**Heartache Spoken Here** Stephen Walsh, 1997      **Playlets** George Bernard Shaw, 2021 These highbrows must remember that there is a demand for little things as well as for big things George Bernard Shaw was one of the leading playwrights and public intellectuals of the nineteenth and twentieth centuries He helped propel drama towards the unexpected into a realm where it might shock audiences into new viewpoints and into fresh understandings of society Throughout his long writing career Shaw wrote short plays ranging in length from 1000 word puppet play *Shakes Versus Shav* to the 12 000 word suffragette comedy *Press Cuttings* These plays can be taken to illuminate Shaw's life and legacy from ideas about war and patriotism in *O Flaherty V C* to censorship in *The Shewing up of Blanco Posset* Surveying Shaw's entire career of writing short dramas focusing especially on those years when his work in the form was particularly prolific around 1909 and during the First World War this collection places Shaw's short plays broadly into four key areas farces historical sketches war dramas and Shakespearean shorts For each of these areas the volume explores Shaw's aesthetic and thematic concerns the precise historical and generic contexts in which the works were written the major criticism and scholarship that has subsequently emerged and the most notable stage and screen productions This collection reveals how a playwright often criticized for being too wordy was actually a master of the short form      **Popular Music and**

**Automobiles** Mark Duffett, Beate Peter, 2020-01-09 Particularly since the 1950s cars and popular music have been constantly associated As complementary goods and intertwined technologies their relationship has become part of a widely shared experience one that connects individuals and society private worlds and public spheres *Popular Music and Automobiles* aims to unpack that relationship in more detail It explores the ways in which cars and car journeys have shaped society as well as how we have shaped them Including both broad synergies and specific case studies *Popular Music and Automobiles* explores how attention to an ongoing relationship can reveal insights about the assertion and negotiation of identity Using methods of enquiry that are as diverse as the topics they tackle its contributors closely consider specific genders genres places and texts

**Voices Of The Old Firm** Stephen Walsh, 2012-12-07 This revised and updated edition of *Voices of the Old Firm* tells the story of Rangers and Celtic in the words of those who can say I was there By interviewing players managers but above all supporters of the two great clubs Stephen Walsh has built up a unique portrait of sixty years of football in the city Full of evocative social and historical detail the book surveys all the great moments since the war the ups and downs the triumphs and disasters What was it like to be in Lisbon for Celtic's epic 1967 European Cup victory or in Barcelona for Rangers' European triumph of 1972 The different voices which describe these and many other key events include some of the greatest players ever to pull on a green or a blue jersey and they have vivid tales to tell of encounters on the field But the book also hears the voices of those who have spent their time standing on the terraces or sitting in the stands cheering on their heroes Ordinary supporters tell of their adventures at home and abroad while following their clubs with sometimes ridiculous levels

of devotion In their own words they tell of great games of football but they also describe the fabric of the fan's life the buses the songs the drink the clothes the bigotry and the passionate emotion which marks Glasgow out from almost all other footballing cities This classic oral history has been brought fully up to date with the addition of new material reflecting the way the teams have come to dominate the Scottish football scene in the last ten years Highlights include Celtic's pilgrimage to Seville for the UEFA Cup final and Rangers unforgettable championship win of 2005 *Bordersnakes* James

Crumley,2016-07-12 C W Sughrue has been gut shot and left to die and is for the first time in his life actually scared which makes him angry Milo Milodragovitch has been robbed of his three million dollar inheritance by a pipsqueak banker and a butch lady poet he's not scared at all just pissed In a spiffy suit and a red Cadillac Milo trails his thieves to the Mexican border where the community consists of three kinds of drug smugglers six different breeds of law dogs and every kind of criminal ever dreamed up that is bordersnakes When Milo and Sughrue cross paths they head off together on a dope smoking trash talking hard drinking blood spattering roadtrip across the West **Warren Zevon** George Plasketes,2016-06-02
