The Silver Lining Between Heartache and Healing Erin Martin, 2022 The silver lining of heartache is healing clarity comes with the loss That is one line I will happily cross A healing journey knows its ups and downs before the healing manifests itself as your reality Every poem in this collection stands for taking one step at a time before making it out of a hard place These poems are not about wallowing or staying stuck in your pain They are about facing your fears and the ability to be clear about what it is that still needs to be worked on The silver lining between heartache and healing is a perfect example of creating something out of the heart even when said heart feels bruised Some of these poems will make you feel strength others leave you broken a few might make it seem like time had been frozen But there are also those that show darkness can be bright by the end of this book I realized it is an art to turn shadows into light Bron Flaptekst uitgeversinformatie

map out of the grief stricken darkness and devastation for Survivors who are once and for all in need of seeing things commence to change As a much needed no nonsense recovery primer 14 Reasons serves as a powerful frank and often counter intuitive demystification of debilitating grief and 14 prominent associated myths keeping far too many hopelessly trapped overwhelmed and consumed in excruciating pain and sorrow Simply put the purpose of 14 Reasons is to equip and empower you to turn the proverbial page on your grief recovery in route to finally giving you your life back What do you say Ready to get started
