Hearts Betrayed:

Betrayed Hearts Susan Anne Mason, 2014-08-08 Lily Draper comes to Rainbow Falls in search of her biological sister the only blood relative she has left Emotionally scarred by her preacher father Lily avoids religion at all cost Her new landlord an aspiring minister soon has her questioning her views Can she learn to trust Nick s heart or will her sordid past destroy their love Nick Logan hopes to take over for the retiring minister who has groomed Nick for the job But Reverend Ted seems to feel the position requires Nick to marry an upstanding woman namely Ted s niece When Nick finds himself falling in love with Lily Draper the woman least likely to become a minister s wife his problems escalate And when Reverend Ted gives him an ultimatum Nick faces an impossible choice Can he accept God s will and still find a place for Lily in his life *Christ's Heart Betrayed* , By My Heart Betrayed Olga Bicos, *New York Magazine* , 1988-10-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Ladies' Companion** , 1838 *The House of Joy* Laurence Housman, 1979-01-01 A long time ago there lived a King and a Queen who had an only son As soon as he was born his mother gave him to the forester s wife to be nursed for she herself had to wear her crown all day and had no time for nursing The forester s wife had just given birth to a little daughter of her own but she loved both children equally and nursed them together like twins One night the Queen had a dream that made the half of her hair turn grey She dreamed that she saw the Prince her son at the age of twenty lying dead with a wound over the place of his heart and near him his foster sister was standing with a royal crown on her head and his heart bleeding between her hands The next morning the Queen sent in great haste for the family Fairy and told her of the dream The Fairy said This can have but one meaning and it is an evil one There is some danger that threatens your son s life in his twentieth year and his foster sister is to be the cause of it also it seems she is to make herself Queen But leave her to me and I will avert the evil chance for the dream coming beforehand shows that the Fates mean that he should be saved The Queen said Do anything only do not destroy the forester s wife s child for as yet at least she has done no wrong Let her only be carried away to a safe place and made secure and treated well I will not have my son s happiness grow out of another one s grave The Fairy said Nothing is so safe as a grave when the Fates are awake Still I think I can make everything quite safe within reason and leave you a clean as well as a quiet conscience The little Prince and the forester s daughter grew up together till they were a year old then one day when their nurse came to look for them the Prince was found but his foster sister was lost and though the search for her was long she was never seen again nor could any trace of her be found The baby Prince pined and pined and was so sorrowful over her loss that they feared for a time that he was going to die But his foster mother in spite of her grief over her own child s

disappearance nursed him so well and loved him so much that after a while he recovered his strength Then the forester s wife gave birth to another daughter as if to console herself for the loss of the first But the same night that the child was born the Queen had just the same dream over again She dreamed that she saw her son lying dead at the age of twenty and there was the wound in his breast and the forester s daughter was standing by with his heart in her hand and a royal crown upon her head The poor Queen s hair had gone quite white when she sent again for the family Fairy and told her how the dream had repeated itself The Fairy gave her the same advice as before quieting her fears and assuring her that however persistent the Fates might be in threatening the Prince s life all in the end should be well Before another year was passed the second of the forester s daughters had disappeared and the Prince and his foster mother cried themselves ill over a loss that had been so cruelly renewed The Queen seeing how great were the sorrow and the love that the Prince bore for his foster sisters began to doubt in her heart and say What have I done Have I saved my son s life by taking away his heart Now every year the same thing took place the forester s wife giving birth to a daughter and the Queen on the same night having the same fearful dream of the fate that threatened her son in his twentieth year and afterwards the family Fairy would come and then one day the forester s wife s child would disappear and be heard of no more At last when nine daughters in all had been born to the forester s wife and lost to her when they were but a year old the Queen fell very ill Every day she grew weaker and weaker and the little Prince came and sat by her holding her hand and looking at her with a sorrowful face At last one night it was just a year after the last of the forester s children had disappeared she woke suddenly stretching out her arms and crying Oh Fairy she cried the dream the dream And covering her face with her hands she died The little Prince was now more than ten years old and the very saddest of mortals He said that there were nine sorrows hidden in his heart of which it could not get rid and that at night when all the birds went home to roost he heard cries of lamentation and pain but whether these came from very far away or out of his own heart he could not tell Yet he grew slenderly and well and had such grace and tenderness in his nature that all who saw him loved him His foster mother when he spoke to her of his nine sorrows tried to comfort him calling him her own nine joys and indeed he was all the joy left in life for her **My Traitor's Heart** Rian
