confusing in betweens first loves and that one epic love that was almost it My hearts been left with cracks and surface nicks Alchymy Hermann Beckh, 2019-10-23 As a practising Christian but all the love what really matters is held safe inside priest Hermann Beckh was profoundly aware that the mystery of substance its transmutation in the cosmos and the human being was a mystical fact to be approached with the greatest reverence requiring at once ever deepening scholarship and meditation. He viewed chemistry as a worthy but materialistic science devoid of spirit while the fullness of spiritual physical nature could be approached by what he preferred to call chymistry or alchymy thereby taking in millennia of spiritual tradition In consequence Beckh s Alchymy The Mystery of the Material World is not limited to the conventional workings of Western alchemy nor to what can be found in the Bible from Genesis to Revelation although he does unveil hidden riches there Neither should Beckh be considered only as a learned Professor with impeccable academic qualifications and European wide recognition Beckh writes about such topics as Isis the Golden Fleece traditional fairy stories and Wagner's Parsifal in a way that enables the reader to catch glimpses of the Mystery of Substance to share the writer's authentic experience of the divine substantia the living reality of Christ in the world Beckh s Alchymy set an entirely new standard and went on to become his most popular publication This is the first time that it has been translated into English along with updated footnotes making his ideas and insights accessible to a wide readership In addition this edition features translations of Beckh s The New Jerusalem where theology could best be expressed in verse his exemplary essay on Snow white observations on Allerleirauh and a substantial excerpt from Gundhild Ka er Bock s biography of Beckh **Small Press Record of Books in** Baptist Commonwealth ,1903 Light on the Path and Through the Gates of Gold Mabel **Print** ,1992 Collins, 2020-12-17 Mabel Collins describes her views on reality and the world around us in Light on the Path and Through the Gates of Gold a collection of her works Collins offers here not only her views on theosophy and spiritualism promoted by the theosophical society but also her views on the study of the occult The Light Behind the Castle : Mystical Fairy Tales from the Czech Heart Laras Wening, 2025-07-19 The Light Behind the Castle A Mystical Tale of the Czech Heart takes you down the passage of time uncovering the veil of secrets hidden behind the graceful stone walls of Central Europe that echoes ancient legends This book is a collection of 13 Czech folk legends that not only spark the imagination but also reflect the richness of culture local wisdom and the power of stories passed down from generation to generation Discover Princess Libu e the great fortune teller who dreamed of the birth of the city of Prague from empty land and her grand love story with P emysl the peasant who became king and forerunner of the royal dynasty Feel the tension at Karl tejn Castle a mysterious place that forbids the presence of women or drown in the sadness of Rusalka's love the water nymph who has never been united with her lover The story of the incredible Prague Astronomical Clock is also present with the maker tragically blinded so as not to create similar miracles You ll also encounter the silver spirits of Kutn Hora the white eagles of Moravia and the stone warriors of Vy ehrad who await the nation's resurrection Through its warm and insightful narrative speaking style this
