isolation the less she felt part of a family Without community to see herself reflected back to her it felt impossible for her to be true to herself Instead of glorifying God in all she did she resorted to foxhole prayers and felt unworthy of God s love She lived in the undoing of the 3 things until she found herself in an alcoholic suicidal bottom with only two ways to go end it all or surrender to a new beginning She chose the latter With the 3 things as her guide Maggie gathered powerful forces to aid her in her recovery contemplation community celebration and compassion for herself and others She relied on her 12 step recovery community to help her get sober and put in the humble work to right the wrongs of her past She became part of a family again both chosen and inherited Her compassionate honesty allowed her to be true to herself And she remembered what it means to glorify God in all she did whether that was taking out the trash giving birth to her second child or writing a book in service to others The 3 Things In The 3 Things Maggie Boxey shares how she used her faith to regain all she lost and find the will to start again even when it seemed hopeless She shares her struggles of being a sober progressive liberal and gasp vegetarian living in military communities in the South And as a die hard Indigo Girls fan she guides readers from all walks of life and religious backgrounds to get closer to fine
