Heart Strangely Warmed:

A Heart Strangely Warmed Jonathan Dean, 2014-08-31 John and Charles Wesley generated a heritage that reaches well beyond the worldwide Methodist movement which they founded The rise development and effect of early Methodism was an Anglican phenomenon and deserves attention and recognition as such This collection of their essential writings shows how the Wesleys interpreted and balanced the emphases of the 18th century Church of England with passion and vision harnessing resources from across the breadth of Anglican thought and practice and beyond to forge a distinctive dynamic and influential approach to religious experience This volume places the Wesleys firmly in their own world and examines the ways in which their theology and practice was a fusion of diverse elements from the whole Christian tradition giving impetus to the only enterprise that really concerned them Christian mission The Wesley s generous reasonable and compelling vision is one of Anglicanism s finest contributions to the Church Catholic one whose wisdom and influence endures across the world

Where's Your Focus? Joseph W. Segree, 2014-08-26 In a society consumed with materialistic indulgence and a relentless quest for contentment Wheres Your Focus reminds us that God does indeed have a purpose for each of our lives Wheres Your Focus has a threefold premise Much of the busyness and activity of the Christian community may be without relevance or eternal significance All ministry indeed all activity in the church must be evaluated in light of the biblical mandate to bear fruit for the kingdom of God The church must never lose sight of the essentials salvation of the lost training of disciples and building up of the body of Christ A properly focused life is one that invests in the lives of people while maintaining a consistent walk with Jesus Christ through prayer and the application of God's word Wheres Your Focus comes from the life and ministry of one who for forty years has traveled the parallel paths of Christian ministry and the practice of optometry The inspiration and authority of the Bible the lordship of Jesus Christ and the reality of eternal life come through loud and clear Where's Your Focus is a welcomed resource for anyone who wants to live a life properly focused

Methodism Rupert E. Davies, 2017-07-26 The proceedings of the Methodist Church Congress held in The Central Hall Bristol October 7 10 1929 This volume is offered to a wider public in belief that the effort of the Congress to bring out the value and significance for the life of today of the Methodist Witness to a free full present salvation deserves a permanent record For the individual reader we venture to suggest that the book

should be read with the endeavor to relate the addresses with the accompanying devotional exercises as they are presented for the proceedings of each session It is for this purpose that the devotional services have been combined with the respective addresses For the same reason it is also hoped that the book may provide a welcome and inspiring textbook and devotional guide for the Guilds and Study Circles Shaping the Church Martyn Percy, 2016-04-01 This book seeks to dynamically alter the way that theologians ecclesiologists students of religion and ministers look at the church Taking the ideas of composition formation and vocation as basic ecclesial categories Martyn Percy explores how apparently innocent and incidental material is in fact highly significant for the shaping of theological and ecclesiological horizons The Introduction sets the tone with a meditation on how the apparently ordinary scent of a country church can be redolent with meaning setting the tone of expectation in relation to subsequent worship This book is not however simply about reading meanings into events ideas conversations and contexts Rather it sets out to faithfully interpret much of the material that surrounds us yet is often taken for granted or more usually unnoticed The book is an invitation to involve the scholar or minister paying close and patient attention to beliefs language artefacts rituals practices and other material all of which are constitutive for ecclesial life and theological identity
