## Heart Of The Butterfly:

**The Heart of the Butterfly** Alexi Publications,2000-06-01      **One Beat of a Butterfly's Heart** Ronald

Callander,2014-10-19 In this book we are given a unique view of East Africa of the 1950s not the stereotyped picture of wildlife safaris and leaping Masai but the emerging independence struggle of a new African nation from the viewpoint of a white police officer in an exceptionally detailed thoroughly readable firsthand account of a rare period of recent history It tells how an Australian veteran fresh from the Korean War became a colonial police officer in Tanganyika Territory later Tanzania after federation with the offshore islands of Zanzibar in 1964 The reader is taken on a journey which tourists in Africa never see from back alleys and police cells in the polyglot city of Dar es Salaam to snake infested camps on Uganda Ruanda border patrols and on police field force emergency operations from barracks at the foot of Kilimanjaro There is much here to discover about a mostly benign semi colonial period in Africa which lasted less than fifty years passing in one African's description as briefly as a butterfly's heartbeat where a few conscientious white administrators and their loyal African assistants managed vast regions of a desolate territory with remarkably selfless care and scarce resources where things worked most of the time but sometimes where chaos reigned It is about the country itself its ubiquitous animals and its people at close range including villagers criminals hunters witch doctors and colonial officials but most of all the African askari policemen who were the author's close and often only companions      Poetry From The Heart By An Alzheimer's

Caregiver Carolyn A. Haynali,2004-12-14 The Teaser Carolyn started this journey by keeping a daily journal and from that her poetry started to flow and now a book The gift of writing these poems came out of the long lonely journey with her husband Chuck who had Alzheimer's The poems speak of the love the struggles and the heartaches that a caregiver has to go through taking care of a loved one I was not a writer but felt inspired to write my feelings as it helped me get through the days and the years ahead I was able to lose myself and get lost for a time in my writings I pray that you can gain some understanding and comfort as you read these poems      *Poems from the Heart* Hseham Amrahs,2024-01-06 But haiku is not
