Heart Of The Quran:

Heart of the Quran Ayatullah Dastghaib Shirazi, 2014-02-09 A tradition that all commentators have quoted from reliable books states that everything has a heart and the heart of Quran is Surah Yasin 1 When we consider the totality of the organs of body as one unit its center is the heart From this center is directed the administration of the body So far as it is warm the body remains alive and when it fails the body dies Heart of the Quran is Surah Yasin The comparison of Surah Yasin with the heart in this narration conveys the importance of this Surah Though the entire Quran is a miracle and the Word of God the special merits found in this blessed chapter particularly can be better understood by referring to the narrations which describe the extraordinary excellence and benefits available through regular recitation of this Surah *The Heart of the Qur'an* Lex Hixon, 2003-09-25 Neither as Christians or Jews nor simply as intellectually responsible individuals says Hixon have members of Western civilization been sensitively educated or even accurately informed about Islam As tensions between America and the Middle East grow we should promote cross cultural understanding not violence This new edition with a new foreword and commentary by Neil Douglas Klotz allows the reader to drink from the illuminating fountain of the Holy Qur'an the foundation of Islamic culture First published in 1988 Hixon's poetic meditations on over nine hundred passages from the Qur'an show that they are not relics from the past but exist in a timeless present communicating as vividly as when they were first uttered Through clear and accessible language Hixon illustrates how the teachings of Islam can be applied to contemporary everyday life issues such as love relationships justice work and self knowledge In addition to the selections themselves the book contains readable lively introductions to the tradition of Islam its basic precepts and what it says about other religions As the first such work in English to be written by a Muslim The Heart of the Qur'an continues to show that Islam is among the great wisdom traditions of humanity **Heart of the Quran: a Commentary to Sura Al Yasin** Ayatullah Dastghaib Ayatullah Dastghaib Shirazi, 2017-10-24 Everything has a heart and the heart of Quran is Surah Yasin This foreword can make one easily and nicely understand about the heart of the universe A beautiful commentary by Ayt Shirazi *The Heart of Islam* Seyyed Hossein Nasr, 2009-03-17 As the specter of religious extremism has become a fact of life today the temptation is great to allow the evil actions and perspectives of a minority to represent an entire tradition In the case of Islam there has been much recent confusion in the Western world centered on distorted portrayals of its core values Born of ignorance such confusion feeds the very problem at hand In The Heart of Islam one of the great intellectual figures in Islamic history offers a timely presentation of the core spiritual and social values of Islam peace compassion social justice and respect for the other Seizing this unique moment in history to reflect on the essence of his tradition Seyyed Hossein Nasr seeks to open a spiritual and intellectual space for mutual understanding Exploring Islamic values in scripture traditional sources and history he also shows their clear counterparts in the Jewish and Christian traditions revealing the common ground of the Abrahamic faiths Nasr challenges members of the world's civilizations to stop demonizing others

while identifying themselves with pure goodness and to turn instead to a deeper understanding of those shared values that can solve the acute problems facing humanity today Muslims must ask themselves what went wrong within their own societies he writes but the West must also pose the same question about itself whether we are Muslims Jews Christians or even secularists whether we live in the Islamic world or in the West we are in need of meaning in our lives of ethical norms to guide our actions of a vision that would allow us to live at peace with each other and with the rest of God's creation Such help he believes lies at the heart of every religion and can lead the followers of the Abrahamic religions Judaism Christianity and Islam as well as other religious and spiritual traditions to a new future of mutual respect and common global purpose
