American Journal of Education ,1897 **Littell's Living Age** ,1874 **The Examiner** ,1865 **The Sung Theology of the English Particular Baptist Revival** Joseph V. Carmichael,2020-12-21 Anne Steele 1717 1778 originally wrote her hymns to be sung in the Baptist congregation pastored by her father The foremost female contemporary of hymn writing giants Charles Wesley John Newton and William Cowper her hymns are infused with spiritual sensitivity theological depth and raw emotion She eventually published her hymns under the pseudonym Theodosia which means God s Gift She believed God had given her a gift to share Steele s work was warmly received in her own day Pastor and publishing pioneer of the modern English hymnal John Rippon included more than fifty of her hymns in the various topical sections of his wildly successful Selection of Hymns Rippon s hymnal was popular on both sides of the Atlantic but was especially influential during the nineteenth century revival and renewal of English Particular Baptists This book introduces Steele s hymns in the context of her life and times and of Rippon s hymnal It illustrates that

Steele's approach to hymn writing is a model of biblical spirituality. Each hymn as printed in Rippon's hymnal and thus sung by congregations and used as devotional literature is considered. The sung theology of these congregations is a gift to the church universal and worth rediscovering in the twenty-first century. **Following the Indian Wars** Oliver Knight, 1993. Using a huge canvas the author deploys the historical facts about more than one thousand fights between troops and Indians, the immediate first-hand impressions of correspondents who participated in the battles and skirmishes and his own interpretations from the combined evidence. It is as if the reader himself had gone along on these expeditions to see what was happening, to assess the relative skill of commanders and their troops and to share both the dangers and the relaxations of military life on the vast frontier beyond the Mississippi. The Insurance Law Journal, 1924.
