Michael Jackson's blockbuster LP *Thriller* not only topped the charts it became the best selling record of all time. Diversity defined the 90s with the most influential albums ranging from Garth Brooks' *No Fences* which made country one of the hottest musical genres of the decade to Dr Dre's debut *The Chronic* a multi platinum smash hit that brought West Coast hip hop into the mainstream. For each album the book lists the basic publication information including release date label and producer. More important Chris Smith sheds light on the history of these albums revealing the inspiration behind their creation and why they continue to stand the test of time. Selected on the basis of their popular appeal and influence on later genres the albums included represent a wide variety of genres such as blues jazz rock reggae rockabilly folk soul hip hop and country. A timeline of important events a selected bibliography for further reading and an appendix of albums that almost made the cut round out this volume making it a gold mine of information for everyone who loves popular music.
