside. Underneath all the smiles, great accomplishments, nice paychecks, and great wealth, there lies emotional and spiritual famine. At some point we must come to terms with the fact that it's time for a reality check. We must be mature enough to embrace change and move forward with a purpose. My Heart's Cries will challenge you to change and in it you will find that the Love of God is the answer to everyone of our Heart's Cries.

Heart's Cry, Revised Edition Jennifer Kennedy Dean, 2011-06-01 The human heart cries out for many reasons. But the deepest cry is one of yearning to be filled with God's presence and power. Whether we're praying, help me to forgive or show me Your will, our hearts long to connect with God. Jennifer Kennedy Dean will help you learn how to listen for God's answer to your heart's cry. In this book she shares principles of heart-changing prayer. These principles are not easy steps to making God do what you want but rather they enable you to live fully in God's power, giving Him your heart to change as He sees fit. The book is made up of 12 chapters, each including discussion questions and a meditation and reflection guide. A leader's guide is also included in the back to make the book useful for group study.

When a Heart Cries Kim Vogel Sawyer, 2012 Why does God not see Samantha's yearnings for a child and answer her prayers? Does God even listen when a heart cries so fervently and long?

Annotations of the Heart's Cry: Man's Secrets Joshua Alexander, 2011-09-06 What happened to the love aspect of manhood? Why is that aspect only reserved for relationships with women as it relates to traditional men? Why is the softer, more compassionate side of a man only reserved for little children and then done away with when that son, that nephew, grandson, or brother starts getting older? Who determined that once a boy reaches a certain age he can no longer have or experience that type of love any more from his male role models or authority figures? Who constituted the authority to those men before us to make such a decision? Why was that decision ever made and then allowed in the first place? Why was it ever accepted? Why has it not changed?
