Heart Of A Chief:

The Heart of a Chief Joseph Bruchac, 2001-08-27 Chris Nicola's life is complicated. He lives on the Penacook Indian Reservation and goes to school in town. At school, things are going great; he's been selected to lead a group project on using Indian names for sporting teams. But it's another story at home. The Penacooks are divided over whether or not to build a casino on a beautiful island. Chris thinks of it as his own. Is there anything one sixth-grade boy can do? Chris's compelling voyage of self-discovery is grounded in everyday events, allowing readers to see into the heart of this burgeoning chief. Publishers Weekly Readers who see injustice in their own lives will admire how much Chris accomplishes with a simple message of respect. Remembers Al Lacy, Joanna Lacy, 2008-12-24 This final book in the Frontier Doctor trilogy continues the story of Dane and Tharyn Logan, husband and wife medical team serving a mining community west of Denver. While caring for the physical ailments of the residents of this frontier town, the Logans also minister to their spiritual needs. And Dane has the joy of leading a Ute Indian chief and his family to faith in Christ. Dane's biggest challenge comes, however, when the stagecoach he's riding crashes down a ravine. Dane survives but loses his memory. Who is he? Does he have a family somewhere? And will his trust in God help him find his way back home? THE FRONTIER DOCTOR TRILOGY Countless perils menaced the settlers of the vast wilderness, and one of the most severe was the scarcity of medical care. Risking his own life by day or by night in all kinds of weather, the frontier doctor was a rare, unsung hero of the West. Strong Heart, Able Hands. Dr. Dane Logan and his wife Tharyn are happily settled in Central City and considering the right time to start a family. Their medical practice in the little mining town keeps them busy with everything from new babies and appendicitis to gunshot wounds and a rancher gored by a bull. It's almost more than one doctor can keep up with. Then, when the stagecoach he's riding in crashes down a ravine, Dane awakens with a head injury and no idea who he is. Will his trust in God help him find his way back home? Story Behind the Book Of all the perils confronting the settlers of the Wild West, serious illness, injuries from mishaps of countless number, and wounds from battles with Indians and outlaws were the most dreaded. The lack of proper medical care resulted in thousands of deaths. It is our desire that the reader will be deeply impressed with the courage of those frontier doctors who helped settle the West. We think you'll find this final book in this trilogy filled with our faith gained from so many years of serving the Lord and trusting His written Word. **Heart of the Dragon** Peter Man, 2018-06-09 Victoria, a Canadian

teenager adopted from China as a baby, goes through incredible adventures in China and America to discover her mysterious background. Victoria's odyssey is interwoven with the amazing story of the first warrior queen of China during the Shang dynasty, circa 1200 BCE. Victoria is also linked to a northeastern barbarian tribe at the beginning of the Han dynasty, circa 200 BCE. These barbarians and their descendants would one day rule China and become a part of China. The famous Mulan was from that barbarian-ruled era. Many of the mysteries are encoded in the ancient Chinese Oracle Bone writing. Victoria
